Connecticut Reports Connecticut. Supreme Court of Errors, 1895 Theatre in the Context of the Yugoslav Wars Jana Dolečki, Senad Halilbašić, Stefan Hulfeld, 2018-11-19 This book assembles texts by renowned academics and theatre artists who were professionally active during the wars in former Yugoslavia It examines examples of how various forms of theatre and performance reacted to the conflicts in Serbia Croatia Bosnia and Herzegovina Slovenia and Kosovo while they were ongoing It explores state funded National Theatre activities between escapism and denial the theatre aesthetics of protest and resistance and symptomatic shifts and transformations in the production of theatre under wartime circumstances both in theory and in practice In addition it looks beyond the period of conflict itself examining the aftermath of war in contemporary theatre and performance such as by considering Ivan Vidi s war trauma plays the art campaigns of the international feminist organization Women in Black and Peter Handke s play Voyage by Dugout The introduction explores correlations between the contributions and initiates a reflection on the further development of the research field Overall the volume provides new perspectives and previously unpublished research in the fields of theory and historiography of theatre as well as Southeast European Studies **Mixed Methods Social Networks Research** Silvia Domínguez, Betina Hollstein, 2014-06-30 This edited volume demonstrates the potential of mixed methods designs for the research of social networks and the utilization of social networks for other research Mixing methods applies to the combination and integration of qualitative and quantitative methods In social network research mixing methods also applies to the combination of structural and actor oriented approaches The volume provides readers with methodological concepts to guide mixed method network studies with precise research designs and methods to investigate social networks of various sorts Each chapter describes the research design used and discusses the strengths of the methods for that particular field and for specific outcomes **Israel in Africa** Yotam Gidron, 2020-04-15 Amidst the turmoil of the Middle East few have noticed the extent to which Israel has slowly but surely been building alliances on the African continent Facing a growing international backlash Israel has had to look beyond its traditional Western allies for support and many African governments in turn have been happy to receive Israeli political support security assistance investments and technology But what do these relationships mean for Africa and for wider geopolitics With an examination of Africa s authoritarian development politics the rise of Born Again Christianity and of Israel s thriving high tech and arms industries from the Israeli Palestinian conflict to the migration of Africans to Israel and back again Gidron provides a comprehensive analysis of the various forces and actors shaping Israel s controversial relationships with countries on the continent In particular the book demonstrates that Israel s interest in Africa forms part of a wider diplomatic effort aimed at blocking Palestine s pursuit of international recognition Though the scale of Israeli African engagements has been little appreciated until now the book reveals how contemporary African and Middle Eastern politics and societies interact and impact each other in profound ways **Jet** , 1998-08-03 The weekly source of African American

political and entertainment news MEMOIRS OF THE MEI RIVER Li Yunqi, 2024-03-11 Memoirs of Mei River chronicles the life of Chu Huainan a protagonist whose youth was shaped by revolutionary ideals fueled by dissatisfaction with the Kuomintang's corruption. Believing in a utopian vision of socialist public ownership, Chu Huainan endures decades of political upheavals, witnessing the rise and fall of state-owned enterprises and the unexpected success of private businesses in Mei River. The narrative weaves through historical movements such as land reform, the Anti-Rightist Movement, the Cultural Revolution, and the reform era, reflecting the complexities of societal changes in 20th-century China. The story explores the paradoxes of Chu Huainan's personal life, from family tragedies to ideological conflicts, all set against the backdrop of China's rapid economic development. As Mei River prospers, Chu Huainan confronts the widening wealth gap and questions the efficacy of his lifelong commitment to ideals like public ownership and revolution. The novel delves into the struggles of belief systems, posing profound inquiries about equity, revolution, and the inherent injustices of those in power. Chu Huainan's tumultuous journey, mirroring China's 20th-century challenges, raises broader philosophical questions about humanity's search for meaning and values. The novel prompts readers to reflect on the futility of rigid belief systems in solving the multifaceted problems of human existence, leaving Chu Huainan in a state of confusion and existential questioning. Through his personal and political tribulations, the novel explores themes of benevolence, righteousness, and tolerance as enduring values necessary for navigating the complexities of life.

Terrorist Deradicalisation in Global Contexts Rohan Gunaratna, Sabariah Hussin, 2019-09-26 A collection of case studies of terrorist rehabilitation programmes from around the world, this book examines the wide-ranging methodologies of terrorist deradicalisation initiatives adopted by different countries globally. It contextualises these programmes as they were initiated and explains the factors that led to their relative success, failure, or continuity. The different typology of rehabilitation modes acts as a guide to establishing a framework and a starting point for any deradicalisation and rehabilitation programme. These case studies demonstrate practical examples of how the theories can be applied to achieve real results. This book is an indispensable resource for researchers, practitioners, and policy makers in the field of Terrorist Deradicalisation and Rehabilitation.

The World Community and the Arab Spring Cenap Çakmak, Ali Onur Özçelik, 2018-07-26 This edited volume offers an understanding of how the international community as a collection of significant actors, including major states and intergovernmental institutions, has responded to the important political and social development of the Arab Spring. Contributors analyze the response by international organizations (UN, EU, NATO), big powers (US, Russia, China, UK), regional powers (Turkey, Iran, Israel, Saudi Arabia), and small powers (Kuwait, Qatar). The book thus makes a sound contribution to the existing literature on the Arab Spring in form of foreign policy analysis and provides an overview of the current shape and outlook of global politics.

A Good Day to Die: Inside a suicidal mind Mahita Vas, 2021-07-15 In 2019, Singapore had 400 reported suicides, with an increasing number of young people choosing to take their lives. Synopsis: It is estimated that 800,000 people globally kill themselves every year. Our post-pandemic world, with its

numerous disruptions has also forced more people to seek help for mental health issues While much has been said about the toll on mental health there is little understanding of why people choose to kill themselves especially when many like celebrities Anthony Bourdain and Kate Spade had so much to live for Author Mahita Vas has battled suicidal thoughts for all her adult life She even lost one of those battles and tried to kill herself only to be rescued within seconds of breathing her last It is difficult for those left behind to understand why their loved one would choose to die A Good Day to Die offers readers an intimate exploration of an anguished mind weaving personal experience with academic reports Prisoners Once Removed Jeremy Travis,Michelle Waul,2003 Addresses the issues of parenting behind bars and fostering successful family relationships after release Leaving Islam, Ex-Muslims and Zemiology Weronika Lenartowicz,2024-02-28 Cases of ex Muslims in Europe being punished by their former fellow Muslims constitute an unacceptable practice from the standpoint of democratic societies in which human rights are respected and individuals have the freedom to choose their religion or none at all Ex Muslims fear of punishment by their former community should prompt an open candid and measured discussion of the issue Leaving Islam Ex Muslims and Zemiology presents the reasons for and consequences of consciously leaving Islam based on interviews with 80 ex Muslims currently living in Germany and Sweden In their view many of the practices and beliefs of Islam are harmful and unfair Many parts of the Islamic world regard apostasy as treason or a crime As a result emphasis in the book is shifted from crime to harm and a thesis is put forward concerning the decriminalization of apostasy from the perspective of zemiology The book highlights how a broader shift of interest in the democratic structures of Europe could allow ex Muslims to join the discussion on the guaranteed right to religious liberties and freedom of speech in the context of the apostasy law in Islam This should happen without fear for their own security and without facing potential suppression or social exclusion It will appeal to scholars with interest in Islam and the conflict between religious values and an individual s aspirations and needs **Armed Groups** Peter G. Thompson,2023-08-02 Armed Groups is the most comprehensive text to provide a framework for categorizing the key actors that pose a threat to today s security arena terrorists mercenaries insurgents militias and transnational criminal organizations and analyzing their characteristics to provide a thorough overview Drawing on case studies histories and a rich yet underexplored theoretical literature this study presents students with the tools to methodically examine these often overlooked but key drivers of violence in the international system Additionally globalization the privatization of force and the return of great power competition have altered the security landscape and enhanced armed group threats These forces have also led to an increasing overlap between conflict and crime and a growth in the state use of armed group proxies Coming to terms with armed groups their objectives strategies internal composition and the environment that fosters them remains a critical task for practitioners scholars and policy makers alike in understanding the changing nature of war This second edition updated throughout includes new material on the importance of private military companies the shift to sub Saharan Africa as an important center

of conflict the return of great power politics the increased use of social media and advanced technology and the increasingly criminalized nature of armed groups

