Description :

Sex post-50 can be the best ever, but it requires a different skill-set -- more communication, longer foreplay, different positions, sexual toys and aids -- to stay hot and exciting. It also needs to accommodate the myriad of physical, emotional, and social changes that happen in late middle-age. The Sex Bible For People Over 50 addresses common physical and sexual issues that 50+ couples encounter, and provides tips and solutions that are fun and exciting, like modified positions or the use of sexual toys and aids. It also shows readers how to build new sexual skills by providing exercises and new ways to enjoy sexual pleasure on their own, and with their partner.

Sex And The Bible:

Sex in the Bible Michael R. Cosby, 1984 An introduction to what the scriptures teach us about sexuality What the Bible "Really" Says about Sex Tom Gruber, 2001 What the Bible Really says About Sex and what many people think the Bible says about sex are two different things Although the Bible clearly condemns immoral sexual behaviour to go beyond what the Bible clearly teaches is legalism Words like adultery fornication and lust do not mean the same things today that they meant in biblical times We've also lost sight of the reasons behind the rules What the Bible Really says about Sex makes a compelling biblical case for responsible non monogamy also known as polyamory It also grapples with other difficult ethical questions concerning nudity prostitution pornography homosexuality situation ethics polygamy the sin of Adam and Eve procreation marriage safe sex love sex after the resurrection and family values Tom Gruber gets to the crux of the matter with laser sharp clarity Gruber writes in a style that a layman can easily understand a skeptic cannot easily refute and a scholar cannot easily dispute This highly controversial book is a must read for all open minded individuals seeking an accurate understanding of What the Bible Really says About Sex *The Bible, Sex, and this Generation* Monique Sharman, 2003-08 Learn What The Bible Really Says About Sex How should Christians view and treat those living in defacto relationships Do men and women today really have to wait until they are married before having sex What happens if they don't Have you ever wondered why Jesus gives an exception for divorce in only one gospel Why were men described as righteous in the Old Testament allowed more than one wife Have you ever pondered how these and other Biblical teachings on sex can be translated into your life today Using Scripture we answer these questions and more in a sensitive yet straightforward way Discover real reasons why couples should stay together for life along with guidance to help those in your influence discontinue hurtful sexual patterns As well as being a must read for parents counselors church leaders and scholars this resource will be valuable for anyone who has ever or will ever have sex The Strange Woman Gail Corrington Streete, 1997-01-01 In the worlds of ancient Israel and early Christianity political and religious laws limited women's options But some women created options by participating in adultery prostitution and other sexual variances thus resulting in a kind of independence not available to other women These actions subverted the social system leading to punishment for some women and power for others Sex is Not Sinful? Jack Wyrzten, 1970 Explains the position of the Scriptures on sexual morality **Unprotected Texts** Jennifer Wright Knust, 2011-01-25 An explosive fascinating book that reveals how the Bible cannot be used as a rulebook when it comes to sex A terrific read by a top scholar Bart Ehrman author of *Misquoting Jesus* Boston University's cutting edge religion scholar Jennifer Wright Knust reveals the Bible's contradictory messages about sex in this thoughtful riveting and timely reexploration of the letter of the gospels In the tradition of Bart Erhman's *Jesus Interrupted* and John Shelby Spong's *Sins of Scripture* Knust's *Unprotected Texts* liberates us from the pervasive moralizing the fickle dos and don'ts so often dictated by religious demagogues Knust's powerful reading offers a return to the scripture

away from the mere slogans to which it is so often reduced

Women, Sex and the Bible C. Thomas Dennis,2003-06

The Law of Love Wylark Day,2002-12-09

What does it mean to be righteous To be holy By what standard will God judge us when we die As the Bible tells us in 1Corinthians 8 2And if any man think that he knoweth any thing he knoweth nothing yet as he ought to know For nearly two millennia Christians have followed the philosophy of Asceticism a philosophy which teaches that ignorance about sex is bestbecause it is based on Fear Yet God s philosophy is LOVE and to love requires knowledge In this the second volume of *Sex and the Bible* we will therefore take a very close look at the teachings of the Bible in order to discover what God really thinks about SEX Roll over St Augustine

