Reaping The Whirlwind The Taliban Movement In Afghanistan:

Reaping the Whirlwind Michael Griffin, 1998 The Legitimization Strategy of the Taliban's Code of Conduct Yoshinobu Nagamine, 2016-04-29 What norms and principles guide the Afghan Taliban in their conduct of hostilities The author focuses on the Layeha a Code of Conduct issued by the highest Taliban authority Interviews with Taliban members were conducted to understand their perception of the Layeha which is modeled as a one way mirror **Jihad as Grand Strategy** S. Paul Kapur, 2017 Since its inception in 1947 Pakistan has used Islamist militants to wage jihad and compensate for severe state weakness Although initially successful this strategy has become extremely dangerous In order to avoid catastrophe Pakistan will have to abandon it and thoroughly reconceptualize the Pakistani state The Taliban Mark Silinsky, 2014-04-17 Understand the complexities of the most lethal insurgent group of America s longest war the Taliban Battle hardened tribally oriented and deeply committed to its cause the Taliban has proven itself resourceful adaptable and often successful As such the Taliban presents a counterinsurgency puzzle for which the United States has yet to identify effective military tactics information operations and Coalition developmental policies Written by one of the Department of the Army s leading intelligence and military analysts on the Taliban this book covers the group s complete history including its formation ideology and political power as well as the origins of its current conflict with the United States The work carefully analyzes the agenda capabilities and support base of the Taliban forecasts the group s likely course of action to retake Afghanistan and details the Coalition forces probable counterinsurgency responses Author Mark Silinsky also reviews the successes and failures of the latest U S counterinsurgency doctrine to extrapolate the best strategies for future counterinsurgency campaigns **Drugs in Afghanistan** David Macdonald, 2007-01-20 Afghanistan is seen as a major drug producer but its own people are becoming the victims David Macdonald not only explores the reasons for this but also tells an addictive tale that is difficult to resist Shirazuddin Siddiqi BBC This stunning book provides a first hand account of the Afghan drug problem David Macdonald has written the definitive text on drugs in Afghanistan Professor Gerry Stimson Executive Director International Harm Reduction Association David Macdonald tells a story about the diversity of drug use in Afghanistan that no one has ever told before Ethan Nadelmann Executive Director Drug Policy Alliance New York Afghanistan is the world s largest producer of opium and heroin This book explores the devastating impact that the drugs trade has had on the Afghan people Author David Macdonald has worked as a drugs advisor to the UN Based on his extensive experience this book breaks down the myths surrounding the cultivation and consumption of drugs providing a detailed analysis of the history of drug use within the country He examines the impact of over 25 years of continuous conflict and shows how poverty and instability has led to an increase in drugs consumption He also considers the recent rise in the use of pharmaceutical drugs resulting in dangerous chemical cocktails and analyses the effect of Afghanistan s drug trade on neighbouring countries *Afghanistan, Arms and Conflict* Michael Vinay Bhatia, Mark Sedra, 2008-05-05 This is the first book to provide a comprehensive assessment

of small arms and security related issues in post 9 11 Afghanistan It includes case studies which reveal the findings of in depth field research on hitherto neglected regions of the country and provides a distinctive balance of thematic analysis conceptual models and empirical research Exploring various facets of armed violence and measures to tackle it the volume provides significant insight into broader issues such as the efficacy of international assistance the shadow economy warlordism and the Taliban led insurgency In an effort to deconstruct and demystify Afghanistan s alleged gun culture it also explores some of the prevailing obstacles and opportunities facing the country in its transition period In so doing the book offers valuable lessons to the state builders of Afghanistan as well as those of other countries and regions struggling to emerge from periods of transition This book will be of much interest to all students of Afghanistan small arms insurgency Asian Studies and conflict studies in general

