Sex Spirit And Community:

Sex, Spirit and Community Mark Josephs-Serra, 2000 *Sex in Canada* Tina Fetner, 2024-02-14 What do we do in the bedroom Do other people do the same How often Who with Movies and the internet seem saturated in sex but it s difficult to separate fact from fiction and real talk about our own sexual lives can feel uncomfortable Sex in Canada pulls the covers off breaking through myths with frank talk and hard facts Tina Fetner delves into sex among singles and couples marriage and monogamy hooking up and committed relationships guided by the results of her one of a kind survey of adults aged eighteen to ninety She shows us how the social forces that shape our lives also nudge our sexual behaviour into patterns that reflect the world around us In applying the tools of social science to a formerly taboo topic Sex in Canada offers the most accurate picture to date not just of Canadians sex lives but of why we act the way we do **Trans Sex** Lucie Fielding, 2025-10-23 This radically re visioned and expanded edition of Trans Sex offers a joyously pleasure centered approach to nurturing trans erotic embodiment and finding gender pleasure in the body Trans Sex challenges limiting models of gender affirming care that focus on resolving gender dysphoria and preserving sexual function or highlight sexual losses that may arise as a result of transition pathways Grounded in social justice somatics and queer theory this book offers a pleasure positive approach to working with trans and gender expansive individuals Building on the groundbreaking concepts introduced in the award winning first edition the second edition features new frameworks such as gender pleasure and a fresh set of experiential activities and illustrative vignettes to bring theory to practice The final chapter features a new set of contributing trans and gender expansive authors who work at the intersections of sexuality and gender This book is designed to be accessible to a range of readers Mental health and medical providers will be able to harness creative strategies to enhance their practice and become more imaginative ethically curious providers Trans and gender expansive folks and allies will find tools and strategies for queering sex circumventing limiting understandings of the erotic and opening a potential universe of pleasure that celebrates the polymorphous perversity of our bodies [The Oxford Handbook of Sexual and Gender Minority Mental Health](#) Esther D. Rothblum, 2020-06-30 The Oxford Handbook of Sexual and Gender Minority Mental Health provides a comprehensive and authoritative review of research on the mental health of sexual minorities defined as those who identify as lesbian gay bisexual queer or same gender attracted as well as the mental health of gender minorities defined as individuals who do not fully identify with their sex assigned at birth including people who are transgender or gender non binary The twenty first century has seen encouraging improvements in sampling methods and funding opportunities for research with sexual and gender minority SGM populations nevertheless a key purpose of this Handbook is to identify lingering gaps in research in order to motivate future scientists to expand knowledge about SGM mental health The volume begins with a historical overview followed by sections on mental health categories diagnoses such as anxiety trauma eating disorders and suicide and specific sexual and gender minority populations including examinations of diverse ethnicities and

orientations identities The handbook concludes with chapters on stigma the role of resilience and future directions for research with SGM groups The volume is aimed at researchers conducting studies on the mental health of SGM populations clinicians and researchers interested in psychiatric disorders that affect SGM populations clinicians using evidence based practice in the treatment of SGM patients clients students in mental health programs clinical psychology psychiatry clinical social work and psychiatric nursing and policy makers

Spiritual Healing from Sexual Violence Debra Meyers, Mary Sue Barnett, 2023-05-18 Spiritual Healing from Sexual Violence An Intersectional Guide is a collection of essays from survivors scholars activists spiritual leaders and social justice practitioners that offers numerous intersectional and culturally competent options for women men and non binary conforming adults to create their own safe healing conditions and establish pathways for recovery These chapters provide a wide range of survival stories that raise awareness of the issues involved in healing after sexual assault and also provide inspiration for reforming negative societal issues and patterns In a classroom setting these chapters deliver both the culturally grounded knowledge and the skillsets necessary for recovery This is a vital guide for students and practitioners in counseling social work theology and gender studies

