Healing Pluto Problems Donna Cunningham, 2023-12-04 Discover how understanding Pluto in your birth chart can help you understand aspects of your childhood adulthood and your life In Healing Pluto Problems Donna Cunningham explains how Pluto functions in the birth chart and shows how Plutonian problems can manifest throughout one's life Pluto's energy is extremely potent and powerful In astrology it is considered a generational planet the length of its orbit 248 years means it influences both individuals and entire generations as it travels through the zodiac Cunningham shows how transiting Pluto aspects can affect childhood adulthood and life in general Symbolically Pluto governs our compulsive behavior all those things we know we shouldn't do but feel compelled to do anyway It also represents the hidden dimension

of our emotional lives all the parts of ourselves that we'd rather bury in our subconscious and not reveal to others. With numerous case studies to bring her insights to life, Cunningham's interpretations written with care and compassion are straightforward and easy to grasp. She presents her material with warmth and empathy without avoiding the tough lessons that Pluto has to offer. Cunningham addresses such topics as Guilt, resentment, and fear. Emotional secrets and their contribution to self-isolation. Incest, abuse, and domestic violence. Pluto and the need for power and control. The psychology of being a victim. Death and transformation. The consequences of avoiding grief. Interested not only in diagnosing Pluto problems, Cunningham also gives us tools for healing those problems: affirmations, flower remedies, exercises for working with the chakras, and shows us how to use Pluto transits for growth. This Weiser Classics edition includes a foreword by Lisa Stardust, author of *Saturn Return Survival Guide*. In astrology, Pluto represents destruction and creation. Pluto is a dwarf planet that is always pushing us to evolve and grow so that we align with the times and themes of our lives. This ultimate evolutionary experience brings us to our truest selves. As lord of the underworld, Pluto represents the juxtaposition between life and death, that which defines transformation. Donna Cunningham's *Healing Pluto Problems* was the first book I read on Pluto. It helped me comprehend the depths and significance of Pluto and how to use the planet to my advantage. Also, it gave me a chance to see myself clearly and understand my feelings. Not only that, but I gained insight into my relationships. I can honestly say that I have become a more mature and self-aware person from reading this book. Now I know why I act out when pushed to the limit and how to temper myself when I begin to seek such actions from the foreword.

It Will Work If U Work It! Dr. Tina Parkman, LPC, CAADC, 2013-06

Emotional and sexual intimacy is unbalanced for those who have been traumatized, neglected, and abused. For some, this involves sexual acting out, behavior with multiple partners, and/or serial affairs or some form of traumatic reenactment. The Centers for Disease Control (CDC) reports that 70 percent of all reported sex disorders relate to sexual addictions, substance abuse, suicide, promiscuity, prostitution, losses of trust, destruction of self-esteem, development of shame, guilt, depression, and other psycho-behavioral issues. Our goal is to assist individuals by walking them through the process of healing, wholeness, making intimate connections with spirituality, and treatment approaches, and thus leading the way to enhancing the skills and capabilities of professionals who treat individuals for sexual addiction and other trauma-induced intimacy disorders. Learning to embrace God's love and self-love are the first steps towards sharing intimacy with another. It is God's will that we enjoy the delightfulness of love, sex, and romance between mates. It is God's pleasure to see us become the best lovers we can be. The 21st Century generation brings with it a big appetite for seductive aura, sexy secrets, ancient secrets, and sexual energy. They live lavish lifestyles with hip-hop excitement, no limits, secular humanism, no morals, and instant pleasure. Everybody gets in where they fit in. If they want it, they're taking it. If it feels good, they're doing it. Sex, money, and power are their playthings. Unfortunately, the pressure of acceptance, addiction, approval, attention-seeking, need to please, desperation for fame, fortune, and notoriety have been the many justifications they have used to reach for false hope in
