Couples Therapy Linda Berg Cross,2013-12-16 Harness the power of an integrative approach to couples counseling Why do marriages fail The behaviorist or cognitive therapist explains that unhappy couples have self defeating ways of thinking about their spouses and themselves The sociologically oriented counselor points to the impact of social trends and dramatic changes in child rearing and social expectations A therapist oriented toward psychodynamics or systems theory sees the destructive patterns of childhood replayed in the marriage with spouses taking on rigid roles The pastoral or humanist counselor believes that partners who cannot experience self fulfillment through commitment and trust will feel less love and grow more and more disconnected Couples Therapy Second Edition brings together all these points of view to make a unified whole This integrative approach proposes a new model of successful marriage based on four cornerstones resiliency social support adaptability and self fulfillment Weaving together theory and research Couples Therapy Second Edition explores how common issues can lead to trouble in relationships It suggests specific interventions so therapists can teach clients to deal with such problem areas as anger management domestic violence depression anxiety parenting conflicts in laws work pressures and sexual dissatisfaction Couples Therapy Second Edition offers a sound theoretical framework as well as practical ideas Through clinical vignettes and up to date research it makes the common conflicts and developmental stages of marriage so understandable that it can be profitably read by clients as well as counselors Its invaluable resources for the couples therapist include end of chapter professional development questions therapeutic exercises answers to frequently asked professional and ethical questions intervention suggestions for the therapist self assessment questionnaires book and video recommendations on each chapter topic Written in clear readable prose Couples Therapy Second Edition offers practical help for the experienced clinician as well as theoretical overviews for the counselor in training What's Wrong With Addiction Helen Keane,2013-04-01 This is an impressive work carefully structured researched and written a refreshingly lucid account that is both intellectually stimulating and professionally helpful Janet McCalman Addicts are generally regarded with either pity or grave disapproval But is being addicted to something necessarily bad These attitudes are explicit both in contemporary medical literature and in popular self help texts We categorise addiction as unnatural diseased and self destructive We demonise pleasure and desire and view the addict as physically and morally damaged Helen Keane s thought provoking text examines these assumptions in a new light In asserting that the wrongness of addiction is not

fixed or indeed obvious she presents a refreshing challenge to more conventional accounts of addiction She also investigates the notion that people can be addicted to eating love and sex just as they are to drugs and alcohol What s Wrong with Addiction shows that most of our ideas about addiction take certain ideals of health and normality for granted It exposes strains in our society s oppositions between health and disease between the natural and the artificial between order and disorder and between self and other

Sexualities and Irish Society Máire Leane,Elizabeth Kiely,2014-01-13 In Ireland recent social cultural and political changes combined with globalisation commercialisation and new technologies have re shaped how we understand and think about sexuality There is now a multiplicity of ways in which individuals can experience their sexuality negotiate their sexual identities and advocate for sexual rights Meanwhile sexualities continue to be denied problematised and subjected to regulation The ongoing exchanges between real life sexualities and the social contexts in which they are forged provides the core focus of this book Sexualities and Irish Society explores the construction and management of sexualities across a number of different sites including the family the legal and education systems medical and therapeutic settings and cultural and commercial arenas Engaging with both theoretical and empirical material the authors analyse the power relations within which sexualities are constructed resisted and reconstructed Written by academics researchers advocates and practitioners this is the first comprehensive academic text on sexualities in Irish society It showcases the best of recent scholarship from a range of disciplinary perspectives Sexualities and Irish Society is a valuable resource for undergraduate and postgraduate students in social policy social care social work sociology women s studies cultural studies history politics and studies of the body It should also appeal to activists campaigners and professional practitioners

Addictions From an Attachment Perspective Richard Gill,2018-05-15 This outstanding book is an important collection of papers from the 2013 John Bowlby Memorial Conference by accomplished clinicians from different modalities who share their experience of working with people with different kinds of addiction The papers bring together an in depth understanding that addictions are a response to and hold the pain of broken attachments and are best treated within healthy interpersonal relationships For a long time the person with an addiction has been seen as the problem with society being able to live in denial of the causes These papers open up innovative and effective ways of working with people troubled by addiction from an attachment informed perspective Contributors Cara Crossan Richard Gill Lynn Greenwood Bob Johnson Liz Karter Edward Khantzian Arlene Vetere Kate White Jason Wright
