Sex And Caste In America:

Sex and Caste in America Carol Andreas,1971 *Approaches to American Cultural Studies* Antje Dallmann,Eva Boesenberg,Martin Klepper,2016-05-20 *Approaches to American Cultural Studies* provides an accessible yet comprehensive overview of the diverse range of subjects encompassed within American Studies familiarising students with the history and shape of American Studies as an academic subject as well as its key theories methods and concepts Written and edited by an international team of authors based primarily in Europe the book is divided into four thematically organised sections The first part delineates the evolution of American Studies over the course of the twentieth century the second elaborates on how American Studies as a field is positioned within the wider humanities and the third inspects and deconstructs popular tropes such as myths of the West the self made man Manifest Destiny and representations of the President of the United States The fourth part introduces theories of society such as structuralism and deconstruction queer and transgender theories border and hemispheric studies and critical race theory that are particularly influential within American Studies This book is supplemented by a companion website offering further material for study www.routledge.com/cw/dallmann Specifically designed for use on courses across Europe it is a clear and engaging introductory text for students of American culture

Sex, Preference, and Family David M. Estlund,Martha C. Nussbaum,1998-06-18 The public furor over issues of same sex marriages gay rights pornography and single parent families has erupted with a passion not seen since the 1960s This book gathers seventeen eminent philosophers and legal scholars who offer commentary on sexuality including sexual behavior sexual orientation and the role of pornography in shaping sexuality on the family including both same sex and single parent families and on the proper role of law in these areas The essayists are all fiercely independent thinkers and offer the reader a range of bold and thought provoking proposals Susan Moller Okin argues for instance that gender ought to be done away with that differences in biological sex ought to have no more social relevance than one s eye color or the length of one s toes and she urges that we look to same sex couples as a model for households and families in a gender free society And Cass Sunstein suggests that the Supreme Court case *Loving vs Virginia* which overthrew the ban on interracial marriages in Virginia might be a precedent for overturning laws that bar same sex marriage just as *Loving* overturned miscegenation laws because they were at the service of white supremacy Sunstein shows the laws against same sex marriages and homosexuality are at the service of male supremacy and might also be overturned Of vital importance to anyone interested in sexuality homosexuality gender feminism and the family *Sex Preference and the Family* both clarifies the current debate and points the way toward a less divisive future **Feminism Beyond Left and Right** Holly Lawford-Smith,2025-07-14 An unquestioned assumption of contemporary politics is that the left owns minority groups in the sense that the left exclusively champions the interests of minorities and is for that reason owed the allegiance of minorities This in turn gives rise to the sense of dissonance created by right wing dissenters the black social conservative the gay ultra nationalist the female

libertarian the poor pro capitalist This same dissonance exists for women and feminism creating a default assumption that a feminist is a left wing woman We don't make a distinction between left wing feminists and feminists we don't need to There's nothing a philosopher loves more than an unquestioned assumption and in this book political philosopher Holly Lawford Smith systematically dismantles the assumption that feminism is an exclusively left wing project Once dismantled the path is clear to a new set of questions Who counts as a feminist in the first place If women from anywhere on the political spectrum can be feminists who is it that feminists should or shouldn't be working with And what can be said more generally about the ethics of alliances and coalitions In *Feminism Beyond Left and Right* Lawford Smith makes the case for non partisan feminism feminism outside the constraints of the left right political spectrum a feminism for and about all women as women

Women's Liberation! Alix Kates Shulman, Honor Moore, 2021-02-16 Two pioneering feminists present a groundbreaking collection recovering a generation's revolutionary insights for today When Betty Friedan published *The Feminine Mystique* in 1963 the book exploded into women's consciousness Before the decade was out what had begun as a campaign for women's civil rights transformed into a diverse and revolutionary movement for freedom and social justice that challenged many aspects of everyday life long accepted as fixed work birth control and abortion childcare and housework gender class and race art and literature sexuality and identity rape and domestic violence sexual harassment pornography and more This was the women's liberation movement and writing powerful personal and prophetic was its beating heart Fifty years on in the age of MeToo and Black Lives Matter this visionary and radical writing is as relevant and urgently needed as ever ready to inspire a new generation of feminists Activists and writers Alix Kates Shulman and Honor Moore have gathered an unprecedented collection of works many long out of print and hard to find that catalyzed and propelled the women's liberation movement Ranging from Friedan's *Feminine Mystique* to Backlash Susan Faludi's Reagan era requiem and framed by Shulman and Moore with an introduction and headnotes that provide historical and personal context the anthology reveals the crucial role of Black feminists and other women of color in a decades long mass movement that not only brought about fundamental changes in American life changes too often taken for granted today but envisioned a thoroughgoing revolution in society and consciousness still to be achieved

