Severed Relations Tim Hays, 1998-07-01 In April 1996 a man was arrested for the murder of Dr Yakov Gluzman Now Tim Hays reveals the shocking details of this horrific crime of jealousy greed scorn and revenge that was ordered by Dr Gluzman s own wife

**Foreign Relations of the United States** United States. Department of State, 1962 Interpreting History in Sino-Japanese Relations Caroline Rose, 2005-08-04 The first book length study to examine the re writing of school textbooks by the Japanese Education Ministry in an attempt to play down atrocities in China during World War II The famous textbook crisis in 1982 was at the centre of a diplomatic storm extending through the 1980s as Sino Japanese relations were beset by a series of political controversies This fascinating account of the period reveals that Chinese and Japanese policy makers were more concerned with changes taking place in international and domestic politics than with adopting a correct view of history

*Political Facts of the United States Since 1789* Erik W. Austin, Jerome M. Clubb, 1986 This book explores the puzzling phenomenon of new veiling practices among lower middle class women in Cairo Egypt Although these women are part of a modernizing middle class they also voluntarily adopt a traditional symbol of female subordination How can this paradox be explained An explanation emerges which reconceptualizes what appears to be reactionary behavior as a new style of political struggle as accommodating protest These women most of them clerical workers in the large government bureaucracy are ambivalent about working outside the home considering it a change which brings new burdens as well as some important benefits At the same time they realize that leaving home and family is creating an intolerable situation of the erosion of their social status and the loss of their traditional identity The new veiling expresses women s protest against this MacLeod argues that the symbolism of the new veiling emerges from this tense subcultural dilemma involving elements of both resistance and acquiescence

**Intelligence Information Brief** United States. Department of State. Bureau of Intelligence and Research, 1958 Concubines in Court Lisa Tran, 2015-06-01 This groundbreaking book analyzes marriage and family reform in twentieth century China Lisa Tran s examination of changes in the perception of concubinage explores the subtle yet very meaningful shifts in the construction of monogamy in contemporary China Equally important is her use of court cases to assess how these shifts affected legal and social practice Tran argues that this dramatic story has often been overlooked leading to the mistaken conclusion that concubinage remained largely unchanged or quietly disappeared in modern China Customarily viewed as a minor wife because her husband was already married a concubine found her legal status in question under a political order that came to be based on the principles of monogamy and equality Yet although the custom of concubinage came under attack in the early twentieth century the image of the concubine stirred public sympathy How did lawmakers attack the practice without jeopardizing the interests of concubines Conversely how did jurists protect the interests of women without appearing to sanction concubinage How law and society negotiated these conflicting interests dramatically altered existing views of monogamy and marriage and restructured gender and family relations As the first in

depth study of the meaning and practice of monogamy and concubinage in modern China this book makes an important contribution to our understanding of Chinese society and legal norms In addition by crossing the 1949 divide it compares the Guomindang s designation of concubinage as adultery with the Chinese Communist Party s treatment of it as bigamy and draws out the legal implications for the practice of concubinage as well as for women who were concubines Poised at the intersection of Chinese history women s history and legal history this book makes a unique and significant contribution to the scholarship in all three fields *Algeria* David Ottaway, Marina Ottaway, 2024-03-29 In 1962 when Algeria finally obtained its independence from France after an eight year guerilla war it immediately embarked upon a second revolution aimed at destroying the colonial economic and social order While the nationalist leaders struggled for power in the first hours of independence peasants seized French farms and workers the factories thus setting Algeria on the road toward a new socialist order This book is a study of the Algerian socialist revolution of those who made it and those who gained by it The primary focus is on political behavior on those aspects of the struggle among Algerian leader which vitally affected the character of the new order The authors find that even though Algeria acquired all the trappings of a socialist state and economy politics remained almost exclusively a question of personal relations alliances and rivalries among a small group of leaders what the authors call borrowing a concept from the fourteenth century Arab historian Ibn Khaldun the politics of assabiya Algeria s first President Ahmed Ben Bella tried to integrate the new and old political groups into a modern political system but he failed His overthrow by the army opened a second phase in the process of building stable political institutions and of overcoming the tradition of palace conspiracies and rebellions of feudal lords The authors trace in details this cyclical process during the first six years of Algerian independence The work benefits from a wealth of first hand information gathered during the authors three year stay in the country The resulting picture is that of a new nation embarked upon a socialist revolution which owes little to Soviet or Chinese influences or in some respects even to the intentions of its leaders This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1970 *Britain and China 1945-1950* S.R. Ashton, G. Bennett, K. Hamilton, 2013-10-23 An examination of Britain s relations with China from the end of the World War II to the outbreak of the Korean War in 1950 This volume demonstrates how Britain s effort to recover something of its pre war commercial pre eminence in China were handicapped by its post war financial weakness *Bulletin of the Pan American Union* Pan American Union, 1946 *Digest of United States Practice in International Law* , 1979 **Cumulative Digest of United States Practice in International Law** , 1983 *The Literary Digest History of the World War* Francis Whiting Halsey, 1919 This collection is a general military and diplomatic history of the First World War from June 1914 to May 1920 Military affairs are the foremost issue with political

and diplomatic events relevant to the war intertwined The work includes short biographies of important military leaders

**Shadows in a Chinese Landscape** Chi Yun, David Keenan, 2016-12-05 In this major undertaking David Keenan translates and contextualizes over 100 tales from the Notes from the Hut for Examining the Subtle a collection of 1 200 tales and observations by Chi Yun one of eighteenth century China s leading intellectuals By illuminating neglected aspects of the interaction between popular and elite cultures in late imperial China this study portrays the rich connection between life and letters on the eve of the Western impact
