Seven Days Leave

Frank Pierce Foster

Seven Days Leave:

The Vermont Brigade in the Seven Days Paul G. Zeller, 2018-12-31 The Vermont Brigade sometimes referred to as the First Vermont Brigade or the Old Brigade fought its first full brigade engagement in the Seven Days battles. The leaders as well as the rank and file were inexperienced in warfare but through sheer grit and determination they made a name for themselves as one of the hardest fighting units in the Army of the Potomac. Using soldiers' letters, diaries, and service and pension records, this book gives a soldier's eye view of the Virginia summer heat, days of marching with very little rest or nourishment, and the fear and exhilaration of combat. Also included are the stories of 29 men that were wounded or killed and how the tragedies affected their families. *Boston Medical and Surgical Journal*, 1906 **Leaves and Passes** United States. N. Y. New York (State). Adjutant General's Office, 1866* Federal Register, 2013-02 Farewell to N'Djamena Isaac Benjamin, 2014-06-06 Farewell to NDjamena is a literary classic that carries out a narrative on the United Nations Mission in the Central African Republic and Chad (MINURCAT). The book examines the withdrawal of the European Force which gave way to MINURCAT Force activities in the region. Unfortunately, one year later, the force was considered not to have attained its Humanitarian Mandate, especially as the Presidential election was by the corner. Chad had made peace with the then old Sudan whose President had the ICJ hammer dangling on his neck for war crimes. All effort to get President Idriss Deby of Chad to extend MINURCAT Mandate proved abortive. Subsequently, the mission began to wind up gradually. The author is of the view that the numerous political challenges and conflicts in Africa are caused by the greed of its leaders who have turned the institutions of governance to that of personal gains. Finally, the book will assist the United Nations Secretary General to know the challenges that faced MINURCAT which led to the resignation of the Special Representative of the Secretary General.
