Setting The Mould The United States And Britain 1945 1950

Robert Self

Setting The Mould The United States And Britain 1945 1950:

Setting the Mould Robin Edmonds, 1986 Britain and America After World War II Richard Wevill, 2012-05-15 The period immediately after World War II was a vital one for diplomatic relations and with the Soviet Union emerging as a new superpower it was particularly important for Britain's relations with America This is the first book to focus on the role of the British Embassy in Washington during this period According to Richard Wevill the British Embassy was pivotal in the fulfilment of key British foreign financial and imperial policy objectives Applying the implications of new archival material to the turning points of the period including a detailed review of Lord Halifax's ambassadorship under Attlee a re-evaluation of the part of Roger Makins in the atomic energy discussions and the Embassy's influence in relation to Palestine Wevill argues for a more nuanced understanding of the special relationship in its most formative period He offers a recasting of a crucial period of twentieth century history providing fascinating new detail on Britain's relations with President Truman as well as with Secretaries of State George Marshall and Dean Acheson Charting the beginnings of one of modern history's most influential alliances this book will be a primary reference point for students and scholars of History the Cold War Politics and International Relations **British Power and International Relations During the 1950s** Michael J. Turner, 2009-01-01 This is an integrated international history that pays special attention to Britain's role and status It contributes to the ongoing debate about Britain's decline as a great power and suggests that despite some retreats and compromises Britain managed successfully to maintain its influence and defend essential national interests Acheson and Empire John T. McNay, 2001 Acheson and Empire offers a compelling reassessment of Dean Acheson's policies toward the former colonial world during his period as secretary of state from 1949 to 1953 John T McNay argues that Acheson inherited through his own personal history a way of understanding the world that encouraged imperial style international relationships This worldview represented a well developed belief system rooted in his Ulster Protestant heritage that remained consistent throughout his life *Harold Wilson and European Integration* Oliver J. Daddow, 2016-01-20 Harold Wilson's direction of the second British application to join the EEC is ripe for reinterpretation With new and exciting material now available in the Public Record Office and abroad this is an extremely propitious moment to reconsider Wilson's motivations and to contextualise them in light of evidence on foreign policy making contained in the official record American Studies Jack Salzman, 1990-05-25 This volume supplements the acclaimed three volume set published in 1986 and consists of an annotated listing of American Studies monographs published between 1984 and 1988 There are more than 6 000 descriptive entries in a wide range of categories anthropology and folklore art and architecture history literature music political science popular culture psychology religion science and technology and sociology The US, the UN and the Korean War Robert Barnes, 2014-02-28 Military social and economic historians have long appreciated the significance of the conflict in Korea in shaping the post war world The policy of containment was formed China was established as an important military power and the US increased its

military expenditure fourfold as a result of a conflict which killed over 33 000 Americans What has been less appreciated is the role played by the United Nations and the British Commonwealth in influencing US strategy at this time of crisis the Truman administration invested time and effort into gaining UN approval for the conflict in Korea and the course of the war was adapted to keep UN allies often holding crucial strategic positions in other Cold War theatres in tow Robert Barnes develops a fresh perspective on these fluctuating relationships the tensions between Washington and its British Commonwealth allies and their impact on the direction of the conflict in order to challenge the common view that the United States was able to use its dominant position within the UN to pursue its Cold War ambitions with impunity This important new interpretation is supported by evidence from a wealth of sources from official government records to private papers and memoirs written by the most important American and Commonwealth personalities directly involved in shaping the UN s response to the conflict This study presents a thorough deconstruction of the decision making process behind US handling of the Korean War from the outbreak of conflict in 1950 to the Geneva Conference of 1954 This will be essential reading for students of International Relations Cold War Studies and modern History *Assuming the Burden* Mark Atwood Lawrence,2007-04-24 That decision he argues marked America s first definitive step toward embroilment in Indochina the start of a long series of moves that would lead the Johnson administration to commit U S combat forces a decade and a half later Jacket **The Juggler** Warren F. Kimball,1994-08-28 Here Warren Kimball explores Roosevelt s vision of the postwar world by laying out the nature and development of FDR s war aims his long range political goals As the face of eastern Europe and the world changes before our eyes Roosevelt s goals dismissed during the Cold War as impractical seem less unrealistic today **Rebuilding Europe** David W. Ellwood,2014-02-04 With the end of the Cold War and the prospect of a federal Europe ever closer this book is a timely reassessment of the processes by which western Europe was reborn out of the devastation and despair of 1945 Concentrating on the first postwar decade and making rich use of the latest research findings David Ellwood gives a detailed account of the practicalities of reconstruction how it was done what it cost who paid for it and what those involved hoped for expected and actually received **The Labour Party, Nationalism and Internationalism, 1939-1951** R. M. Douglas,2004-03-01 The Second World War was a watershed moment in foreign policy for the Labour Party in Britain This book traces how the British democratic left set about the task of defining the principles of a radically new international system for the post war world The author shows how the experience of total war fundamentally reshaped the left s attitudes toward national identity and international policy Breaking with the traditional accounts that place Cold War tensions at the centre of the Attlee government s activities in the immediate postwar years R M Douglas s book provides an entirely new framework for reassessing British foreign policy and left wing concepts of national identity during the most turbulent mement of Britain s modern history *Making British Defence Policy* Robert Self,2022-06-16 This book explores the process by which defence policy is made in contemporary Britain and the institutions actors and conflicting

interests which interact in its inception and continuous reformulation Rather than dealing with the substance of defence policy this study focuses upon the institutional actors involved in this process This is a subject which has commanded far more interest from public Parliament government and the armed forces since the protracted bloody and ultimately unsuccessful British military involvement in Iraq and Afghanistan The work begins with a discussion of two contextual factors shaping policy The first relates to the impact of Britain s special relationship with the United States over defence and intelligence matters while the second considers the impact of Britain s relatively disappointing economic performance upon the funding of British defence since 1945 It then goes on to explore the role and impact of all the key policy actors from the Prime Minister Cabinet and core executive to the Ministry of Defence and its relations with the broader Whitehall village and the Foreign Office and Treasury in particular The work concludes by examining the increasing influence of external policy actors and forces such as Parliament the courts political parties pressure groups and public opinion This book will be of much interest to students of British defence policy security studies and contemporary military history Harold Wilson and Europe Melissa Pine, 2007-10-24 NJR BLURB IN RAW FORM The second British application to join the European Communities EC was made during Harold Wilson s second Labour government It ended in failure with French President Charles de Gaulle s veto in November 1967 This book traces the development of Britain s policy towards the EC from the veto to the end of Wilson s government in June 1970 It is based upon recently released British archival resources and begins with the puzzle of how it was possible for Edward Heath s Conservative government to open negotiations for membership just twelve days after taking office The book suggests that Wilson s earlier diplomacy was vital for the Conservatives successful negotiation of British entry by 1973 Despite the 1967 veto the Wilson government continued to focus on Western Europe to the diminution of previously important relationships with the United States the Commonwealth and the European Free Trade Association The book is focused on Wilson and examines his personal role in European policy demonstrating his control over the application his management of cabinet and his efforts to win over key European allies It suggests that a key enabling factor for the pursuit of accession was the complacency of most ministers with the exception of key foreign office ministers On the continent British diplomacy was crucial in creating an environment conducive to the eventual lifting of the French veto and success of the British application It first facilitated meaningful collaboration with some EC member states Second it prevented harmful developments in the Communities that might otherwise have made British accession more difficult Wilson was crucially important to this policy and personally strove to ensure its success Labour s defeat at the 1970 general election meant that the policy was carried to fruition by Heath and the Conservatives but Wilson s efforts paved the way to eventual British membership *The Royal Navy and German Naval Disarmament 1942-1947* Chris Madsen, 2020-05-05 After the bitter lessons of German self disarmament in 1919 Britain was far more alert and focused when it came to overseeing the disarmament of Germany s naval forces after World War II This book shows how well prepared the

