Settlements Social Change And Community Action:

Settlements, Social Change and Community Action Ruth Gilchrist, Tony Jeffs, 2001 Reflecting the current emphasis in social policy on the ideas of community and active citizenship the contributors to this book develop the basic settlement concepts of strong communities and links across groups and apply them to current policy developments in community responsibility the role of voluntary work and the future of social care *The Settlement House Movement Revisited* Sarah Vicary, John Gal, Stefan Köngeter, 2020-12-16 This book explores the role and impact of the settlement house movement in the global development of social welfare and the social work profession It traces the transnational history of settlement houses and examines the interconnections between the settlement house movement other social and professional movements and social research Looking at how the settlement house movement developed across different national cultural and social boundaries this book show that by understanding its impact we can better understand the wider global development of social policy social research and the social work profession Neighbourhood Houses Miu Chung Yan, Sean R. Lauer, 2021-03-01 Neighbourhood Houses draws on a five year study to document and contextualize the neighbourhood house movement in Vancouver Social disconnection has led many observers to declare that urban communities are weakening and fragmenting Nonetheless the local community is where most aspects of everyday life occur where people establish their homes and pursue their ambitions It offers a secure haven in an unpredictable globalized world Neighbourhood houses are community hubs providing services such as public recreation child care health care and adult literacy classes bringing urban newcomers and neighbours together Contributors to this book outline the history of the Vancouver network its relationship with local government and other organizations in the region the programs and activities offered and the experiences of participants While globalization and migration create fragmented and disconnected societies in modern urban cities this timely study demonstrates that place based community organizations can provide an antidote *History of Social Work in the United Kingdom: Oxford Bibliographies Online Research Guide* Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource
