Cops: A Story of Honor, Sex & Tragedy** Samuel Turner,2012-11-12 L A Cops is primarily a work of fiction with a few exceptions the names of my characters as well as most of the cities and counties in the San Joaquin Valley are figments of my imagination If the reader believes that I have written about actual places as well as real crimes that is his right to do so I can only say in my defense that all writers have stored in their memory cells recollections of actual events and frequently borrow from those storage banks ideas that eventually go together to make up a story or even an entire novel That s how writers of fiction make a living unless the work is pure science fiction the more closely it resembles real life situations the more likely it will sell because we all experience something inside when we can relate to the characters events or locales in a story I have used real situations and in several instances actual places in the chapters that deal with World War II Of course built within that framework I ve taken the liberty to make my characters more colorful gallant or tyrannical than may have been the actual case I wasn t old enough during that period to have had personal experiences of this nature but some of the military individuals I ve introduced you to may approximately match some that I ran into during my own years in the Air Force After all no one period in time has its own special hold on good decent people nor on those who have made life less than great for those they have come in contact with You will find both types playing important roles in my book     **Sex, Liberty & the Pursuit of Happiness** Humphrey Zinyuke,2015-11-25 In SEX LIBERTY AND THE PURSUIT OF HAPPINESS Wisdom for America s New Sexual Order Humphrey Zinyuke dissects sexuality with rare sagacity debunking those aspects of it that are often over the head or simply intrigue In what is perhaps the most timely book since Jonathan Cahn s *The Harbinger* Humphrey takes stock of modern day sex exploring its commercial political sociocultural and even religious bearings whilst taking us on a tour of key sexual precedents from Kinsey Woodstock right through to this day when the Gay Agenda has reached fruition He goes a step further to prognosticate the eyebrow raising future of sexuality This witty and satirical treatise promises to dispel the mystique on all issues sex from those as grave as the shocking evidence of Jesus Christ s counter cultural teaching that marriage is in fact not for everyone to such trivia as why love and scandal are fast becoming the best sweeteners of tea An end times piece for they that would blend passion with prudence     [Never Eat the Buffett at a Sex Club](#) Aidan Goatley,2018-02-19 I m afraid this book contains no sex at all and for that matter no food either

As you're here though welcome to a collection of writings that include his Dubai Diary the adventures of Colonel Juniper and several other bits of nonsense from comedian Aidan Goatley This edition also includes scripts from his sell out Edinburgh shows 10 Films with my Dad and The Joys of Retail A brilliant raconteur very very funny Fringe guru Charming funny The Scotsman A singular wit highly recommended Edinburgh Evening News      **The Lady's Magazine Or Entertaining Companion for the Fair Sex**, 1781      Constitutional Innovation and Same-Sex Desire in D'Annunzio's Fiume, 1919-1920 Aleardo Zanghellini, 2024-12-21 Drawing on novel archival evidence that sheds light on Anglo Italian diplomatic relations and the French Italian contest for power in the Adriatic this book recounts the story of decadent poet Gabriele D'Annunzio's occupation of Fiume Determining the fate of this Italian enclave in coastal Croatia had proved impossible at the Paris Peace Conference In September 1919 D'Annunzio and his legionnaires installed themselves in Fiume in a bid to embarrass Italy into declaring its annexation In the months that followed the poet did his best to fashion Fiume into his ideal political community culminating in the proclamation of a Constitution known as the Carnaro Charter The Charter was as visionary as it was short lived having reached an agreement with Yugoslavia on the status of Fiume Italy put an end to the poet's socio political experiment in December 1920 In addition to offering the most comprehensive and detailed analysis to date of the Carnaro Charter the book shows what has eluded all historians of D'Annunzio's Fiume that the sublimation and discursive circulation of same sex desire was integral to shaping and sustaining the political and legal order of the occupation and that D'Annunzio's love lore in Fiume was continuous with broader homoerotic preoccupations in his oeuvre      *The Lady's Magazine; Or, Entertaining Companion for the Fair Sex, Appropriated Solely to Their Use and Amusement ...*, 1786      Sex Drives Laura Frost, 2018-08-06 Salvador Dalí's autobiography confesses that Hitler turned me on in the highest while Sylvia Plath maintains that every woman adores a Fascist Susan Sontag's famous observation that art reveals the seamier side of fascism in bondage discipline and sexual deviance would certainly appear to be true in modernist and postwar literary texts How do we account for eroticized representations of fascism in anti fascist literature for sexual desire that escapes the bounds of politics Laura Frost advances a compelling reading of works by D H Lawrence Virginia Woolf Jean Genet Georges Bataille Marguerite Duras and Sylvia Plath paying special attention to undercurrents of enthrallment with tyrants uniforms and domination She argues that the first generation of writers raised within psychoanalytic discourse found in fascism the libidinal unconscious through which to fantasize acts including sadomasochism and homosexuality not permitted in a democratic conception of sexuality without power relations By delineating democracy's investment in a sexually transgressive fascism an investment that persists to this day Frost demonstrates how politics enters into fantasy This provocative and closely argued book offers both a fresh contribution to modernist literature and a theorization of fantasy

*What Soldiers Do* Mary Louise Roberts, 2013-05-10 This sobering account vividly depicts the impact of the influx of hundreds of thousands of GIs on French society especially on French women Foreign Affairs How do you convince men to

charge across heavily mined beaches into deadly machine gun fire Do you appeal to their bonds with their fellow soldiers their patriotism their desire to end tyranny and mass murder Certainly but if you re the US Army in 1944 you also try another tack You dangle the lure of beautiful French women waiting just on the other side of the wire ready to reward their liberators in oh so many ways That s not the picture of the Greatest Generation that we ve been given but it s the one Mary Louise Roberts paints to devastating effect in *What Soldiers Do* Drawing on an incredible range of sources including news reports propaganda and training materials official planning documents wartime diaries and memoirs Roberts tells the fascinating and troubling story of how the US military command systematically spread and then exploited the myth of French women as sexually experienced and available The resulting chaos ranging from flagrant public sex with prostitutes to outright rape and rampant venereal disease horrified the war weary and demoralized French population The sexual predation and the blithe response of the American military leadership also caused serious friction between the two nations just as they were attempting to settle questions of long term control over the liberated territories and the restoration of French sovereignty While never denying the achievement of D Day or the bravery of the soldiers who took part *What Soldiers Do* reminds us that history is always more useful and more interesting when it is most honest and when it goes beyond the burnished beauty of nostalgia to grapple with the real lives and real mistakes of the people who lived it Many will appreciate this nuanced history of sex war and power *Times Higher Education*      [Catalog of Copyright Entries.
