**The Seven Dawns of the Aumakua** Moke Kupihea, 2004-03-03 An extensive examination of Hawaiian spiritual tradition and its emphasis on ancestral spirits by a descendant of an ancient lineage of Hawaiian priests Describes the time honored intergenerational bond between a people and a land that embodies the heart of indigenous spirituality A powerful and authentic portrait of a culture on the cusp of extinction In Hawaiian spiritual tradition the sacred bond formed between the land and its people is perpetuated in every new generation by the voices of the ancestors who pass on this inheritance Just as elders are the intermediaries between these voices and the younger generations the na aumakua or ancestral spirits are the intermediaries between the living and the sacred land they inhabit In *The Seven Dawns of the Aumakua* Moke Kupihea takes the reader on his journey from childhood to young manhood as he experiences what remains of the spirit of his ancestors and learns the importance of remembering The descent of the aumakua and its spiritual link through the eyes sound voice touch people and breath constitute its seven dawns the means by which the author is reawakened to his native tradition The author's desire to know this tradition leads him as a young boy to seek out his kupuna his elders the old men of the mountains and learn from them the stories to be found in each feature of the landscape These men and the people he meets as he grows older become his kahu his ancestral guardians who teach him to understand that the world of ancestral voices still speaks if only in a whisper Learning how to hear these voices is the key for returning Hawaii to its proud spiritual path and learning to live mindfully and soulfully with the land and with all who have come before us

**Apocalypse in Paradise** Nancy E. Rose, 2014-04 Apocalypse in Paradise is a supernatural story that is a manifestation of the end time prophecies from the Word Themes in modern society that are most troubling are reflected in this supernatural thriller These disturbing events speak to the presence of evil in our society and around the globe Issues like genocide racism white supremacy gun proliferation severely debilitating drug abuse increased epidemics of infectious diseases pedophilia sexual assault and the lack of a moral compass in modern society Just like Babylon the story takes place on a tropical island that has a military installation with a diabolical colonel who like Captain Cook tries to destroy the Polynesian islanders Furthermore he has his sights set on the rest of mankind Colonel Strauss like Hitler before him wants to fully restore the Aryan race Disgusted about the election of an African American president Colonel Strauss is bent on ridding the world of the colored people black and brown and let s not forget the Jews They d missed some in the gas chambers and death camps His diabolical plan is to insert a horrible plague a fatal disease into humanity the only hope is a life saving vaccine that will only be given to white people the story begins with a prologue that highlights the catastrophic events occurring on the beautiful tropical island called Nardei Nar day located in the southern Pacific Ocean as a result of the implementation of Colonel Strauss s diabolical plan It has been twenty nine days since the ill fated luxury ocean liner Tropicana left the port of Honolulu Most of the passengers were either sick or dead Kate the nurse from the cruise ship was now sick too She still could not believe that evil could exist in a place so beautiful that it had been compared to the Garden of Eden In this majestic setting evil was running amok and why not Lucifer could quietly get his hold on the world from such a remote location A sneak attack if you will Kate the nurse on the Tropicana has just found love with a Hawaiian warrior named Kimo the leader of the

island's people and sadly now she was dying of the sickness. She knows that the end draws near, the evil present on the island is reminiscent of the days of Captain Cook when he sailed into Kealahou Bay in 1788 and exploited the island's people. Ghastly incidents occurred like decapitations, mutilations, human sacrifices and rape of women and children, darkening the sunny days that were once bright and majestic in this tropical paradise. Now history was repeating itself. Today the village is burning. Once again the decapitation of the warrior men was happening; the heads were stuck on stakes in front of the village heiau, an ancient temple of worship. The same demon in Cook's day is orchestrating the unfolding calamity on Niihau, a horror so great that scores of local people are taking their own lives, jumping from the high cliffs into the raging ocean, crashing below on sharp outcroppings of rocks, death by drowning. Kate was not going to give in to the compulsion to commit suicide. Kimo, her new love, and the other village men are currently on a mission to invade and occupy the military installation to steal the life-saving vaccine. They dared to enter the lair of the beast, Colonel Strauss, a Nazi, a white supremacist, who has a plan to restore the Aryan nation. He intends to destroy not only the island but he seeks to impose the eugenic goals of Adolf Hitler. Would Kimo and his men really be able to defeat the military of the United States, the odds were against them. Pastor Kua, the village preacher, joins Kate on the beach where she is watching the magenta sunset. Would it be her last? After all, she has the sickness, pustules, sores that were bleeding, covered most of her body. She was already experiencing the hemorrhaging from her eyes, nose and mouth. It gave her a dead vampire look. Despite one disaster after another, Pastor and Kate.
