Sex And The City:

Sex and the City Amy Sohn, 2004-02-23 A fan's resource for the award winning cable television program features information about the show's actors producers costume designers and sets and provides summaries of each season and interviews with the cast

Sex and the City and Us Jennifer Keishin Armstrong, 2018-06-05 The bestselling author of *Seinfeldia* offers a fascinating retrospective of the iconic and award winning television series *Sex and the City* in a bubbly yet fierce cultural dissection of the groundbreaking show *Chicago Tribune* This is the story of how a columnist two gay men and a writers room full of women used their own poignant hilarious and humiliating stories to launch a cultural phenomenon They endured shock slut shaming and a slew of nasty reviews on their way to eventual if still often begrudging respect The show wasn't perfect but it revolutionized television for women When Candace Bushnell began writing for the *New York Observer* she didn't think anyone beyond the Upper East Side would care about her adventures among the Hamptons hopping media elite But her struggles with singlehood struck a chord Beverly Hills 90210 creator Darren Star brought her vision to an even wider audience when he adapted the column for HBO Carrie Miranda Charlotte and Samantha launched a barrage of trends forever branded the actresses that took on the roles redefined women's relationship to sex and elevated the perception of singlehood Featuring exclusive new interviews with the cast and writers including star Sarah Jessica Parker creator Darren Star executive producer Michael Patrick King and author Candace Bushnell Jennifer Keishin Armstrong brings readers inside the writers room and into the scribes lives The writing is fizzy and funny but she still manages an in depth look at a show that's been analyzed for decades giving readers a retrospective as enjoyable as a 20 pink cocktail *The Washington Post* *Sex and the City and Us* is both a critical and nostalgic behind the scenes look at a television series that changed the way women see themselves

Sex and the City Deborah Jermyn, 2009 Examines the full run of *Sex and the City* and its production background place in television history innovations to the genre and reception With its bold depiction of four female friends navigating the pitfalls of Manhattan's dating scene *Sex and the City* which aired on HBO from 1998 to 2004 was a unique television drama that evolved into a ubiquitous and widely debated cultural phenomenon Deborah Jermyn's *Sex and the City* investigates the program's critical and popular success as well as its lasting cultural impact To give readers a complete picture of *Sex and the City* Jermyn draws on close textual analysis of selected episodes existing critical work on the program testimonies from its stars and producers and intertextual evidence ranging from the *Sex and the City* bus tour to fan guides and Web sites In this volume Jermyn explores the show's characters its careful generic balance of comedy and drama its mix of both fantasy and realism and its dedication to the intricacies of women's friendships Jermyn notes that in the course of its six seasons *Sex and the City* emerged as a kind of controversial shorthand to explore the zeitgeist among a generation of post feminist TV audiences each week considering issues surrounding femininity feminism sexuality consumerism and women's lifestyle choices Jermyn argues that in short *Sex and the City*'s success and wider cultural impact invite us not just to analyze

the particular accomplishments of its writing design and performances but to recognize the contribution and significance that television can have on public debate and life outside the box With the 2008 release of a full length and long awaited feature film version of Sex and the City the series proves itself once again to be timely and relevant Fans of the series as well as scholars of television history will enjoy Jermyn s insightful study The Q Guide to Sex and the City Robb Pearlman,2008 Go behind the scenes of Sex and the City read episode recaps and learn fun facts about the four best friends Carrie Samantha Miranda and Charlotte Sex and the City Candace Bushnell,1997 Based on Bushnell s wickedly funny very smart and deeply trendy New York Observer column Sex and the City is a twisted hysterical and sometimes terrifying foray into the hearts and minds of city dwellers This edition includes new episodes to coincide with the last ever television show of the same name **Sex and the City** Amy Sohn,2008-05-30 From the team who brought you Sex and the City Kiss and Tell comes this must have companion to the movie millions have been waiting for This sleek hardcover volume gives reader exclusive entr e into the world of Sex and the City The Movie In addition to a storybook style telling of the film the book includes mouth watering bonus features not available anywhere else behind the scenes stories from Kim Cattrall Kristin Davis Cynthia Nixon star and producer Sarah Jessica Parker writer and director Michael Patrick King as well as producers and other key cast and crew members a guide to the movie s multi million dollar fashion closet including insight from costume designer Patricia Field and an insider s tour of the movie s many locations some of which have never before appeared on film All of this behind the scenes information is accompanied by more than three hundred stunning luscious full color images This beautiful keepsake is sure to bring some big screen glitz and glamour to every reader s bookshelf **Sex and the City** Deborah Jermyn,2009-01-12 Examines the full run of Sex and the City and its production background place in television history innovations to the genre and reception **Reading Sex and the City** , HBO s hit series Sex and the City has a huge international fanbase and has picked up major awards This highly readable critical celebration of the life and times of Carrie Miranda Charlotte and Samantha looks at the series as a new departure for TV comedy drama **Sex and the City** Nicole Evelina,2022-11-15 An insightful look at the cultural impact of the television phenomenon Sex and the City Back in the late 1990s and early 2000s one word was on everyone s lips sex Sex and the City had taken the United States and the world by storm Carrie Miranda Charlotte and Samantha influenced how a generation of women think practice and talk about sex allowing them to embrace their sexual desires publicly and unlocking the idea of women as sexual beings on par with men In Sex and the City A Cultural History Nicole Evelina provides a fascinating in depth look at the show s characters their relationships and the issues the show confronted From sexuality and feminism to friendship and motherhood Evelina reveals how the series impacted viewers in the 1990s as well as what still resonates today and what has glaringly not kept up with the times The world has changed dramatically since the show originally aired and Evelina examines how recent social movements have served to highlight the show s lack of diversity and throw some of its storylines into a less than favorable
