Sex, Love, and the Person Peter Anthony Bertocci, 1967 **Sex Matters** Osho, 2003-07-11 *Sex Matters* offers a vision of sex that is healthy natural innocent and free from guilt and repression Where other books offer techniques to practice and games to play *Sex Matters* offers insight into the psychological and spiritual dimensions of sex In responding to questions from people of all ages and from all walks of life Osho shows how we can by accepting and celebrating sex as a gift of nature begin to use it as a valuable stepping stone in a lifelong journey toward greater self awareness and joy *Sex and Self-Ownership* Jesse Wall, 2025-06-21 Since the criminal law acquits a person who mistakenly believed that another person consented to the sex that they forced upon them rape is not prohibited it is regulated to borrow Mackinnon's phrase This book is concerned with the legal category of the exculpatory mistaken belief in consent why this category ought to be narrowed and how it can be narrowed without departing from criminal law's retributive morality and principles of criminalisation The book calls for three reforms of the criminal law First sex itself should be a pro tanto wrong where consent can justify the wrong or a mistaken belief in consent can excuse the wrong Second consent ought to be defined in terms of the objective words and overt actions that express a subjective attitude Third whether the defendant had an exculpatory mistaken belief ought to be determined solely by having regard to the steps the defendant had taken to ascertain whether the complainant consented These calls are predicated on a range of philosophical inquiries including explanations of how all sex instrumentalizes and objectifies another person how consent performs of trilogy of functions by representing a choice expressing a person's interests and by empowering a person to change their normative relationship with another person how a person can be blameworthy for acting against moral reasons even when they were unaware those reasons applied to their moral situation and how we can have a justified belief in the mental state of another person **Sex for Christians** Lewis B. Behold the Man Harold Burke-Sivers,2015-08-17 Lucid and inspiring Behold the Man is a unique exploration of Catholic spirituality for men Much of the literature written for Catholic men focuses on topical issues such as fatherhood and sexuality While this book does not exclude these subjects it is the first to present a comprehensive picture of Catholic male spirituality What is authentic male Catholic spirituality What distinguishes it from Protestant male spirituality How does masculine spirituality complement feminine spirituality These questions and many more are answered in this book Drawing from Scripture and Church teaching the author roots Catholic male spirituality in a covenant relationship with God and the cross of Jesus Christ He demonstrates that when a man embraces the cross he is truly able to be himself the man that God created and calls him to be Behold the Man can deepen a man s experience of Christ and help him to know the Lord more intimately

John Paul II on the Vulnerable Jeffrey Tranzillo, 2013 Pope John Paul II was a great defender of truly vulnerable human beings throughout his life affirming their personhood consistently and powerfully In John Paul II on the Vulnerable Jeffrey Tranzillo provides a lucid introduction

to John Paul II's philosophical and theological understanding of the human person. Unlike other writings on the topic, Tranzillo's explicit aim is to highlight an aspect of John Paul's work that has been largely neglected until now. He shows convincingly that John Paul's seminal reflections on the human being as a personal agent progressed over time to include human beings at even the most vulnerable stages of development or decline. With this advance in thought, the pontiff began to declare eloquently that the vulnerable are capable of contributing to and enriching the human community through their activity. An engaging overview of John Paul II's life, thought, and work introduces the book and provides readers with helpful background material. It shows that John Paul's interest in and lofty regard for the human person is rooted in his strong Catholic faith and in the extraordinary life experiences that he interpreted in its light. Following this is an examination of his principal works on the human person, emphasizing their implications for vulnerable human beings as persons and actors. Tranzillo considers this theme in the light of selected Christological texts of John Paul II and then reflects on John Paul's portrayal of the vulnerable in his social encyclicals and *Evangelium Vitae*. A final chapter develops the anthropological underpinnings of John Paul's thought on the radically vulnerable and their personal agency.

ABOUT THE AUTHOR Jeffrey Tranzillo received his Ph.D. in systematic theology from the Catholic University of America and has taught at both the undergraduate and graduate levels.

PRAISE FOR THE BOOK This is a masterful work, one of the very best books I have read exploring the thought of John Paul II. Jeffrey Tranzillo provides a compelling and theologically rich account of John Paul II's Christian anthropology, showing how it grounds his understanding of the inalienable dignity of every human being, particularly the vulnerable.

Elements of John Paul II's papacy may fade with time, but this extraordinary book keeps the pope's enduring philosophical and theological insights glowingly alive. Thomas G. Guarino, Professor of Systematic Theology, Seton Hall University
