## Seven Years Harvest:

His Dream Interpreters Phantom Prophet,2009-03      *Joseph* Ruth Redding Brand,2005-02 Joseph learned the hard way as a brand new coat sent his life careening wildly off course his life twisted by his brothers hatred Once a prince in Canaan now he was a slave in Egypt But Joseph would have the last word Because God can turn tragedy into triumph The amazing story of Joseph has everything intrigue suspense violence forgiveness glamour seduction strange dreams and a dramatic twist at the end It tells us that injustice cannot keep good people down No matter how dark the past the future can be brighter than our fondest dreams Based on careful research this book offers something for the whole family Even seasoned Bible scholars will learn intriguing new facts about Joseph s world Names places and customs are carefully explained in depth in supplementary material But most of all it s loads of fun for boys and girls Kids of all ages will thrive on these tantalizing vitamins for the soul well crafted stories that settle gently into their tender hearts and mold their destiny Book jacket

**A Curious Student's Guide to the Book of Leviticus** Reuven Travis,2023-02-03 Judaism has always found meaning in the sacrificial rites called avodah or service in Hebrew For more than twelve hundred years beginning with the Mishkan the Tabernacle in the Sinai wilderness and continuing through both the First and Second Temple periods animal sacrifice was the principal form of communal service of God for the Jewish people This all came to an abrupt end with the destruction of the Second Temple by the Romans in 68 CE and the Jewish people turned to prayer as their primary mode of worship From this perspective it might seem that the study of Leviticus

which is largely about the laws of sacrifice would seem unnecessary if not irrelevant for young children Nothing could be further from the truth Leviticus is replete with important life lessons for children ranging from not bearing grudges to being truthful in business From the responsibility to care for the poor to the obligation to strive to be holy we find everyday aspects of one's life as opposed to limiting this to rituals and religious celebrations Throughout the book Leviticus emphasizes the dignity of human beings and what this means for our personal interactions with one another It can and ought to be taught in an age appropriate manner to young children and that is what this book strives to do **The Life You Were Born to Live**

Lowery, 2012-11 Each book in this series provides an in depth look at a major recurring theme in the Bible and its lasting theological influence The series is designed to enhance the reader's understanding of our biblical heritage and its relevance to faithful life today This book examines the biblical sabbath sabbath year and jubilee traditions as part of a broader effort to reflect theologically on these challenges and points to ways we might build a global ethic of economic and environmental justice **Signs and Wonders** Paul Alexander, 2009-03-30 Combining personal stories and sound scholarship Paul Alexander a young scholar with a Pentecostal background examines the phenomenal worldwide success of Pentecostalism While most other works on the subject are either for academics or believers this book speaks to a broader audience Interweaving stories of his own and his family's experiences with an account of Pentecostalism's history and tenets Alexander provides a unique and accessible perspective on the movement
