Real Worlds Of Canadian Politics

Sarah Kenehan, Corey Katz

Real Worlds Of Canadian Politics:

In Search of Canadian Political Culture Nelson Wiseman, 2011-11-01 What do we really mean by phrases such as western Canadian political culture the centrist political culture of Ontario Red Toryism in the Maritimes or Prairie socialism What historical geographical and sociological factors came into play as these cultures were forged In this book Nelson Wiseman addresses many such questions offering new ways of conceiving Canadian political culture The most thorough review of the national political ethos written in a generation In Search of Canadian Political Culture offers a bottom up regional analysis that challenges how we think and write about Canada

Political Communication in Canada Alex Marland, Thierry Giasson, Tamara A. Small, 2014-09-21 Changes in technology and media consumption are transforming the way people communicate about politics Are they also changing the way politicians communicate to the public Political Communication in Canada examines the way political parties politicians interest groups the media and citizens are using new tactics tools and channels to disseminate information and also investigates the implications of these changes Drawing on recent examples contributors review such things as the branding of the New Democratic Party how Stephen Harper's image is managed and politicians use of Twitter They also discuss the evolving role of political journalism including media coverage of politics and how Canadians use the Internet for political discussions In an era when political communication from political marketing to citizen journalism is of vital importance to the workings of government this timely volume provides insight into the future of Canadian democracy

Principles of Justice and Real-World Climate Politics Sarah Kenahan, Corey Katz, 2021-11-26 There is a major divide between the work of normative theorists and concrete climate action or inaction politics and policies In this volume authors tackle the strained relationships between principles of justice and climate politics by responding to real world climate politics and policies offering proposals and analyses that take concerns of feasibility seriously and identifying immediate justice and feasibility concerns with recent proposals for climate action Contributors look at questions of feasibility as they relate to specific international institutions like the IPCC and UNFCCC and widely discussed principles of climate justice including backward looking principles like polluter pays and forward looking principles like ability to pay Others explore the feasibility hurdles and justice concerns that challenge popular mitigation proposals These international and interdisciplinary contributors re think the ways the principles of climate justice should be applied speaking to students research scholars activists and policymakers

Politics and Ideology in Canada Michael Ornstein, Michael Stevenson, 2003-02-18 Winner of the Harold Adams Innis Prize Politics and Ideology in Canada examines a period of crucial historical change in Canada beginning in the mid 1970s when the crisis of the Keynesian welfare state precipitated a transition to a new political order based on the progressive downsizing of state involvement in the economy and society Using class and ideology as key concepts Michael Ornstein and Michael Stevenson examine this transition in terms of the nature of hegemony and hegemonic crisis and the conditions of political order and instability These concepts guide the

interpretation of three large surveys of representative samples of the Canadian public and two unique elite surveys conducted between 1975 and 1981 The surveys cover an exceptionally broad spectrum of political issues including social programs civil and economic rights economic policy foreign ownership labour relations and language issues and sovereignty A wide ranging analysis of public and elite attitudes reveals a hegemonic order through the early 1980s built around public support for the institutions of the Canadian welfare state But there was also widespread public alienation from politics Public opinion was quite strongly linked to class but not to party politics Regional variation in political ideology on a broad range of issues was less pronounced than differences between Quebec and English Canada Much deeper ideological divisions separated the elites with a dramatic polarization between corporate and labour respondents State elites fell between these two though generally more favourable to capital The responses of the business elites reveal the ideological roots of the Mulroney years in support for cuts in social programs free trade privatization and deregulation

Canada in the World

Richard Albert, David R. Cameron, 2017-11-02 In this volume marking the Sesquicentennial of Confederation in Canada leading scholars and jurists discuss the evolution of the Canadian Constitution since the British North America Act 1867 the role of the Supreme Court in interpreting the Constitution as a living tree capable of application to new legal issues and the growing influence of both the Constitution with its entrenched Charter of Rights and Freedoms and the decisions of the Court on other constitutional courts dealing with a wide range of issues pertaining to human rights and democratic government The contributors assess how the Canadian Constitution accommodates the cultural diversity of the country's territories and peoples while ensuring the universal applicability of its provisions the role of the Court in interpreting and applying the Constitution and the growing global influence of the Constitution and decisions of the Court on legislatures and courts in other countries

