The Erotic Screen Thomas Wolman, 2020-02-28 The Erotic Screen takes as its starting point that Hollywood movies were steeped in eroticism from the beginning but censorship forced filmmakers to devise hidden sexual subtexts to preserve a film's subliminal eroticism In this way Hollywood films seed our

collective psyches with unconscious subtexts Science fiction films are particularly effective using horror to induce sexual excitement as studied in Part I The nature of desire in a trio of science fiction thrillers Another device was to display unrestricted consumption of alcohol and tobacco and gratuitous spending Today this is a cliché of mainstream cinema but some filmmakers expose the dark underbelly The five films scrutinized in Part II Portraits of addiction in Hollywood melodrama make explicit the connections between greed addictions and sexuality Finally in Part III Perverse desire in mainstream cinema the nuanced position toward the psychosexual obsessions on view in the films is investigated by posing the provocative question of whether S M practice can work as a cure for psychic suffering by raising the alarm over sexuality run amok in a suburban community and by offering a devastating critique of voyeurism's fatal attraction to viewers The Erotic Screen is an investigation of the nature of human sexuality through the medium of film It stirs up discussion and debate and helps these movies live on in our minds

Danish Mothers On-Screen Djuna Hallsworth, 2021-11-19 This book combines content analysis of film and television cases the examination of policy documents and first hand interview material with Danish industry professionals tracing the pivotal moments in media and welfare state history to unite these two overlapping spheres welfare state social policy and media imagery In doing so it addresses a gap in existing academic and policy documents to demonstrate how motherhood and femininity are presented in contemporary state supported Danish screen fiction As an industry premised on state funding and

public service values Danish screen fiction plays a cogent role in shaping and communicating cultural norms and provides a space for the cultivation of belonging and a sense of a shared identity For this reason it is vital to identify and examine representational trends and patterns in popular media formats This book argues that the political narrative of gender equality democracy and universal social support that permeates Danish state policy is undermined in screen fiction wherein working mother characters are problematised and the welfare system's integrity is challenged This book asserts that the framing of femininity motherhood and citizenship in many contemporary Danish films and television dramas indicates a cultural concern about the welfare state's institutionalisation of caregiving and presents absent mothers as an indirect cause of crime trauma or social unrest

Film and Sexual Politics Kylo-Patrick R. Hart, 2009-01-14 *Film and Sexual Politics A Critical Reader* features a variety of noteworthy critical essays that explore the evolution representation and social construction of sex gender and sexual orientation from the early days of cinema to the early twenty first century This collection investigates the complex relations between film form style and sexual politics past and present as well as the

ideological and social ramifications of those relations for the lived realities of individuals in the United States over the course of the twentieth century and beyond. Contrary to popular perceptions of films as relatively simplistic forms of entertainment, the essays in this collection demonstrate clearly how the act of producing meaning through the use of cinematic verbal and visual signs is far from a simple process with negligible historical consequences. This book offers insightful and satisfying reading to established and emerging scholars who explore film history, theory, and criticism, as well as to all readers with a general interest in film history and the effects of cinema on individuals and popular culture. The range of films analyzed includes *Being John Malkovich*, *Citizen Kane*, *Elizabeth*, *Female Perversions*, *From Here to Eternity*, *Gidget*, *The Incredible Shrinking Man*, *Jackass the Movie*, *The Matrix*, *Maurice*, *My Own Private Idaho*, *Porcile*, *The Road to Ruin*, and *Wilde*. *Making Sex Public and Other Cinematic Fantasies* Damon R. Young, 2018-10-04

Beginning in the late 1950s, representations of and narratives about sex proliferated on French and U.S. movie screens. Cinema began to display forms of sexuality that were no longer strictly associated with domesticity nor limited to heterosexual relations between loving couples. Women's bodies and queer sexualities became intensely charged figures of political contestation, aspiration, and allegory central to new ways of imagining sexuality and to new liberal understandings of individual freedom and social responsibility. In *Making Sex Public*, Damon R. Young tracks the emergence of two conflicting narratives: on the one hand, a new model of sex as harmoniously integrated into civic existence; on the other, an idea of women's and queer sexuality as corrosive to the very fabric of social life. Taking a transatlantic perspective from the late 50s through the present, from *And God Created Woman* and *Barbarella* to *Cruising* and *Shortbus*, Young argues that cinema participated in the transformation of the sexual subject while showing how women and queers were both agents and objects of that transformation.