Sex in the Bible J. Harold Ellens,2006-03-30 What is the Bible s stance on such controversial issues as homosexuality and polygamy What does it have to say about sexual behaviors that some would deem perverted or criminal Is sex always wrong if it is not used to create life Ellens answers these and other questions in a book that argues that our understanding of what the Bible has to say about sex is frequently misguided He corrects our impressions with a look at the Scriptures themselves considers what they might have meant to people in the past and reflects on how we understand or misunderstand them today Focusing on early interpretations and contemporary misconceptions Ellens guides readers through what the Bible actually says showing how these messages have been interpreted in different contexts and suggesting new ways of reading and translating them for use in our own lives Readers hoping to reach a better understanding of the Bible s views on sexual practices and sexuality in general will find their questions answered here What does the story of Adam and Eve reveal about sex and sexuality What does the Old Testament say about sex and how might we interpret that in our own lives today How does the New Testament say we should behave in our sexuality and our lives What

lessons can we learn from a closer examination of the Bible and its teachings on human love marriage and sexuality These are among the many questions Ellens answers in an effort to help us all come to a better understanding of the gift of sexuality and its attendant behaviors in our lives In non judgmental prose he elucidates the Bible and our understanding of its teaching on these and related issues *All About Sex in the Bible* Alla Peace, John Anderson, 2012-02 All about Sex in the Bible is based exclusively on Biblical quotations which are related to sexual activity rules metaphorical meanings of sexual language and scientific knowledge on this subject Traditionally the Bible viewed as a religious book Surprisingly it is overloaded with countless verses on the topic of sexuality including a description of depravity of God of Old Testament Patriarchs and Kings all kind of sexual pleasures and seduction and cruelty triggered by sexual desire The book consists special chapters on associated subjects such as circumcision Mary s virginity Jesus birthday analysis of the meaning of whore of Babylon described in Biblical Revelation and some scientific facts on related issues In addition the major chapters are supported by Appendix which includes Glossary Index of Persons Geographical Glossary and Bibliography **Sex in the Bible** Evan P. Turner, 2015-10-12 What is the Christian view of sex What about God s view Are you surprised to know that the two might not line up Stepping away from religious tradition Sex in the Bible compares scripture to scripture to find out exactly what God has to say about human sexuality and what it reveals may shock you Providing a technical and thorough explanation of his findings author Evan P Turner begins his in depth study by clearly defining what sin is according to the Bible so as to make evident what is not sin Is masturbation wrong What does God think of divorce Is it okay for single people to have sex Navigating these controversial questions along with many more the author points out key words and explains the significance of certain Hebrew and Greek terms to further elucidate what the Bible actually says about any given topic Though there are certainly forbidden acts you will begin to see that God actually offers a surprising amount of freedom when it comes to sex Discover the life giving truth about sex in this revolutionary study of the Bible *What the Bible Really Does (and Doesn't) Say about Sex* Matthew O'Neil, 2015 A biblically based counter to the arguments made by the Christian right in debates over gay marriage women s rights contraception and abortion People are constantly judged for their sexual choices their frequency of sexual activity their selection of partners and their decisions regarding birth control and much of this judgment stems from the element of culture perhaps most preoccupied with sex religion What the Bible Really Does and Doesn't Say about Sex addresses this often unhealthy and troublesome relationship between sex and religion Focusing principally on Christianity it examines the arguments religious moralizers and sanctimonious politicians make to condone or condemn certain sexual practices and lifestyles But do they even get it right What does scripture really say about the how when why and with whom of sex Is homosexuality really an abomination Is abortion murder Is premarital sex a sin The answers may surprise you the Bible does not always make the claims those who wave it passionately in the air say it does In fact the Bible often says nothing at all about many of the practices and lifestyles the faithful argue so vociferously for or

against By setting the biblical record straight this book offers highly compelling arguments for those who want to keep religion off their bodies and out of their bedrooms It also reminds puritanical crusaders that before they thump their Bible on street corners or in campaign speeches they should perhaps read and understand it first **Sex and the Single Savior**

Dale B. Martin,2006-01-01 Probing into numerous questions about gender and sexuality Dale Martin delves into the biblical texts anew and unearths surprising findings Avoiding preconceptions about ancient sexuality he explores the ethics of desire and marriage and pays careful attention to the original meanings of words especially those used as evidence of Paul's opposition to homosexuality For example after a remarkably faithful reading of the scriptural texts Martin concludes that our contemporary obsession with marriage and the whole search for the right sexual relationships is antithetical to the message of the gospel In all of these essays however Martin argues for engaging Scripture in a way that goes beyond the standard historical critical questions and the assumptions of textual agency in order to find a faith that has no foundations other than Jesus Christ Good Christian Sex Bromleigh McCleneghan,2016-07-05