The United States and Canada Paul J. Quirk, 2019 The United States and Canada share the longest border in the world maintain one of the closest alliances and are notably similar in many ways Yet the two countries also have important differences including sharply contrasting political institutions In *The United States and Canada* Paul J. Quirk has gathered a distinguished cast of contributors to present an integrated comparative examination of the political systems of the United States and Canada with special attention to the effects of political institutions and their interaction with political values geographic and demographic factors and other influences The volume explores the differences between the American presidential or separation of powers system and the Canadian parliamentary system focusing on electoral and party systems executive leadership and the legislative process bureaucratic influence and federalism It proceeds to examine patterns of governance in a wide range of issue areas economic policy climate change policy healthcare policy civil rights integration and immigration and abortion and gay rights A sweeping comparative account this volume serves as an authoritative guide for anyone interested in why the two countries differ and where they might be headed

The Politics of Abortion in the United States and Canada Raymond Tatalovich, 1997 Tatalovich political science Loyola U continues his

studies on moral conflicts in public policy by examining the differences and similarities by which Canadian and US governments political parties and activists have addressed the issue of abortion He discusses the history of the conflict since the 1950s judicial activism and legislative responses public opinion party politics and elections and federalism and the implementation problem Having proposed models of a politicized America and depoliticized Canada he concludes by comparing social convergence and institutional divergence Paper edition 418 7 21 95 Annotation copyrighted by Book News Inc Portland OR

Provinces Christopher Dunn, 2006-08-01 Provinces is both a study of Canadian provincial government and a review of comparative politics As such it represents a long overdue return to the comparative tradition with its emphasis on subject specific studies across the country The chapters in this revised edition of Provinces each of which has been written for the book by a leading scholar are arranged according to four major sections political life institutions public administration and public policy making the book highly suitable for those interested in areas beyond provincial politics At the same time the adopted comparative approach reveals a wealth of insight into Canadian politics at the beginning of the new millennium This new edition covers some of the vital concerns of our time a disquiet about the quality of democracy concern about women's place in provincial societies interest in the nature and potential of governance in the north unease on the question of the fiscal imbalance between all orders of government a sensitivity to the needs of cities and communities assessment of the retrenchment of the state and consideration of the policy futures influenced by the changing demography of the provinces Special Combined Price Provinces second edition may be ordered together with The Provincial State in Canada Politics in the Provinces and Territories at a special discounted price In order to secure the package price the following ISBN must be used when ordering 978 1 55402 587 9

The Government Taketh Away Leslie A. Pal, R. Kent Weaver, 2003-04-01 Democratic government is about making choices Sometimes those choices involve the distribution of benefits At other times they involve the imposition of some type of loss a program cut increased taxes or new regulatory standards Citizens will resist such impositions if they can or will try to punish governments at election time The dynamics of loss imposition are therefore a universal if unpleasant element of democratic governance The Government Taketh Away examines the repercussions of unpopular government decisions in Canada and the United States the two great democratic nations of North America Pal Weaver and their contributors compare the capacities of the U S presidential system and the Canadian Westminster system to impose different types of losses symbolic losses gun control and abortion geographically concentrated losses military base closings and nuclear waste disposal geographically dispersed losses cuts to pensions and to health care and losses imposed on business telecommunications deregulation and tobacco control Theory holds that Westminster style systems should all things being equal have a comparative advantage in loss imposition because they concentrate power and authority though this can make it easier to pin blame on politicians too The empirical findings of the cases in this book paint a more complex picture Westminster systems do appear to have some robust abilities to impose

losses and US institutions provide more opportunities for loss avoiders to resist government policy in some sectors But in most sectors outcomes in the two countries are strikingly similar *The Government Taketh Away* is essential for the scholar and students of public policy or comparative policy It is also an important book for the average citizen who wants to know more about the complexities of living in a democratic society where the government can give but how it can also sometimes painfully taketh away

The World in Canada David Bercuson, 2008-02-07 Just as Canada is increasingly at home in the world the world is increasingly finding a home in Canada *The World in Canada* confronts three questions What are the implications of the dramatic and sustained shift in the Canadian ethnic mosaic for foreign policy In what ways do diasporas influence Canadian foreign policy What impact will and should Canada's demographic changes have on Canadian foreign policy in the long term

Real Worlds Of Canadian Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Real Worlds Of Canadian Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Real Worlds Of Canadian Politics has opened up a world of possibilities. Downloading Real Worlds Of Canadian Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Real Worlds Of Canadian Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Real Worlds Of Canadian Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Real Worlds Of Canadian Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Real Worlds Of Canadian Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Real Worlds Of Canadian Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Real Worlds Of Canadian Politics Books

1. Where can I buy Real Worlds Of Canadian Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Real Worlds Of Canadian Politics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Real Worlds Of Canadian Politics books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Real Worlds Of Canadian Politics audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Real Worlds Of Canadian Politics books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
