The CEO Harlow Layne, 2025-07-04 Sexy Demanding Cocky All words I would use to describe Kingston Avery The owner of Avery Capital Holdings and my new boss It was tempting enough working together every day but ignoring his wicked promises under his roof was impossible But the company had a zero fraternization policy and things were already complicated enough I needed to focus on doing my job And avoid doing my boss Kingston wasn't just another suit He was a cocky suit And when the suit came off He was a man who could steal my heart Gorgeous Attentive Compassionate I just hope it didn't cost me my career Previously Cocky Suit in the Cocky Hero Word Now including Ty and Sadie from Intern and Ryder and Lexie from The Model with an extra epilogue **The Drum Is a Wild Woman** Patricia G. Lespinasse, 2022-01-04 In 1957 Duke Ellington released the influential album *A Drum Is a Woman* This musical allegory revealed the implicit truth about the role of women in jazz discourse jilted by the musician and replaced by the drum Further the album's cover displays an image of a woman sitting atop a drum depicting the way in which the drum literally obscures the female body turning the subject into an object This objectification of women leads to a critical reading of the role of women in jazz music If the drum can take the place of a woman then a woman can also take the place of a drum *The Drum Is a Wild Woman* Jazz and Gender in African Diaspora Literature challenges that image but also defines a counter tradition within women's writing that involves the reinvention and reclamation of a modern jazz discourse Despite their alienation from bebop women have found jazz music empowering and have demonstrated this power in various ways *The Drum Is a Wild Woman* explores the complex relationship between women and jazz music in recent African diasporic literature The book examines how women writers from the African diaspora have challenged and revised major tropes and concerns of jazz literature since the bebop era in the mid 1940s Black women writers create dissonant sounds that broaden our understanding of jazz literature By underscoring the extent to which gender is already embedded in jazz discourse author Patricia G Lespinasse responds to and corrects narratives that tell the story of jazz through a male centered lens She concentrates on how the Wild Woman the female vocalist in classic blues used blues and jazz to push the boundaries of Black womanhood outside of the confines of respectability In texts that refer to jazz in form or content the Wild Woman constitutes a figure of resistance who uses language image and improvisation to refashion herself from object to subject This book breaks new ground by comparing the

politics of resistance alongside moments of improvisation by examining recurring literary motifs cry and response the Wild Woman and the jazz moment in jazz novels short stories and poetry comparing works by Ann Petry Gayl Jones Toni Morrison Paule Marshall Edwidge Danticat and Maya Angelou with pieces by Albert Murray Ralph Ellison James Baldwin and Ellington Within an interdisciplinary and transnational context Lespinasse foregrounds the vexed negotiations around gender and jazz discourse **I Don't Know Where I'm Going, But I Sure Ain't Lost** Jess Lair,1983-03 **The Bellman** ,1914
