Vampire Slayer and the Left Behind series are but the latest manifestations of American teenagers longstanding fascination with the supernatural and the paranormal In this groundbreaking book Lynn Schofield Clark explores the implications of this fascination for contemporary religious and spiritual practices Relying on stories gleaned from more than 250 in depth interviews with teens and their families Clark seeks to discover what today s teens really believe and why She finds that as adherence to formal religious bodies declines interest in alternative spiritualities as well as belief in superstition grow accordingly Ironically she argues fundamentalist Christian alarmism about the forces of evil has also fed belief in a wider array of supernatural entities Resisting the claim that the media brainwash teens Clark argues that today s popular stories of demons hell and the afterlife actually have their roots in the U S s religious heritage She considers why some young people are nervous about supernatural stories in the media while others comfortably and often unselfconsciously blur the boundaries between those stories of the realm beyond that belong to traditional religion and those offered by the entertainment media At a time of increased religious pluralism and declining participation in formal religious institutions Clark says we must completely reexamine what young people mean and what they may believe when they identify themselves as spiritual or religious Offering provocative insights into how the entertainment media shape contemporary religious ideas and practices From Angels to Aliens paints a surprising and perhaps alarming portrait of the spiritual state of America s youth

battle between Satan and human beings began in the Garden of Eden and continues to this day Running conflicts between Christians and the dark lords perfected the skill and cunning of mankind s most dreaded enemies as the pages of history steadily advanced The endless acts of madness and insanity that broadcast themselves through everything from the major media to neighborhood conversations continually reveal that Satan and his demonic legions have indeed crowned themselves in the knighthood of evil The imminent emergence of the third Elijah and the dwindling time that precedes the Second Coming of Jesus will escalate the battle to its climactic conclusion Your survival will largely depend on your ability to learn to battle the evil monstrosities that will seek the destruction of all mankind an ability that can only come through the knowledge provided by God Neutrality and indifference will not protect you In the years that remain prior to the Second Coming of Jesus nature and many human beings will seemingly go insane as the evil ones throw every last desperate punch It will indeed be a time of fear and dread such as has never been seen in the history of mankind Christian Counseling and Occultism (Koch)