The Threatening Storm Kenneth Pollack, 2003-03-25 In The Threatening Storm Kenneth M Pollack one of the world s leading experts on Iraq provides a masterly insider s perspective on the crucial issues facing the United States as it moves toward a new confrontation with Saddam Hussein For the past fifteen years as an analyst on Iraq for the Central Intelligence Agency and the National Security Council Kenneth Pollack has studied Saddam as closely as anyone else in the United States In 1990 he was one of only three CIA analysts to predict the Iraqi invasion of Kuwait As the principal author of the CIA s history of Iraqi military strategy and operations during the Gulf War Pollack gained rare insight into the methods and workings of what he believes to be the most brutal regime since Stalinist Russia Examining all sides of the debate and bringing a keen eye to the military and geopolitical forces at work Pollack ultimately comes to this controversial conclusion through our own mistakes the perfidy of others and Saddam s cunning the United States is left with few good policy options regarding Iraq Increasingly the option that makes the most sense is for the United States to launch a full scale invasion eradicate Saddam s weapons of mass destruction and rebuild Iraq as a prosperous and stable society for the good of the United States the Iraqi people and the entire region Pollack believed for many years that the United States could prevent Saddam from threatening the stability of the Persian Gulf and the world through containment a combination of sanctions and limited military operations Here Pollack explains why containment is no longer effective and why other policies intended to deter Saddam ultimately pose a greater risk than confronting him now before he gains possession of nuclear weapons and returns to his stated goal of dominating the Gulf region It is often said that war should be employed only in the last resort Pollack writes I reluctantly believe that in the case of the threat from Iraq we have come to the last resort Offering a view of the region that has the authority and force of an intelligence report Pollack outlines what the leaders of neighboring Arab countries are thinking what is necessary to gain their support for an invasion how a successful U S operation would be mounted what the likely costs would be and how Saddam might react He examines the state of Iraq today its economy its armed forces its political system the status of its weapons of mass destruction as best we understand them and the terrifying security apparatus that keeps Saddam in power Pollack also analyzes the last twenty

years of relations between the United States and Iraq to explain how the two countries reached the unhappy standoff that currently prevails Commanding in its insights and full of detailed information about how leaders on both sides will make their decisions The Threatening Storm is an essential guide to understanding what may be the crucial foreign policy challenge of our time

Militancy and Political Violence in Shiism Assaf Moghadam, 2011-11-28 This book is the first systematic assessment of current trends and patterns of militancy in Shii communities in the Middle East and South Asia specifically in Iran Iraq but also in Lebanon Saudi Arabia Pakistan Afghanistan Kuwait and Bahrain More than thirty years after the Islamic Revolution in Iran there are signs of a growing assertiveness on the part of Shii actors at times erupting into political violence The book addresses two key questions What trends emerge in the types of militancy Shii actors employ both inside and outside of the Shii heartland And what are the main drivers of militancy in the Shii community The editor concludes that although at present Shii assertiveness does not take on a predominantly militant form a subculture of violence does exist among most Shii communities examined here and suggests five key drivers of political violence among Shiis the impact of Iran nationalism and anti imperialism Shii self protection and communal advancement mahdism and organizational dynamics This book will be of great interest to students and researchers of terrorism studies and political violence war and conflict studies and IR Security Studies in general

War, Exile and the Music of Afghanistan John Baily, 2016-09-01 In the 1970s John Baily conducted extensive ethnomusicological research in Afghanistan principally in the city of Herat but also in Kabul Then with Taraki's coup in 1978 came conflict war and the dispersal of many musicians to locations far and wide This new publication is the culmination of Baily's further research on Afghan music over the 35 years that followed This took him to Afghanistan Pakistan Iran the USA Australia and parts of Europe London Hamburg and Dublin Arranged chronologically the narrative traces the sequence of political events from 1978 through the Soviet invasion to the coming of the Taliban and finally the aftermath of the US led invasion in 2001 He examines the effects of the ever changing situation on the lives and works of Afghan musicians following individual musicians in fascinating detail At the heart of his analysis are privileged vignettes of ten musical personalities some of friends and some newly discovered The result is a remarkable personal memoir by an eminent ethnomusicologist known for his deep commitment to Afghanistan Afghan musicians and Afghan musical culture John Baily is also an ethnographic filmmaker Four of his films relating to his research are included on the downloadable resources that accompanies the text

A Brief History of Helmand,