Moving beyond the deep seated cultural feelings of shame that have long fueled the conflict between Christianity and sex and the belief that there is only one right and valid way to practice one's sexuality this renowned University of Chicago pastor uses enlightening personal stories and examples from theology to show how sex is powerful and holy For years Christians have been told to adhere to one singular path when it comes to sex abstinence and purity Yet this limited focus ignores the reality that people's sexual and romantic lives differ widely even among those who consider themselves devout believers Church leaders have often refused to address the topic or have preached in ways that are harmful to the emotional and spiritual growth of the faithful in the pews Pastor McCleneghan is determined to reshape the issue and fundamentally transcend this disconnect between sexuality and spirituality that has left many Christians feeling guilty and sinful Written in her measured non judgmental voice Good Christian Sex combines humorous personal anecdotes with theological research to transform how Christians think and talk about this basic human need offering a new understanding that reconciles human love and religious faith Breaking with outdated conventions McCleneghan explains how the Bible and Christian tradition inform our beliefs about desire pleasure nudity fidelity premarital sex and the variety of sexual practices and encourages Christians to talk about their bodies their sensuality and their longings in a frank positive and realistic way Warm insightful and honest Good Christian Sex is a message of hope that at last lifts the veil of shame felt by many religious people Faith Love and Sex Somtochukwu

Ume,2012-10 This book is about the three common words we normally say their meaning and their impacts in our daily lives Many Christians use the word faith often but only few truly have it This book will teach you more about faith the application importance and how we can apply it in our daily lives As human beings we need faith to help us stay strong in stormy times Another important topic discussed in this book is love In our world today love is the most common word used We use it mostly on daily basis we understand and define it in so many ways but only few know the true meaning of it I have seen many

occasions where a guy will meet a girl for the first time and start prophesying how much love he has for the girl Some people believe in love at first sight I m not against it I know something will get you attracted from somebody before you can make a move but that attraction doesn t mean you love the person is only being close with someone that you will get to develop real love Real love develops is not based on physical attraction Another important word discussed is sex Nobody in this life can tell me he she has never heard of sex Sex is everywhere This book will teach you some things you have to know about sex it is not something you haven t heard of but teachings in biblical way **The Sex Texts** Arthur L.,2013-09-16 For all intent virtually all accepted mainstream Catholic Christian tenets remain untouched for the past two millennia It follows then that we take for evident truths for example our views on the Creator and creation s sexuality gender issues and human relationship concerns may in fact be nothing but establishment dogmas gleaned from wrong interpretation or translation of the original text and intent of Jesus Christ and the Bible authors Now isn t the mere chance of that being true too scary The Sex Texts Sexuality Gender and Relationships in the Bible by L Robert Arthur raises just that possibility despite the strong likelihood of facing stiff criticism from many sectors mostly of the established Catholic persuasion Yet those inclined to know the true message of Jesus Christ and his closest disciples may well take heed to scrutinize at the very least what Robert is trying to point out in his work The Sex Texts Sexuality Gender and Relationships in the Bible promises to raise a storm but the public debate it could engender may yet start a new direction for the rest of humanity **God and Sex** Michael Coogan,2010-10-01 An examination of sex and the Bible by one of the leading biblical scholars in the United States For several decades Michael Coogan s introductory course on the Old Testament has been a perennial favorite among students at Harvard University In God and Sex Coogan examines one of the most controversial aspects of the Hebrew Scripture What the Old Testament really says about sex and how contemporary understanding of those writings is frequently misunderstood or misrepresented In the engaging and witty voice generations of students have appreciated Coogan explores the language and social world of the Bible showing how much innuendo and euphemism is at play and illuminating the sexuality of biblical figures as well as God By doing so Coogan reveals the immense gap between popular use of Scripture and its original context God and Sex is certain to provoke entertain and enlighten readers *Sex and the Bible - Uncensored* H. Austin Chandler,2016-07-24 Sex and the Bible Uncensored The Sexual History of Christianity and Exactly How to Make It Sexual Today The purpose of this book let you know where opinions superstitions hang ups and rules about sex came from and to give you helpful ideas that you can do now to give you freedom and make your sex life better I wrote this guide as a way for Christians to be liberated from past wrong teaching And as you proceed you will be amazed at all the things that Christians have believed over the years But whether you are a Christian or not this still applies The Sexual Revolution is not just coming it is here The Church needs to stop fussing and fighting against it and understand WHY it is happening The Church has suppressed sexuality across the Western world for almost 2000 years This is an historical look at what has

contributed to the Christian response and understandings of sexuality We will study what happened how fear reigned and irrational fanaticism dogma customs false traditions ruled And steps to fix it Holy Sexuality and the Gospel Christopher Yuan, 2018-11-20 From the author of Out of a Far Country which details his dramatic conversion from an agnostic gay man who put his identity in his sexuality to a Bible professor who now puts his identity in Christ alone comes a gospel centered discussion of sex desire and relationships Dr Christopher Yuan explores the concept of holy sexuality chastity in singleness or faithfulness in marriage in a practical and relevant manner equipping readers with an accessible yet robust theology of sexuality Whether you want to share Christ with a loved one who identifies as gay or you're wrestling with questions of identity yourself this book will help you better understand sexuality in light of God's grand story and realize that holy sexuality is actually good news for all