Sex and Spirit Clifford Bishop, 1997

Sex Offenders, Stigma, and Social Control Diana Rickard, 2016-07-12 The 1990s witnessed a flurry of legislative initiatives most notably Megan's Law designed to control a population of sex offenders child abusers widely reviled as sick evil and incurable In *Sex Offenders Stigma and Social Control* Diana Rickard provides the reader with an in depth view of six such men exploring how they manage to cope with their highly stigmatized role as social outcasts The six men discussed in the book are typical convicted sex offenders neither serial pedophiles nor individuals convicted of the type of brutal act that looms large in public perceptions about sex crimes *Sex Offenders Stigma and Social Control* explores how these individuals who have been cast as social pariahs construct their sense of self How does being labeled in this way and controlled by measures such as Megan's Law affect one's identity and sense of social being Unlike traditional criminological and psychological studies of this population this book frames their experiences in concepts of both deviance and identity asking how men so highly stigmatized cope with the most extreme form of social marginality Placing their stories within the context of the current culture of mass incarceration and zero tolerance Rickard provides a deeper understanding of the complex relationship between public policy and lived experience as well as an understanding of the social challenges faced by this population whose re integration into society is far from simple or assured *Sex Offenders Stigma and Social Control* makes a significant contribution to our understanding of sex offenders offering a unique window into how individuals make meaning out of their experiences and present a viable not monstrous social self to themselves and others

Encyclopedia of Sex and Sexuality Heather L. Armstrong, 2021-03-01 Providing a comprehensive framework for the broad subject of human sexuality this two volume set offers a context of historical development scientific discovery and sociopolitical and sociocultural movements The broad topic of sex encompassing subjects as varied as sexuality sexual and

gender identity abortion and such crimes as sexual assault is one of the most controversial in American society today This two volume encyclopedic set provides readers with more than 450 entries on the subject offering a comprehensive overview of major sexuality issues in American and global culture Themes that run throughout the volumes include sexual health and reproduction sexual identity and orientation sexual behaviors and expression the history of sex and sexology and sex and society Entries cover a breadth of subjects such as the major contributors to the field of sexology the biological psychological and cultural dimensions of sex and sexuality and how the modern day political climate and the government play a major role in determining attitudes and beliefs about sex Written in clear jargon free language this set is ideal for students as well as general readers *Sex Was God's Idea* Dean Robertson,2023-01-18 Heretic a person who differs in opinion from established religious dogma Well this is clearly a convincing look at a subject that differs in opinion from established religious dogma Lust marriage sex prostitution concubines a wondering eye sin fornication church history and other previously lustful taboo topics are bravely and carefully exposed in the light of Bible passages This timely work is a scriptural look at long held Christian doctrine that makes good sense It will stretch your mind and may well bring peace to other wise troubled and tormented souls It is backed point by point by considerable scriptures without stretching it and it may well leave you saying I have always suspected that The author lays out clear repeated biblical evidence after clear repeated biblical evidence that the Christian world has rarely had the courage to look at and still not throw the baby out with the bath water on this topic Dive into this well presented book and you may well be the recipient of the author s desire to set men and women free from guilt and bondage concerning sex and marriage Father Bernard Hemmingsworth retired World Wide Anglican Communion 2

Sex and God Linda Hurcombe,2014-10-03 These stories essays and poems by women examine the connections feminists are making between sex and God The women write from very different perspectives cutting across the spectrum of feminist writing about sexuality and spirituality within the Judeo Christian tradition Some writers though critical are determined to retain their radicality in the very teeth of patriarchy by remaining within the traditional forms of faith Others impatient suggests the editor with the great inseminator in the sky have moved on to what might be described as a post patriarchal spirituality Contributions indicate the exciting spiritual journeys women are currently making and focus on the following areas monogamy and promiscuity sex politics and spirituality childbirth sex and healing in dying feminist sexual psychology lesbian identity and feminist embodied theology The recent and continuing debate about women priests in the Anglican church uneasily echoes the rumblings of change at a fundamental level in the relationship between women and religion This book with its reflections on both the politics of Christian feminism and the more widespread expression of women s spirituality makes an important contribution to that change First published in 1987 **Sex and Marriage in Utopian Communities** Raymond Lee Muncy,1974 **Learn, Teach, Challenge** Deanna Reder,Linda M. Morra,2016-07-15 This is a collection of classic and newly commissioned essays about the study of Indigenous literatures in North America The

