revolutions of the sixties *Dictionary of the English and German Languages for Home and School: German-English* Felix Flügel,1901 **At Home with Pornography** Jane Juffer,1998-07-01 Twenty five years after the start of the feminist sex wars pornography remains a flashpoint issue with feminists locked in a familiar argument Are women victims or agents In *At Home with Pornography* Jane Juffer exposes the fruitlessness of this debate and suggests that it has prevented us from realizing women s changing relationship to erotica and porn Over the course of these same twenty five years there has been a proliferation of sexually explicit materials geared toward women made available in increasingly mainstream venues In asking what is the relationship of women to pornography Juffer maintains that we need to stop obsessing over pornography s transgressive aspects and start focusing on the place of porn and erotica in women s everyday lives Where she asks do women routinely find it for how much and how is it circulated and consumed within the home How is this circulation and consumption shaped by the different marketing categories that attempt to distinguish erotica from porn such as women s literary erotica and sexual self help videos for couples *At Home with Pornography* responds to these questions by viewing women s erotica within the context of governmental regulation that attempts to counterpose a dangerous pornography with the sanctity of the home Juffer explores how women s consumption of erotica and porn for their own pleasure can be empowering while still acting to reinforce conservative ideals She shows how for instance the Victoria s Secret catalog is able to function as a kind of pornography whose circulation is facilitated both by its reliance on Victorian themes of secrecy and privacy and on its appeals to the selfish pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the varying degrees to which these materials have been domesticated for home consumption Representing the next generation of scholarship on pornography *At Home with Pornography* will transform our understanding of women s everyday sexuality **In-Home Care for Senior Citizens** Shirley M. Baker-Davis,2001-09 I have written this book with the hope of causing those that believe in the falseness of religion to understand the difference between religion life and spiritually Man made religion has no power to change our minds or our thoughts True spirituality is of the life of the resurrection which is in our words All of our problems are caused by religion as there is no knowledge of a living God in religion Therefore we accept death as being normal and this causes us to see God as being a God of both life and death or a God of both light and darkness etc As you well know the scripture says you cannot believe in both God and man as a double minded person cannot receive anything from God which is life To make a long story short this book is about the life of the resurrection and this war on terrorism As you well know this war is taking away your freedom because the government cannot protect you by the law Your protection from death is in the words that you speak as death and life is in the power of your tongue The life of God is in words of the day and death is in words of the night so you need to read this book *Sex and Social Health* Thomas Walton Galloway,1924 *Women and Economics* Charlotte Perkins Gilman,1898

This classic of feminist theory relates the evolution of women's economic reliance on men and the system's deleterious effects on both sexes. A landmark treatise in the struggle for gender equality.