Black Women in White America Gerda Lerner, 1992-11-17 Recipient of the 2002 Bruce Catton Prize for Lifetime Achievement in Historical Writing In this stunning collection of documents Washington Post Book World African American women speak of themselves their lives ambitions and struggles from the colonial period to the present day Theirs are stories of oppression and survival of family and community self help of inspiring heroism and grass roots organizational continuity in the face of racism economic hardship and far too often violence Their vivid accounts their strong and insistent voices make for inspiring reading enriching our understanding of the American past A very timely and powerful collection which gives emphasis to the magnificent role of Black women in the struggle of Black people to survive in this the United States Nathan Irvin Huggins Gerda Lerner has collected material which can change

images that whites have had of Blacks and possibly even those which we as Blacks have of ourselves Maya Angelou

Radicals in America Howard Brick, Christopher Phelps, 2015-07-15 Radicals in America offers the first complete and continuous history of left wing social movements in the United States from the Second World War to the present The book traces the full panoply of radical activist causes demonstrating how successive generations join currents of dissent face setbacks and political repression and generate new challenges to the status quo Sex and Class in Women's History Judith L. Newton, Mary P. Ryan, Judith R. Walkowitz, 2013-01-03 The essays collected in this volume reflect the upsurge of interest in the research and writing of feminist history in the 1970s 80s and illustrate the developments which have taken place in the types of questions asked the methodologies employed and the scope and sophistication of the analytical approaches which have been adopted Focusing on women in nineteenth century Britain and America this book includes work by scholars in both countries and takes its place in a long history of Anglo American debate The collection adopts the doubled vision of feminist theory the view that it is the simultaneous operation of relations of class and of sex gender that perpetuate both patriarchy and capitalism This view informs a wide variety of contributions from Class and Gender in Victorian England to Servants Sexual Relations and the Risks of Illegitimacy Free Black Women The Power of Women s Networks and Socialism Feminism and Sexual Antagonism in the London Tailoring Trade Both the vigour and the urgency of scholarship infused with social aims can be clearly felt in the essays collected here **Sex Is as Sex Does** Paisley Currah, 2024-09-03 Introduction If Sex Is Not a Biologic Phenomenon Sex and Popular Sovereignty Sex Classification as a Technology of Governance Till Birth Do Us Part Marriage ID Documents and the Nation State Incarceration Identity Politics and the Trans Cis Divide Conclusion

Outlaw Woman Roxanne Dunbar-Ortiz, 2014-03-20 In 1968 Roxanne Dunbar Ortiz helped found the Women s Liberation Movement part of what has been called the second wave of feminism in the United States Along with a small group of dedicated women in Boston she produced the first women s liberation journal No More Fun and Games Dunbar Ortiz was also an antiwar and anti racist activist and organizer throughout the 1960s and early 1970s and a fiery tireless public speaker on issues of patriarchy capitalism imperialism and racism She worked in Cuba with the Venceremos Brigade and formed associations with other revolutionaries across the spectrum of radical politics including the Civil Rights Movement Students for a Democratic Society the Revolutionary Union the African National Congress and the American Indian Movement Unlike most of those involved in the New Left Dunbar Ortiz grew up poor female and part Native American in rural Oklahoma and she often found herself at odds not only with the ruling class but also with the Left and with the women s movement Dunbar Ortiz s odyssey from Oklahoma poverty to the urban New Left gives a working class feminist perspective on a time and a movement that forever changed American society In a new afterword the author reflects on her fast paced life fifty years ago in particular as a movement activist and in relationships with men The Activist 1960s Robert C. Cottrell, 2023-05-01 Throughout the Long Sixties which spanned much of the seemingly quiescent 1950s and continued into

the 1970s progressive activists sought to change American policy both foreign and domestic Beginning with a civil rights crusade that later expanded to a campaign against the Vietnam War the movement eventually splintered into a series of focuses racial ethnic demographic political cultural gender based and environmental This work details activists efforts to ensure basic rights through fostering civic engagement Chapters demonstrate how the various campaigns within the movement were all successful to some extent but none brought about the results that many desired Nonetheless they contributed to a more open egalitarian participatory and emancipated nation that is still being shaped today **Women, Culture, and Development** World Institute for Development Economics Research,1995 Community by Seyla Benhabib

Sex Work in Nepal Lisa Caviglia,2017-09-05 This book explores sex work in Nepal as a social and analytical category Narrating stories of those subsumed under such definition it examines changes as well as continuities characterising socio cultural norms and perceptions through an analysis of sexual consumption It also highlights the ways in which the development sector media and local community discourses frame sex work as a distinct category How does the work of development aid projects affect the understanding of the sex worker category How are visual and media images employed to mark spaces of perdition in the Nepalese urban setting and what forms of imagination do they trigger How are intimate practices and relations transformed by imported notions of love and how do standards of propriety related to such interactions shift This book attempts to answer some of these questions An in depth and intimate ethnography the book deconstructs the sex worker category against the backdrop of global influences within local urban surroundings and points to the contradictions therein Furthermore through thorough descriptions of the experiences agency decision making processes and lives of those labelled as sex workers the book challenges concepts such as deviance and victimhood It proposes a counternarrative by rethinking ideas of gender objectification marginality symbolic violence and discrimination This book will greatly interest researchers and scholars in women and gender studies sociology and social anthropology South Asian studies and social sciences as well as NGOs and those involved in the development sector *Amazons in America* Keira V. Williams,2019-03-06 With this remarkable study historian Keira V Williams shows how fictional matriarchies produced for specific audiences in successive eras and across multiple media constitute prescriptive solution oriented thought experiments directed at contemporary social issues In the process *Amazons in America* uncovers a rich tradition of matriarchal popular culture in the United States Beginning with late nineteenth century anthropological studies which theorized a universal prehistoric matriarchy Williams explores how representations of women centered societies reveal changing ideas of gender and power over the course of the twentieth century and into the present day She examines a deep archive of cultural artifacts both familiar and obscure including L Frank Baum s *The Wizard of Oz* series Progressive era fiction like Charlotte Perkins Gilman s utopian novel *Herland* the original 1940s *Wonder Woman* comics midcentury films featuring nuclear families and feminist science fiction novels from the 1970s that invented prehistoric and futuristic matriarchal societies While such texts

