

Five Strategies for Structuring an Inclusive Classroom Environment

Setting Up The Learning Environment Video

Eva-Marie Großkurth, Jürgen Handke

Setting Up The Learning Environment Video:

Enabling Environments in the Early Years Liz Hodgman,2012-05-21 This title focuses on how to ensure your setting's physical space and equipment provides the most challenging and interesting environment for children in your care This book covers Assessing and improving the learning environment making the most of your outdoor space and inclusive settings

The Inverted Classroom Model Eva-Marie Großkurth,Jürgen Handke,2014-11-10 Only two years after its first run the Inverted Classroom Conference has become a familiar event at Marburg University Most conference participants not only knew about this digital teaching and learning scenario but were experienced users and developers While during its predecessors most participants wanted to familiarize themselves with the central components of the Inverted Classroom Model the focus of the 3rd German Inverted Classroom Conference in 2014 to which this conference volume is dedicated was not only a discussion of variants of the model but also for the first time the inclusion of long term evaluations and aspects of student behavior This shift of emphasis is reflected in the contributions to this volume Even though all central aspects of the ICM content production and delivery testing and the in class phase are still addressed we can now find recommendations concerning digital material acquisition in class tuition the role of student tutors as well as first long term studies about ICM effects In general then the focus was much wider than that of the first two ICM conferences from a new and originally non familiar teaching and learning scenario to more general aspects of digitization of teaching and learning in the 21st century

Designing Communication and Learning Environments Diane Mary Gayeski,1995 An organized introduction to the conceptual foundations design elements and various media support technologies to consider when designing remodeling or simply choosing work and learning facilities Case studies including b w photographs present successful facilities and explain why they work
