Diagnosing Management Training and Development

Needs Milan Kubr, Joseph Prokopenko, International Labour Office, 1989 Offers a conceptual framework and a compendium of techniques practical guide lines and tips for managers in both the public and private sectors and those involved in the management of large and small enterprises management centres and institutes The New Development Management Sadhvi Dar, Professor Bill Cooke, 2013-07-18 Development management is an idea that blends the seemingly innocuous claims of managerialism with notions of modernity and utopian ideals of third world progress This book views both phenomena as problematic and modernizing interventions In doing so it overturns and reclaims such ideas as participation community governance NGOs and civil society The contributors argue that the practices of development are often threaded together by the language of managerialism reports logframe encounters with the boss yet all of these serve to further development s disengagement from the mundane In voicing such concerns about the way development is going and about the encroachment of managerialism The New Development Management will breathe fresh life into post development debates **National Security Management, Integrated Logistic Support: From Concept to Reality** United States. Joint Chiefs of Staff, 1969 **Practical Guide of Software Development Project Management in Practice** Syed Ali Dilawer, **Value-driven Management for International Development and Aid Projects** Firas Izzat Mahmoud Saleh, Noorliza Karia, 2024-07-13 This book provides practical guidance on managing international development and aid projects for sustainability and lasting impact on the lives of vulnerable people around the globe Successful management of International development and aid projects is vital for the lives of people and communities in vulnerable contexts Given its significance the authors propose an adaptive project management model integrating the Core Humanitarian Standards and Total Quality Management practices based on the practical experience of a group of experts and practitioners in this industry This book is a valuable read for leaders of international non governmental organizations managers of international development projects practitioners in the non profit industry and academics and students in the non profit management field