have at times served as sites of feminist theory Williams unpacks their cyclical nature and in doing so pinpoints some of the premises that have historically hindered gender equality in the United States Williams also delves into popular works from the twenty first century such as Tyler Perry's Madea franchise and DC Comics Warner Bros globally successful film Wonder Woman which attest to the ongoing presence of patriarchal ideas and their capacity for combating patriarchy and white nationalism with visions of rebellion and liberation Amazons in America provides an indispensable critique of how anxieties and fantasies about women in power are culturally expressed ultimately informing a broader discussion about how to nurture a stable equitable society

A History of U.S. Feminisms Rory C. Dicker, 2016-01-26 The complete authoritative and up to date history of American feminism intersectionality sex positivity Updated and expanded the second edition of A History of U S Feminisms is an introductory text that will be used as supplementary material for first year women's studies students or as a brush up text for more advanced students Covering the first second and third waves of feminism A History of U S Feminisms will provide historical context of all the major events and figures from the late nineteenth century through today The chapters cover first wave feminism a period of feminist activity during the nineteenth and early twentieth centuries which focused primarily on gaining women's suffrage second wave feminism which started in the 60s and lasted through the 80s and emphasized the connection between the personal and the political and third wave feminism which started in the early 90s and is best exemplified by its focus on diversity intersectionality queer theory and sex positivity

Family Life Now Kelly J. Welch, 2024-11-22 Written with a down to earth and student focused approach Family Life Now 4th edition delivers a comprehensive examination of interaction among family members and intimate partners With an emphasis on today's diverse and complex individual family and the evolving impact of societal issues this text engages students through a balanced integrated approach of the human development and family science disciplines Author Kelly Welch uses a first person narrative style of writing to engage readers encourage them draw upon their own background and experiences to understand theories and concepts and to paint a realistic view of families and intimate relationships This text lays the foundation to understanding relationships better applying research and theory and promotes the ways in which those considering a helping profession career such as social worker therapist psychologist teacher early childhood childcare provider or healthcare provider can employ strengths oriented best practices to create and deliver effective quality couple and family life education

Routledge Handbook of Gender and Environment Sherilyn MacGregor, 2017-07-14 The Routledge Handbook of Gender and Environment gathers together state of the art theoretical reflections and empirical research from leading researchers and practitioners working in this transdisciplinary and transnational academic field Over the course of the book these contributors provide critical analyses of the gender dimensions of a wide range of timely and challenging topics from sustainable development and climate change politics to queer ecology and interspecies ethics in the so called Anthropocene Presenting a comprehensive overview of the development of the field from early political critiques of

the male domination of women and nature in the 1980s to the sophisticated intersectional and inclusive analyses of the present the volume is divided into four parts Part I Foundations Part II Approaches Part III Politics policy and practice Part IV Futures Comprising chapters written by forty contributors with different perspectives and working in a wide range of research contexts around the world this Handbook will serve as a vital resource for scholars students and practitioners in environmental studies gender studies human geography and the environmental humanities and social sciences more broadly

The Eight Technologies of Otherness Dr Sue Golding, Sue Golding, 2002-09-11 The Eight Technologies of Otherness is a bold and provocative re thinking of identities politics philosophy ethics and cultural practices In this groundbreaking text old essentialism and binary divides collapse under the weight of a new and impatient necessity Consider Sue Golding's eight technologies curiosity noise cruelty appetite skin nomadism contamination and dwelling But why only eight technologies And why these eight in particular Included are thirty three artists philosophers filmmakers writers photographers political militants and pulp theory practitioners whose work or life has contributed to the re thinking of otherness to which this book bears witness throw out a few clues

Hinduism in America Jeffery D. Long, 2020-08-06 Read the story of two worlds that converge one of Hindu immigrants to America who want to preserve their traditions and pass them on to their children in a new and foreign land and one of American spiritual seekers who find that the traditions of India fulfil their most deeply held aspirations Learn about the theoretical approaches to Hinduism in America the question of orientalism and the invention of Hinduism Read about how concepts like karma rebirth meditation and yoga have infiltrated and influenced the American consciousness Hindu temples in the United States and Canada how Hinduism has influenced vegetarianism the emergence of an increasingly assertive socially and politically active American Hinduism The book contains 30 images chapter summaries a glossary study questions and suggestions for further reading