contributing scholars include some of the most venerable Indigenous theorists among them Gerald Vizenor Anishinaabe Jeannette Armstrong Okanagan Craig Womack Creek Kimberley Blaeser Anishinaabe Emma LaRocque M tis Daniel Heath Justice Cherokee Janice Acoose Saulteaux and Jo Ann Episkenew M tis Also included are settler scholars foundational to the field including Helen Hoy Margery Fee and Renate Eigenbrod Among the newer voices are both settler and Indigenous theorists such as Sam McKegney Keavy Martin and Niigaanwewidam Sinclair The volume is organized into five subject areas Position the necessity of considering where you come from and who you are Imagining Beyond Images and Myths a history and critique of circulating images of Indigenousness Debating Indigenous Literary Approaches Contemporary Concerns a consideration of relevant issues and finally Classroom Considerations pedagogical concerns particular to the field Each section is introduced by an essay that orients the reader and provides ideological context While anthologies of literary criticism have focused on specific issues related to this burgeoning field this volume is the first to offer comprehensive perspectives on the subject

The Sexual Politics of Empire Erin L. Durban, 2023-02-28 Winner in the LAMMY Awards Lambda Literary Awards LGBTQ Studies category Evangelical Christians and members of the global LGBTQI human rights movement have vied for influence in Haiti since the 2010 earthquake Each side accuses the other of serving foreign interests Yet each proposes future foreign interventions on behalf of their respective causes despite the country s traumatic past with European colonialism and American imperialism As Erin L Durban shows two discourses dominate discussions of intervention One maintains imperialist notions of a backward Haiti so riddled with cultural deficiencies that foreign supervision is necessary to overcome Haitians resistance to progress The other sees Haiti as a modern but failed state that exists only through its capacity for violence including homophobia In the context of these competing claims Durban explores the creative ways that same sex desiring and gender creative Haitians contend with anti LGBTQI violence and ongoing foreign intervention Compelling and thought provoking The Sexual Politics of Empire examines LGBTQI life in contemporary Haiti against the backdrop of American imperialism and intervention

Queer Excursions Lal Zimman, Jenny Lynn Davis, Joshua Raclaw, 2014 Across scholarship on gender and sexuality binaries like female versus male and gay versus straight have been problematized as a symbol of the stigmatization and erasure of non normative subjects and practices The chapters in Queer Excursions offer a series of distinct perspectives on these binaries as well as on a number of other less immediately apparent dichotomies that nevertheless permeate the gendered and sexual lives of speakers Several chapters focus on the limiting or misleading qualities of binaristic analyses while others suggest that binaries are a crucial component of social meaning within particular communities of study Rather than simply accepting binary structures as inevitable or discarding them from our analyses entirely based on their oppressive or reductionary qualities this volume advocates for a re theorization of the

binary that affords more complex and contextually grounded engagement with speakers own orientations to dichotomous systems It is from this perspective that contributors identify a number of diverging conceptualizations of binaries including those that are non mutually exclusive those that liberate in the same moment that they constrain those that are imposed implicitly by researchers and those that re contextualize familiar divisions with innovative meanings Each chapter offers a unique perspective on locally salient linguistic practices that help constitute gender and sexuality in marginalized communities As a collection Queer Excursions argues that researchers must be careful to avoid the assumption that our own preconceptions about binary social structures will be shared by the communities we study
