Seventy Days To Singapore:

Seventy Days to Singapore Stanley Lawrence Falk, 1975 **The Battle For Singapore** Peter Thompson, 2010-10-07
The Fall of Singapore on 15 February 1942 is a military disaster of enduring fascination For the 60th anniversary of the liberation of the island Peter Thompson tells the explosive story of the Malayan campaign the siege of Singapore the ignominious surrender to a much smaller Japanese force and the Japanese occupation through the eyes of those who were there the soldiers of all nationalities and members of Singapore's beleaguered population An enthralling and perceptive account which never loses sight of the human cost of the tragedy Yorkshire Evening Post An insightful and dramatic analysis The Good Book Guide *Supreme Court General Term*, 1881 *Singapore* James Leasor, 2001 **Battle for Malaya** Kaushik Roy, 2019-12-02 The historian and author of *The Army in British India* analyzes the British Indian Army's devastating loss to the Imperial Japanese during WWII The defeat of 90 000 Commonwealth soldiers by 50 000 Japanese soldiers made the World War II Battle for Malaya an important encounter for both political and military reasons British military prestige was shattered fanning the fires of nationalism in Asia especially in India Japan's successful tactics in Malaya rapid marches wide outflanking movement along difficult terrain nocturnal attacks and roadblocks would be repeated in Burma in 1942-43 Until the Allied command evolved adequate countermeasures Japanese soldiers remained supreme in the field Looking beyond the failures of command Kaushik Roy focuses on tactics of the ground battle that unfolded in Malaya between December 1941 and February 1942 His analysis includes the organization of the Indian Army the largest portion of Commonwealth troops and compares it to the British and Australian armies that fought side by side with Indian soldiers Utilizing both official war office records and personal memoirs autobiographies and oral histories Roy presents a comprehensive narrative of operations interwoven with tactical analysis of the Battle for Malaya **Armor**, 1995 **Did Singapore Have to Fall?** Karl Hack, Kevin Blackburn, 2003-11-20 First time all the factors concerning the Fall of Singapore have been examined in one place Churchill's controversial role in the surrender is also examined Revised Statutes of the United States, Passed at the First Session of the Forty-third Congress, 1873-'74. Supplement ... V. 1 United States, 1881

Men Who Lost Singapore, 1938-1942 Ronald McCrum, 2018-04-27 The British military failure against the Japanese invasion of Singapore in 1942 is a well documented and closely examined episode While attention is frequently drawn to the role of the Colonial Governor and his staff during this period the participation of the civil authorities has not been subjected to the same rigorous scrutiny In this book Ronald McCrum undertakes a close examination of the role and the responsibilities of the colonial authorities both in the lead up to the war and during it He contends that the colonial government by pursuing different priorities needlessly created distraction and confusion Additionally the poor even hostile relations that developed between the local government and the British military hierarchy impeded a joint approach to the growing threat and affected the course of this campaign McCrum displays how the tawdry management of civil defence matters led to unnecessary loss of