British were second time around *Churchill* Keith Robbins,2014-06-17 Keith Robbins provides an excellent introduction to Winston Churchill s dramatic rise to power and traces the unpredictable way his career moved between triumph and tragedy Providing a vivid picture of the political landscapes through which he moved it outlines his career and uncovers what made possible Churchill s leading role in national and world affairs Harry S. Truman Robert H. Ferrell,1994 Biography of president Harry S Truman discussing his life political career and presidency *Harry S. Truman and the Cold War* Revisionists Robert H. Ferrell,2006-05-01 The idea of revising what is known of the past constitutes an essential procedure in historical scholarship but revisionists are often hasty and argumentative in their judgments Such argues Robert H Ferrell has been the case with assessments of the presidency of Harry S Truman who was targeted by historians and political scientists in the 1960s and 70s for numerous failings in both domestic and foreign policy including launching the cold war perceptions that persist to the present day Widely acknowledged as today s foremost Truman scholar Ferrell turns the tables on the revisionists in this collection of classic essays He goes below the surface appearances of history to examine how situations actually developed and how Truman performed sensibly even courageously in the face of unforeseen crises While some revisionists see Truman as consumed by a blind hatred of the Soviet Union and adopting an unrestrainedly militant stance Ferrell convincingly shows that Truman wished to get along with the Soviets and was often bewildered by their actions He interprets policies such as the Truman Doctrine the Marshall Plan and support for NATO as prudent responses to perceived threats and credits the Truman administration for the ways in which it dealt with unprecedented problems What emerges most vividly from Ferrell s essays is a sense of how weak a hand the United States held from 1945 to1950 with its conventional forces depleted by the return of veterans to civil pursuits after the war and with its capacity for delivery of nuclear weapons in a sorry state He shows that Truman regarded the atomic bomb as a weapon of last resort not an instrument of policy and that he took America into a war in Korea for the good of the United States and its allies Although Truman has been vindicated on many of these issues there still remains a lingering controversy over the use of atomic weapons in Japan a decision that Ferrell argues is understandable in light of what Truman faced at the start of his presidency Ferrell argues that the revisionists who attacked Truman understood neither the times nor the man one of the most clearheaded farsighted presidents ever to occupy the Oval Office *Harry S Truman and the Cold War* Revisionists shows us that Truman s was indeed a remarkable presidency as it cautions historians against too quickly appraising the very recent past **America and the Cold War, 1941-1991** Norman A. Graebner,Richard Dean Burns,Joseph M. Siracusa,2010-05-05 Three distinguished diplomatic historians offer an assessment of the Cold War in the realist tradition that focuses on balancing the objectives of foreign policy with the means of accomplishing them *America and the Cold War 1941 1991 A Realist Interpretation* is a sweeping historical account that focuses on the policy differences at the center of this conflict In its pages three preeminent authors offer an examination of contemporary criticism of the Cold War documenting the views of

observers who appreciated that many policies of the period were not only dangerous but could not resolve the problems they contemplated. The study offers a comprehensive chronicle of U S Soviet relations broadly conceived from World War II to the collapse of the Soviet Union. It places the origins of the Cold War as related to the contentious issues of World War II and stresses the failure of Washington to understand or seriously seek settlement of those issues. It points out how nuclear weaponry gradually assumed political stature and came to dominate high level Soviet American diplomatic activity at the same time discounting the notion that the Cold War was a global ideological confrontation for the future of civilization. A concluding chapter draws lessons from the Cold War decades showing how they apply to dealing with nation states and terrorist groups today.

American Historians and the Atlantic Alliance Lawrence S. Kaplan, 1991. This conference based work offers the views of seven American diplomatic historians on the role of NATO from an American perspective placing the alliance within the larger frame of America's foreign policy as a superpower. Each reveals an aspect of how NATO has fashioned the American Century.

Diplomacy at the Brink David M. Watry, 2014-12-10. A groundbreaking new study of Anglo American relations during the Cold War. *Diplomacy at the Brink* argues for a reevaluation of Dwight D Eisenhower's foreign policy toward allies and enemies alike. Contrary to his reputation as a level headed moderate, the Eisenhower who emerges in David M Watry's exhaustively researched book is a conservative ideologue, a leader whose aggressively anti Communist and anticolonialist foreign policies represented a major shift away from the containment policy of the Truman presidency. Watry contends that Eisenhower worked closely with John Foster Dulles to engage in aggressive brinksmanship that diametrically opposed Winston Churchill's diplomacy of peaceful coexistence. At a time when British economic interests favored cooperation with China, Eisenhower planned nuclear war against it when Anthony Eden considered Gamal Abdel Nasser a Soviet agent and invaded Egypt. Eisenhower supported Arab nationalism and used economic and political blackmail to force Britain to withdraw. Such stances fractured the special relationship between America and Great Britain and played a vital role in the dissolution of the British Empire. Watry's thorough examination of the important clash of U S U K foreign policy demonstrates that America's new anti colonial policies and the unilateral use of American power against perceived Communist threats put Eisenhower and Dulles on a collision course with Churchill and Eden that rocked the world.

Setting The Mould The United States And Britain 1945 1950 Introduction

In today's digital age, the availability of Setting The Mould The United States And Britain 1945 1950 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Setting The Mould The United States And Britain 1945 1950 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Setting The Mould The United States And Britain 1945 1950 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Setting The Mould The United States And Britain 1945 1950 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Setting The Mould The United States And Britain 1945 1950 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Setting The Mould The United States And Britain 1945 1950 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Setting The Mould The United States And Britain 1945 1950 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Setting The Mould The United States And Britain 1945 1950 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Setting The Mould The United States And Britain 1945 1950 books and manuals for download and embark on your journey of knowledge?

FAQs About Setting The Mould The United States And Britain 1945 1950 Books

1. Where can I buy Setting The Mould The United States And Britain 1945 1950 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Setting The Mould The United States And Britain 1945 1950 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
