**Louise, Benton Minks**

## **Seven Days In June A Novel Of The American Revolution:**

**Seven Days in June** Howard Fast, 1994 The Battle of Bunker Hill is seen through the eyes of an English doctor seeking America's promise of freedom in a dramatic retelling of the bloody battle between the makeshift American army and the British Grenadiers 35 000 first printing 35 000 ad promo Tour *American Revolution* Spencer C. Tucker, 2018-09-14 With more than 1 300 cross referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes course and consequences of the war and the political social and military origins of the nation This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War 1775 1783 but also the decades leading up to the war beginning with the French and Indian War and the aftermath of the conflict with an emphasis on the early American Republic Volumes one through four contain a series of overview essays on the causes course and consequences of the American Revolution followed by impeccably researched A Z entries that address the full spectrum of political social and military matters that arose from the conflict Each entry is cross referenced to other entries and also lists books for further reading In addition there is a detailed bibliography timeline and glossary A fifth volume is devoted to primary sources each of which is accompanied by an insightful introduction that places the document in its proper historical context The primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic military and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States Treason Marilee Worrell, 2008-08-21 Treason is the story of William Palmer and his descendants who were among the first settlers in colonial North America They were Puritans in the 17th Century Quakers in the 18th Century part of the Loyalist Diaspora to Shelburne Nova Scotia after the American Revolution and Canadian soldiers in the trenches of World War I Treason is about the life and times of the Palmers of the political individuals who held sway and the cause and effect of their use and abuse of power Book Review This novel is rich in historical data and covers a wide time span It begins when Will is preparing to leave England for the wilds of a young America and ends with his descendants fighting for England during WWI The family is forced to flee to Canada along with many others when they chose to remain loyal to the crown during the Revolution If you ever wondered what happened to those people after they left this book is for you Anita Mott Utah History has come a long way The teaching of it that is In the good old days you know what it meant at school dates official proclamations names and battles And perhaps a good snooze School history texts are still not page turners but they're getting better This new book *Treason A Violation of Trust* Xlibris by Janet Hudgins has brought the method a little further along the way It wasn't intended to be a school text Hudgins' intention was to pass along the story of British colonization in North America as it affected her own family The result teaches history for kids or adults is a way that gets you involved personally It was written almost as if it were a novel with liberal doses of history But you want to know the history because it affects the characters so vitally Which means it affects the reader

strongly because Hudgins can get you involved in their lives emotionally You suffer with William Palmer saying goodbye forever to his parents in 1635 when he leaves England for the New World when he struggles with the filth and danger of the ocean crossing and with the hardship and joys of a new life During the war of independence in the U S one of Palmers descendents a Loyalist is hanged for spying by a commanding officer seeking cold vengeance in circumstances in which any other commander would have shown mercy You feel the pain with his family The Palmer family followed other Loyalists to Nova Scotia where they started life anew without the wealth and comfort they had amassed over the years in New England The book ends with descriptions of the Canadian victories at Vimy Ridge fought in terrible conditions The book could have used more editing There are awkward spots confusing timelines and passages that are hard to understand But those are secondary problems to what is offered a feeling of personal involvement in some of the history of both the U S and Canada This book would have made history classes fun Harry Goldhar Toronto Canada The Company of the Preachers ,

*Howard Fast* Andrew F. Macdonald, 1996-08-28 Howard Fast one of the most prolific American writers of the 20th century has enjoyed wide popularity for his writing and suffered from great notoriety for his politics but has never been given full credit for his contribution to the essential tales of American culture the American Revolution and immigrant acculturation Although his novels have sold close to eighty million copies this is the first book length critical study of his work In addition to an overview of his fiction it offers close critical readings of his historical novels of the American Revolution Citizen Tom Paine April Morning and his most recent Seven Days in June his novels about slavery Freedom Road and Spartacus and his popular series about the American experience The Immigrants A biographical chapter is partly based on an extensive interview granted by Fast exclusively for this book A comprehensive bibliography completes the work This critical study begins with a biographical chapter that links life and works showing how Fast transmuted his experience into fiction Macdonald asserts that for all Fast s notoriety as a Communist in the 1940s and 1950s his works show him to be deeply committed to the principles that inspired the American Revolution A chapter on literary background discusses all of Fast s major works and most of his minor ones placing the historical novels into literary context and the other works into their genre traditions The remaining six chapters focus on his most important individual novels Each novel is analyzed for plot structure characterization and thematic elements In addition Macdonald defines and applies alternative critical perspectives from which to read each novel A genealogy table for The Immigrants series and a complete up to date bibliography of all of Fast s nearly one hundred published works as well as selected reviews and background reading make this study invaluable for research and critical understanding This study of Fast s classic works of historical fiction will aid the student and support the interdisciplinary American history literature curriculum **Howard Fast** Gerald Sorin, 2021-12-22 A biography of the Jewish American left wing author of Spartacus that explores his identity his work and his politics Howard Fast s life from a rough and tumble Jewish New York street kid to the rich and famous author of close to one hundred books rivals the Horatio

Alger myth Author of bestsellers such as *Citizen Tom Paine* *Freedom Road* *My Glorious Brothers* and *Spartacus* Fast joined the American Communist Party in 1943 and remained a loyal member until 1957 despite being imprisoned for contempt of Congress Gerald Sorin illuminates the connections among Fast's Jewishness his writings and his left wing politics and explains Fast's attraction to the Party and the reasons he stayed in it as long as he did *Recounting* the story of his private and public life with its adventure and risk love and pain struggle failure and success Sorin also addresses questions such as the relationship between modern Jewish identity and radical movements the consequences of political myopia and the complex interaction of art popular culture and politics in twentieth century America A notable study of a thorny protagonist whose life has much to reveal about the times in which he lived and about the interplay of political belief personal identity art and ambition Publishers Weekly Sorin has written a heavily researched critical biography of Fast The volume's strength is its explication and analysis of the complex social and political context of Fast's activism and creative work Sorin's lengthy critique of Fast's adherence to Communism long after most American writers and intellectuals had abandoned the party and his shameful public silence on Stalin's crimes and Soviet anti-Semitism are of significant import Recommended Choice An intriguing biography not least for its examination of how Fast interwove his political activism his Jewishness and his art during the heyday of McCarthyism Recommended Recorder Melbourne
