most of all meet The Gang of Four Seamus Shannon Minnie and Duncan the Canine Tripod All Shelter Dogs but all unique and all with very different backgrounds and personalities Seamus abandoned Shannon abused by a paedophile Minnie condemned for aggression and Duncan the puppy amputee They bonded with each other and with Katie in a unique relationship that was The Gang of Four Read their story for an unforgettable experience Reviews Five Stars Tears laughter A Must Read book Laurie Lawrence Brilliant Most enjoyable heartwarming read by an author who is totally chilled and at home with her dogs and nature Katie s personality shines through which has helped me to try to chill a little more over my two dogs rescued from the vile puppy farm trade You will shed a tear or two but you will also smile and chuckle your way through these pages Read this on e book but now ordered in paperback no more battery running low just as I m wanting to turn the page for more Five Stars A Heartwarming Read Sandra S Just finished this wonderful book The Long The Short and The Tall A really good read for anyone especially animal lovers it has everything comical in parts gut wrenching in others so sad you could cry Katie s writing is awe inspiring I felt as though I was actually there with her on her walks with her Gang of Four I loved it can t wait for when her life with her fur babies continues

Washington's Circle David S. Heidler, Jeanne T. Heidler, 2015-03-17 History enthusiasts and admirers of Team of Rivals will rejoice in this magisterial account of the extraordinary Americans who served the nation s first chief executive Together they created the presidency for a country disgusted by crowns and the people who would wear them In 1789 as George Washington became the first president of the United States the world was all but certain that the American experiment in liberty and representative government would founder More than a few Americans feared that the world was right In Washington s Circle we see how Washington and his trusted advisers close friends and devoted family defied the doomsayers to lay the foundation for an enduring constitutional republic This is a fresh look at an aloof man whose service in the Revolutionary War had already earned him the acclaim of fellow citizens Washington was easy to revere if difficult to know David S Heidler and Jeanne T Heidler reveal Washington s character through his relationship with his inner circle showing how this unlikely group created the office of the presidency Here is a story of cooperation confrontation triumph and disappointment as the president Congress and the courts sorted out the limits of executive power quarreled over funding the government coped with domestic strife and faced a world at war while trying to keep their country at peace Even more it is a story of remarkable people striving for extraordinary achievements Many of these characters are familiar as historic icons but in these pages they act and speak as living individuals the often irked and frequently irksome John Adams in the vice presidency the mercurial Alexander Hamilton leading the Treasury Department the brilliant deceptively cunning Thomas Jefferson as secretary of state James Madison who was Washington s advocate and his eyes and ears in Congress and Washington s old friend and former brother in arms Henry Knox at the administration s beleaguered War Department Their stories mingle with those of Edmund Randolph John Jay Gouverneur Morris and the others who stood with a self educated Virginia farmer to forge the presidency into an institution

protective of its privileges but respectful of congressional prerogatives Written with energy wit and an eye for vivid detail Washington s Circle is the fascinating account of the people who met the most formidable challenges of the government s earliest hours with pluck ability and enviable resourcefulness When the world said they would fail they rolled up their sleeves This is their story Praise for Washington s Circle A fine readable history of the first presidency David and Jeanne Heidler provide not only a lively history but a group portrait of Washington and the various figures vying to influence him The Wall Street Journal Washington s Circle positively glows with narrative exuberance This is a book that will make even the most jaded student of the American Revolution bark little laughs of pure delight while reading Open Letters Monthly Traditional accounts portray Washington as a solitary actor in the drama of American nationhood as chilly and featureless as the marble shaft that dominates his namesake capitol In fact he was the intensely human lead in one of history s most colorful and contentious ensembles David S Heidler and Jeanne T Heidler bring the whole cast to unforgettable life in this character study cum group portrait cum old fashioned page turner Richard Norton Smith author of On His Own Terms **Phonics**
