

A romantic scene of a couple in bed at night. The man is leaning over the woman, who is lying down. They are in a bed with a white metal frame. The room is dimly lit with a warm, orange glow from a lamp. The background shows a window with sheer curtains.

Inspired Parenting Dorka Herner,2020-02-27 In Inspired Parenting psychologist and mother of five Dorka Herner shows through practical everyday examples how we can reflect on our own parenting and see our interactions with our children through fresh eyes What our children do can reveal much about ourselves as parents if a five year old won t go to sleep alone who needs evening cuddles us or him If we are bothered when our child is bored is it because we view ourselves as useless unless we are ticking off tasks If we think our children are careless is it because we are too perfectionist By understanding ourselves better we can see the nuances in how we live together as families and appreciate that our relationships can be complex By thinking deeply and honestly we can see more clearly how to build the type of life we want for ourselves and our children and how to genuinely enjoy the challenges and rewards of raising them With a down to earth and realistic approach the book invites us to examine the details of parenting and learn valuable lessons about ourselves in the process
