Panichas, 1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company **Laws Relating to Sex Morality in New York City** Arthur Barnett Spingarn, 1915 **Laws Relating to Sex Morality in New York City** Arthur Barnett Spingarn, 1916 **Laws Relating to Sex Morality in New York City (Classic Reprint)** Arthur B. Spingarn, 2017-12-09 Excerpt from Laws Relating to Sex Morality in New York City This Manual contains the Federal State and local laws relating to sex morality in so far as they apply in the City of New York It is intended primarily for the Social worker and the endeavor throughout has been to state the law in such a way that it can be readily understood and used by persons without legal training It is hoped that the assembling under one cover of a body of law which is scattered throughout numberless statutes and decisions may be helpful also to lawyers and magistrates The primary purpose however has never been lost sight of in its compilation the Manual does not profess nor indeed aim to be a complete compendium and everything has been rigidly excluded that does not bear more or less directly on the laws relating to the contributing causes and suppression of prostitution the care of its victims and the punishment of those persons who foster or benefit by its existence Some of the topics treated may perhaps seem remote from the principal subject but experience in allied work justifies the belief that nothing has been included which is not material and it is hoped that the desire to keep the Manual Within the limits of a hand book has resulted in no serious omissions About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Sexuality, Morals and Justice** Nicholas Bamforth, 1997-10-23 Against the background of the law reform debates around sexuality in Britain and America Bamforth examines what functions it is legitimate for the law to serve and how effective law can be in achieving social goals He provides a new and cogent argument for protecting lesbian and gay rights through law but is sceptical about how useful law can be in eradicating discriminatory social practices This work sheds new light on the equal rights debate and raises issues of central importance to the role of law in society *Women's Lives, Men's Laws* Catharine A. MacKinnon, 2007-04-30 Women's Lives Men's Laws collects papers by MacKinnon from 1980 to the present in which she discusses the deep gender bias of American law and the changes to legislation on sexual harassment rape and battering to which she has contributed [Laws Relating to Sex, Pregnancy, and Infancy](#) Carmen M. Cusack, 2015-05-05 Laws Relating to Sex Pregnancy and Infancy examines case law and legislation in

regards to reproduction pregnancy and infancy Cusack explores the winding pathways of legal precedence and action on the social conditions of pregnancy and childbirth and draws from criminal and court procedures and behavioral science to determine if the law is acting in the best interest of those vulnerable populations Cusack surveys interpersonal familial and societal problems presented throughout history and currently facing contemporary generations questioning whether the criminal justice system can evolve to support the growing needs of its citizens most in need of legal assistance **Laws**

Relating to Sex Morality in New York City Arthur Barnett Spingarn,1917 **Sex Morality** William Josephus

Robinson,1912 **Laws Relating to Sex Morality in New York City** Arthur Barnett Spingarn,1915 *Sexual Morality*

John Piderit,2012-11-03 Informal customs have become the norm for most young adults in matters of sexual intimacy

Unfortunately the sexual revolution has not proven to be as beneficial to women as was hoped and society offers young men little preparation for future roles as husbands and fathers In this book Father Piderit argues that a natural law approach to morality provides a grounded pathway toward marriage and shows why these fairly traditional practices help young people find a partner whom they can realistically promise to love until death do them part Offering theory but focusing on practice this book helps young adults understand why sexual intimacy should be reserved for marriage The first two sections develop the natural law basis for behavior Father Piderit points out that natural law relies primarily on reason not religion and his explanation provides a way to understand a Christian approach to morality as grounded in nature The final third of the book explores what religious practice and membership in a Christian denomination adds to the natural law approach Father Piderit uses clear practical examples to show that positive goals are what motivate human beings By breaking down the potentially abstract concept of morality into a set of intuitive practices guided by natural law Father Piderit provides young people and students with the tools to create a positive courtship and ultimately a solid marriage based on strong shared values and mutual respect **Studies in the Psychology of Sex** Havelock Ellis,1913 *The Laws of Sex* Edith Houghton

Hooker,1921 *Studies in the Psychology of Sex: Sex in relation to society* Havelock Ellis,1910 *The Politics of Sexual Morality in Ireland* C. Hug,2016-01-18 The research for this book was prompted by a combination of events in particular the election of Mary Robinson to the Presidency and the X Case which rocked Irish society The book is an exploration of the dynamics between the courts the legislators and the Irish citizens in relation to certain socio sexual questions divorce contraception abortion and homosexuality Spanning 73 years since the creation of the Irish State The Politics of Sexual Morality in Ireland questions the nature of the moral order regulating Irish society and the concept of democracy underlying it It examines the fragile balance struck between tradition and modernity [The Natural Laws of Sexual Life](#) Anton

Nystrom,1912 [Sex, Marriage, and Family in John Calvin's Geneva](#) Jr. Witte, John,John Witte,Robert M.

Kingdon,2005-10-20 You would not expect this from his dour reputation but John Calvin transformed the Western understanding of sex marriage and family life In this fascinating even sensational volume John Witte and Robert Kingdon

treat comprehensively the new theology and law of domestic life that Calvin and his fellow reformers established in sixteenth century Geneva Bringing to light and life hundreds of newly discovered cases and theological texts Witte and Kingdon trace the subtle historical forms and norms of sex marriage and family life that still shape us today Sex and the Gospel Jason Tackett,2024-05-06 This work is an attempt to lay the groundwork for how we talk about sex with those we love in our churches and in the culture at large It is a carefully structured attempt to build a comprehensive Christian worldview of sexuality It strives to form a basic biblical understanding of what sex is as a blessing created by God and how God is Lord over it The author strives to handle these topics in a way that avoids the spirit of the age while not ignoring how current culture has attempted to cast off Lordship in this matter Above all this work aims at a clear gospel presentation and attempts to administer grace to its readers Sexual morality is only a peripheral goal of this book its explicit goal is the preaching of Christ to the needy sinner

Policing Sex Paul Johnson,Paul James Johnson,Derek Dalton,2012 This collection focuses attention on an important but academically neglected area of contemporary operational policing the regulation of consensual sexual practices Despite the high level public visibility of and debate about policing in relation to violent and abusive sexual crimes from child sexual abuse to adult rape very little public or scholarly attention is paid to the policing of consensual sexual practices in contemporary societies Whilst sexual life is commonly understood to be a matter of private life that is beyond formal social control this book shows that policing is implicated in the regulation of a wide range of consensual sexual practices This book brings together a well known and respected group of academics from a range of disciplines to explore the role of the police in shaping the boundaries of that aspect of our lives that we imagine to be most intimate and most our own The volume presents a snap shot of policing in respect of a number of diverse areas such as public sex pornography and sex work and considers how sexual orientation structures police responses to them The authors critically examine how policing is implicated in the social moral and political landscape of sex and contrary to the established rhetoric of politicians and criminal justice practitioners continues to intervene in the private lives of citizens It is essential supplementary reading for courses in criminology law policing sociology of deviance gender and sexuality and cultural studies
