Smithsonian Stories Wilton S. Dillon, 2015-01-08 Why is the Smithsonian more than the Nation's Attic Or more than a museum complex As Wilton S Dillon shows the Smithsonian came to be the institution we know today under the twenty year leadership of Sun King S Dillon Ripley Ripley aspired to reinvent the Smithsonian as a great university with museums Although little understood by the public at large it began as a basic research center The Smithsonian remains a key contributor to the world of higher learning and functions diplomatically as the ministry of culture for the United States Dillon provides backstage insights into Ripley's quest for the wholeness of knowledge He describes how he inspired its role as a theater of ideas as well as artifacts Under his tutelage the National Mall became a playground for world intelligentsia an intellectual free trade zone in the shadow of the nation's political capital Dillon reminds us that interdisciplinary international Smithsonian symposia foreshadowed twenty first century issues and trends His descriptions of the educational rewards of balancing tradition with the avant garde are inspiring As Dillon reminds us Ripley's twenty year reign may well have helped spark the waning embers of the Enlightenment