Escape from Paradise Sofia M. Rossi, 2024-06-28 Prologue The midday Mexican sun beat down mercilessly turning the chipped paint on the Playa del Carmen police station steps into a shimmering mirage Max clutched the flimsy police report its Spanish a mockery of his meager vocabulary Stolen cash meant a one way ticket back to dusty textbooks not sun drenched beaches A Mother's Warning Ignored Defeat felt like a cold hand squeezing his heart slowly draining the life out of him He couldn't face calling his parents not after boasting about a life changing archaeological dig Less than 24 hours in Mexico and all his dreams were gone Shame burned in his throat How naive could he have been A memory flickered a stark contrast to the harsh reality The Send Off The aroma of coffee wafted up the stairs coaxing him out of bed His mom stood in the kitchen a symphony of clanging pots and clattering plates heralding his send off breakfast You haven't forgotten anything have you she asked her voice laced with a concern he couldn't quite decipher Nope all packed he mumbled stuffing a forkful of fluffy waffle into his mouth Her words echoed in his ears now You're just a tourist The law there doesn't always work the way it does here at home Always be on your guard Max He'd brushed it off then blinded by anticipation Now stranded and desperate those words haunted him A Glimmer of Hope The stolen money stung but the loss of his Mac and passport felt like a punch to the gut He needed a plan and fast Turning a corner a familiar landmark sparked a flicker of hope Grabbing his tattered map he located his Airbnb a lifeline in this storm With a surge of determination he pulled out his phone the battery hovering on fumes Inspiration struck Holding it up he pretended to record a live video hoping to deter potential threats A collective gasp rippled through the crowd Vendors vanished like phantoms Just then a policeman appeared his expression a storm cloud Max's heart hammered against his ribs Playing with fire he thought but it was his only shot Doing a live feed for my family he blurted his voice strained Been watching this street for a long time you know The policeman grunted amusement flickering in his eyes He moved on leaving Max weak with relief A Mysterious Figure Across the street a man leaned against a souvenir shop awning His weathered face held stories beneath a battered cowboy hat One leg propped against the wall his gaze was fixed on Max unwavering Intrigued yet unnerved Max noticed a slight head tilt towards a side street branching off the main avenue Was this a concerned citizen a potential savior or something else entirely A Refuge Found But Questions Remain He hurried towards his Airbnb the confirmation email a beacon of hope Relief washed over him as he entered the cool lobby But a glance back revealed a chilling absence the man with the cowboy hat was gone Vanished without a trace Max shivered a phantom sensation of eyes boring into his back He entered his room the safety of four walls a temporary comfort But the encounter with the stranger lingered a seed of unease planted in his gut Who was the man in the cowboy hat Friend or foe And in a city where paradise can mask danger would Max find his dreams or his doom

Anglicans and the Roman Catholic Church Stephen E. Cavanaugh, 2011-03-21 The beginning of a specifically Anglican liturgy and culture within the Roman Catholic Church was established in the United

Sates by Pope John Paul II Since then Anglican Use parishes have been worshipping in a distinctively Anglican style within several American dioceses Thanks to Pope Benedict XVI these communities are now able to form into personal ordinariates led by bishops who were previously Anglican clergy As a result even more Anglicans seeking full communion with Rome can find a home within the Catholic Church The twelve essays in this book discuss the reasons Anglicans have sought reconciliation with the Holy See while retaining elements of their own liturgy and traditions They explore the history and scope of Pope John Paul II s Pastoral Provision and Pope Benedict XVI s Apostolic Constitution and examine the needs of the new ordinariates if they are to flourish Also considered are the changes to the Roman liturgy since the Second Vatican Council and the specific patrimony that Anglicans bring to Catholic worship Many of these essays have been written by erstwhile Anglican clergymen who have been ordained into the Catholic priesthood and one into the episcopate A few are by Catholic experts on this topic There is also a contribution from a woman who had been an ordained Episcopal priest before becoming a Catholic Here is a wealth of information for anyone interested in the Anglican communities within the Catholic Church the reform of the reform of the Roman liturgy or the testimonies of Anglicans who have become Roman Catholics
