Business Ethics Joseph W. Weiss, 2014-07-14 NEW EDITION, REVISED AND UPDATED This is a pragmatic, hands-on, up-to-date guide to determining right and wrong in the business world. Joseph Weiss integrates a stakeholder perspective with an issues-oriented approach so students look at how a business's actions affect not just share price and profit but the well-being of employees, customers, suppliers, the local community, the larger society, other nations, and the environment. Weiss uses a wealth of contemporary examples, including twenty-three customized cases that immerse students directly in recent business ethics dilemmas and ask them to consider how they would resolve them. The recent economic collapse raised ethical issues that have yet to be resolved; there could not be a better time for a fully updated edition of Weiss.
