Matters of the Heart Wendell Phillips, 2011-11 In the early years of my adult life I found myself face to face with Matters of the Heart Various life changing situations revealed feelings of extreme loneliness conditional love and indescribable rejection These situations had me going as far as questioning my own self worth and as a result I felt the need to pen my every emotion feeling and state of being it was during this time I felt the urging need not to fall victim to rejection s trance As I began to heal and metamorphosis out of a state of pain hurt and depression and into true unadulterated happiness unconditional love and a heart and mind that is in alignment with the true lover of my soul I began to believe in love once again Assembled before you is a collection of poetic thought provoking poems that will surely pierce the deepest crevices of the heart It is my hope that you will find yourself once again believing in love No words can express how talented you truly are You make the words come to life Sends chills down my spine Benita M Yes sir Share the gift that God has given you You are a wordsmith and you have an uncanny control over language Thank you for allowing me to experience it Can t wait for more God Bless Brandon R Writing is inspirational It can carry us through pain and rejoice with us in times of happiness Matters of the heart is an example of such It allows you to explore your feelings and gives others the opportunity to take that journey with you Dana C Awesome man George T **Create Your Ideal Career** Steve Supple, **The Complete Christie** Matthew Bunson, 2000-09 Painstakingly researched this illustrated reference captures the spirited

A New Vision of God for the 21st Century Stanley A. Fry, 2005-11 A New Vision of God for the 21st Century Discovering the Essential Wesley for Pastors and Other Seekers STANLEY A FRY The need for a book focused on John Wesley as a preacher has been apparent for some time However as fascinating as such an historical work would have been its value for the preaching and teaching ministries of the church in the 21st century would have been very limited The author has turned this study of Wesley s preaching into a search for the preachable and teachable essence of Wesley s message That effort has required a bit of surgery on Mr Wesley which is designed to fit his doctrine of salvation with a new vision of God and another vocabulary responsive to the spiritual sensitivities of the 21st century The result includes a critique not only of Wesley but of some of the orthodox doctrines promulgated very early in the church s history Rather than write a memoir in his retirement the author has chosen to write this homiletical essay as a testimony to his own spiritual journey It is not a method book but rather a message book *Vision* ,1908 *The Vision of Purgatory, Anno 1680* Edward Pettit,1680 The Vision of Gold and Other Poems Lillian Rozell Messenger,1886 **The Knickerbocker** ,1853