civilian life **Singapore Burning** Colin Smith, 2006-05-04 Churchill's description of the fall of Singapore on 15 February 1942 after Lt Gen Percival's surrender led to over 100 000 British Australian and Indian troops falling into the hands of the Japanese was no wartime exaggeration. The Japanese had promised that there would be no Dunkirk in Singapore and its fall led to imprisonment, torture and death for thousands of allied men and women. With much new material from British Australian Indian and Japanese sources, Colin Smith has woven together the full and terrifying story of the fall of Singapore and its aftermath. Here alongside cowardice and incompetence are forgotten acts of enormous heroism, treachery yet heart-rending loyalty, Japanese compassion as well as brutality from the bravest and most capricious enemy the British ever had to face. *A History of Modern Singapore, 1819-2005* C.M. Turnbull, 2009-01-01 When C M Turnbull's *A History of Singapore 1819-1975* appeared in 1977 it quickly achieved recognition as the definitive history of Singapore. A second edition published in 1989 brought the story up to the elections held in 1988. In this fully revised edition, rewritten to take into account recent scholarship on Singapore, the author has added a chapter on Goh Chok Tong's premiership 1990-2004 and the transition to a government headed by Lee Hsien Loong. The book now ends in 2005 when the Republic of Singapore celebrated its 40th anniversary as an independent nation. Major changes occurred in the 1990s as the generation of leaders that oversaw the transition from a colony to independence stepped aside in favour of a younger generation of leaders. Their task was to shape a course that sustained the economic growth and social stability achieved by their predecessors and they would be tested towards the end of the decade when Southeast Asia experienced a severe financial crisis. Many modern studies on Singapore focus on current affairs or very recent events and pay a great deal of attention to Singapore's successful transition from the developing to the developed world. However, younger historians are increasingly interested in other aspects of the country's past, particularly social and cultural issues. *A History of Modern Singapore 1819-2005* provides a solid foundation and an overarching framework for this research, surveying Singapore's trajectory from a small British port to a major trading and financial hub within the British Empire and finally to the modern city state that Singapore became after gaining independence in 1965. **The Fall of Malaya and Singapore** Jon Diamond, 2020-01-31 This photo essay produces a very effective picture of the defeat of British forces in Malaya and Singapore by the Japanese. Highly recommended. Firetrench. In just 10 weeks from 8 December 1941 to mid February 1942 British and Imperial forces were utterly defeated by the numerically inferior Japanese under General Yamashita. British units fought hard on the Malayan mainland but the Japanese showed greater mobility, cunning and tactical superiority. Morale was badly affected by the loss of HMS Prince of Wales and Repulse to Japanese aircraft on 19 December as they sought out enemy shipping. Panic set in as military and civilians withdrew south to Singapore. Thought to be an impregnable fortress, its defenses against land attacks were shockingly deficient. General Percival's leadership was at best uninspired and at worst incompetent. Once the Allied troops withdrew to Singapore it was only a matter of time before surrender became inevitable. To make matters worse, reinforcements arrived

but only in time to be made POWs The whole catastrophe is brilliantly described in this highly illustrated book The powerful story of a tragedy illustrated with many previously unpublished photographs this is a highly enlightening text on the Forgotten War The Bulletin of The Military Historical Society Contains an interesting set of well captioned archive photos showing a period that was among the darkest days for the British Commonwealth during WW2 Military Modelling

A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

The Royal Navy in the Age of Austerity 1919-22 G. H. Bennett, 2016-10-06 This book thoroughly explores and analyses naval policy during the period of austerity that followed the First World War During this post war period as the Royal Navy identified Japan its likely opponent in a future naval war the British Government was forced to tighten its belt and cut back on naval expenditure in the interests of National Economy G H Bennett draws connections between the early 20th century and the present day showing how the same kind of connections exist between naval and foreign policy the provision of ships for the Royal Navy business and regional prosperity and employment The Royal Navy in the Age of Austerity 1919 22 engages with a series of important historiographical debates relating to the history of the Royal Navy the failures of British Defence policy in the inter war period and the evolution of British foreign policy after 1919 together with more mundane debates about British economic industrial social and political history in the aftermath of the First World War It will be of great interest to scholars and students of British naval history

The Singapore Grip J.G. Farrell, 2010-11-24 Singapore 1939 life on the eve of World War II just isn't what it used to be for Walter Blackett head of British Singapore's oldest and most powerful firm No matter how forcefully the police break one strike the natives go on strike somewhere else His daughter keeps entangling herself with the most unsuitable beaux while her intended match the son of Blackett's partner is an idealistic sympathizer with the League of Nations and a vegetarian Business may be booming what with the war in Europe the Allies are desperate for rubber and helpless to resist Blackett's price fixing and market manipulation but something is wrong No one suspects that the world of the British Empire of fixed boundaries between classes and nations is about to come to a terrible end A love story and a war story a tragicomic tale of a city under siege and a dying way of life The Singapore Grip completes the Empire Trilogy that began with *Troubles* and the Booker prize winning *Siege of Krishnapur*

Last Stand In Singapore Graham Clayton, 2015-12-01 The story of 488 RNZAF Squadron during the fall of Singapore early in 1942 This gripping history has been written using the diaries letters photographs and personal reminiscences of members of 488 Squadron who were based just outside Singapore City and valiantly kept planes in the air against Japanese attacks until just before the city was overwhelmed The story of their day to day life at a time of crisis their hard work and their valour is eye
