Transculturating Auto/Biography Rosalia Baena, 2013-10-18 Rosalia Baena's theoretically challenging analytical volume of essays explores the diversity of shapes that transcultural life writing takes demonstrating how it has become one of the most dynamic and productive literary forms of self inscription and self representation Expanding much of the contemporary criticism on life writing which tends to centre on content the essays highlight that reading contemporary forms of life writing from a literary

perspective is a rich field of critical intervention that has been overlooked because of recent cultural studies concerns with material issues To read life writing as primarily cultural texts undercuts much of its value as a complex dynamic of cultural production where aesthetic concerns and the choice and manipulation of form serve as signifying aspects to experiences and subjectivities This book was previously published as a special issue of *Prose Studies* Rediscovering Aquinas and the Sacraments Matthew Levering, Michael Dauphinais, 2022-01-07 St Thomas Aquinas of the Sacraments offers a brief and readable essay on each of the seven sacraments as presented by St Thomas Aquinas in addition to chapters on his theology of worship and his understanding of liturgical devotion The essays are written for students scholars and pastors who seek to learn more about Aquinas s sacramental theology Each chapter introduces certain aspects of Aquinas s approach and opens up avenues for further reflection In recent years philosophical and theological interest in Aquinas s sacramental theology and theology of the liturgy seems to be significantly increasing in ecumenical circles This unique collection featuring the new research of some of expert sacramental theologians sheds new light on the little known the contributions of Aquinas to sacramental theology and the medieval tradition to which he belongs **Religious Pieces in Prose and Verse** George Gresley Perry, 1867 River's manual: or, Pastoral instructions upon the Creed, Commandments, Sacraments, Lord's prayer, &c William Penketh, 1836 The Wonderful Sacraments, what They are and what They Do Francis X.
