Reason And Religion Or The Grounds And Measures Of:

A Philosophy of Religion, or, the Rational grounds of religious belief John BASCOM,1876 **Freedom and Purpose** Flora Isabel MacKinnon,James Henry Dunham,William Davis Furry,1916 *An Enquiry concerning the Grounds and Reasons, or what those Principles are, on which two of our anniversary solemnities are founded: viz. that on the 30th of January, being the day of the martyrdom of King Charles the First ... and that on the 5th of November, being the day of our deliverance from Popery and slavery by the happy arrival of his late Majesty King William the Third ... To which is added, The Sufficiency of Reason in matters of Religion, farther considered, etc* Thomas CHUBB (Deist.),1732 Philosophical Monographs ,1908 The Princeton University Bulletin Francis Landey Patton,Howard Crosby Butler,Varnum Lansing Collins,1896 The Aesthetic Experience William Davis Furry,1908 **A Rational Account of the Grounds of Protestant Religion** Edward Stillingfleet,1665 **Princeton College Bulletin** ,1893 **Early English Books, 1641-1700** University Microfilms International,1990 Religious Commitment and Secular Reason Robert Audi,2000-03-13

Many religious people are alarmed about features of the current age violence in the media a pervasive hedonism a marginalization of religion and widespread abortion These concerns influence politics but just as there should be a separation between church and state so should there be a balance between religious commitments and secular arguments calling for social reforms Robert Audi offers a principle of secular rationale which does not exclude religious grounds for action but which rules out restricting freedom except on grounds that any rational citizen would accept The book describes the essential commitments of free democracy explains how religious and secular moral considerations can be integrated to facilitate co operation in a world of religious pluralism and proposes ideals of civic virtue that express the mutual respect on which democracy depends Audi offers a balanced and sophisticated treatment of the relations between religion and politics in a modern secular society **Fifteen sermons preached before the University of Oxford** John Henry Newman,1900

Fifteen Sermons Preached Before the University of Oxford, Between A.D. 1826 and 1843 Saint John Henry Newman,1880
The Works of Cardinal Newman: Fifteen sermons preached before the University of Oxford, between A.D. 1826 and 1843. 1918 John Henry Newman,1918 The Grounds of Refugee Protection in the Context of International Human Rights and Humanitarian Law Mark R. von Sternberg,2021-10-25 This volume examines the ways in which human rights and humanitarian law have influenced the development of the refugee definition as interpreted in the United States and Canada Analysis focuses on how these two significant jurisdictions have addressed refugee protection in a modern context The problem areas discussed include persecution during periods of upheaval resistance to the State in times of civil war opposition to coercive family planning programs and the diverse issues raised by gender based asylum claims The view is advanced that the grounds of refugee protection are not fixed but parallel discriminatory social and political attitudes towards defined groups The study also advocates that human rights and humanitarian law principles should continue to

shape the evolution of refugee jurisprudence so as to achieve more effectively the Convention's goals. This work will be of great interest to academics, practitioners and policy makers in the refugee field as well as to scholars of international human rights and humanitarian law.

Sermons: Bearing on Subjects of the Day Blessed John Henry Newman, Aeterna Press, 2024-08-29

THOUGH God created the heavens and the earth in six days and then rested yet He rested only to begin a work of another kind for our Lord says My Father worketh hitherto and He adds and I work. And at another time He says concerning Himself more expressly I must work the works of Him that sent Me while it is day the night cometh when no man can work. And when that night came He said I have finished the work which Thou gavest Me to do. It is finished. And in the text we are told generally of all men Man goeth forth unto his work and to his labour until the evening. The Creator wrought till the Sabbath came the Redeemer wrought till the sun was darkened and it was night. The sun ariseth and man goeth forth and works till the evening when the keepers of the house tremble and the strong men bow themselves and those that look out at the windows are darkened and desire fails because man goeth to his long home and the mourners go about the streets when the silver cord is loosed and the golden bowl is broken and the dust returns to the earth as it was and the spirit returns unto God who gave it.
