Rebel In Love:

A rebel in love Cristiano Parafioriti, 2021-09-01 Sicily 1860 A plebiscite declared the final annexation of the island to the newly born Kingdom of Italy A few years later in Galati di Tortorici now Galati Mamertino an unknown Poor Clare nun carefully hid inside an ecclesiastical book the much wanted diary of a local bandit Leader of an armed band he had tenaciously fought the Savoy troops for more than three years The rebels defeat had not calmed the hunt for the handwritten book which had reached unimaginable heinous heights But what was so compromising about the diary to become so fiercely hunted After the engaging short stories of *Era il mio paese* 2014 and *Sicilitudine* 2016 Cristiano Parafioriti concludes his Trilogy of Origins with this compelling historical novel Punctuated by raging battles of arms and passion red stories of blood and love intertwine leading all the characters of those worn out pages inevitably to an unavoidable and bloody final confrontation Translator Giovanna Bongiovanni PUBLISHER TEKTIME

Screening the Hollywood rebels in 1950s Britain Anna Ariadne Knight, 2021-09-28 This book examines issues of censorship publicity and teenage fandom in 1950s Britain surrounding a series of controversial Hollywood films *The Wild One* *Blackboard Jungle* *Rebel Without a Cause* *Rock Around the Clock* and *Jailhouse Rock* It also explores British cinema s commentary on juvenile delinquency through a re examination of such British films as *The Blue Lamp* *Spare the Rod and Serious Charge* Taking a multi dimensional approach the book intersects with star studies and social history while reappraising the stardom of Marlon Brando James Dean and Elvis Presley By looking at the specific meanings pleasures and uses British fans derived from these films it provides a logical and sustained narrative for how Hollywood star images fed into and disrupted British cultural life during a period of unprecedented teenage consumerism

The Last American Rebel in Cuba Terry K. Sanderlin Ed D., Terry K. Sanderlin, 2012 After his four year hitch in the marines was up in 1957 Richard Sanderlin met another Norfolk Virginia native Frank Sturgis Marine Corps veteran Army Intelligence Officer and future Watergate burglar Richard and Frank relocated to Miami Florida where they ran an arms and munition smuggling operation into Cuba bound for the rebels of Fidel Castro During the summer of 1958 Richard Sanderlin traveled to the Sierra Maestra Mountains in Oriente Province Cuba where he trained the rebels of Fidel and Raul Castro in military strategy tactics weapon handling and hand to hand fighting After

completing the training of Raul Castro's Second Front. Richard led a guerrilla band into ten combat operations against the Batista army. This is the story of an idealistic young warrior who fought against the tyranny of dictatorship only to be betrayed by a communist conspiracy led by Fidel Castro. *Rebels in Blue* Peter F. Stevens, 1999-05-01 This astonishing Civil War story follows the real life exploits of a married couple who fought side by side as soldiers for the North, the South, and finally for a band of marauding pro-Union partisans. Based on primary source material from the Watuga County North Carolina archives, *Rebels in Blue* provides a fast-paced gripping narrative of uncommon love and blind revenge set against the turmoil of the Civil War. **In Love and at War** Hilary Matfess, 2024-02-07 What does it mean to be in love while at war? This Element demonstrates that whether rebel groups commit themselves to marriage or bar it entirely, or reinterpret the ceremonies and practices associated with marriage, their decision has important implications for both the rebel organization and individual members. This Element contributes to the literature on gender and politics by demonstrating that rebel marriages are an underappreciated driver of gendered conflict and post-conflict dynamics. This Element introduces frameworks for understanding how rebel groups approach the issue of marriage, suggesting that variation between and within rebel groups over time is related to not only the rebels' political project but also the anticipated effect of marriage on cohesion and retention and the rebels' logistical concerns. Furthermore, the Element unpacks how wartime rebel marriages can complicate or improve women's prospects for post-conflict reintegration by shaping whether rebel wives are depoliticized, distrusted, or reclaimed. **Love Rebels** Kitty Stryker, 2025-10-17 An exploration of how to balance activism and relationships without burning out. Balancing a devotion to activism with personal relationships can be incredibly difficult. Kitty Stryker shares her experience as an activist street medic and relationship educator to help others pursue the important work while maintaining healthy relationships and without burning out. In what is both a call to action and a candid memoir, Stryker is open about what she has learned and her perceived limitations. Recognizing that it can feel overwhelming to know how to effectively make change, she encourages readers to consider how they can best advocate for causes they believe in, presenting different types of activism and urging readers to honestly examine their own hesitations. She also emphasizes that without taking care of our interpersonal relationships, many people burn out of activism at the very time when we need more people on the ground, and she offers practical strategies to avoid this and to encourage healthy relationships. *The Monk in love* Bikash Sarmah, 2019-09-19 *The Monk in Love* is an attempt to explore the psyche of the modern educated youth who have ambitions high and galore, are out of sync with stereotypical thinking and attitudes, and set out to explore the existing shackles of society without causing harm to anyone. The protagonists are highly intelligent and spiritual youth who have an evolved sense of understanding and want to lead a simple way of life beyond the existing norms of society. Therefore, this collection of short stories has a strong societal underpinning as well. **Exploring the Engagement and Empowerment of Women** U.P. Sinha, 2015-01-01 This book deals with multidisciplinary perspectives and describes where they meet and

overlap and where they diverge However as a result of the fact that disciplinary boundaries are porous the possibilities of one dimensional approach diminish and the likelihood of presenting a cohesive and integrated framework increases The contributions in this book strike a balance between theoretical and empirical papers on one hand and papers with more personal reflection on the other The book focuses on political economic legal social and psychological dimensions besides focusing on the transformative power of girls education and why it is now increasingly being recognized as the cornerstone of women s empowerment This book is extremely timely given what is happening in the across the globe regarding women empowerment In nutshell the book is a digest of almost all dimensions of women empowerment economic political legal educational health and management The message of the book is that we must treat women with dignity and honour Our words and conduct must inspire confidence in them

Silent Crimes In Love Catherine Bosibori , In a tale that originated during the annual school music festivals a young and spirited boy from a privileged background Godwin discovers Eliza a girl from the slums with her enchanting voice as a traditional folk soloist Initially he sees her as a girlfriend who could elevate his status to that of a wife However their story becomes entangled in a complex web of money poverty politics romance and luxury ultimately turning the lives of both families into a battlefield When Godwin abandons Eliza to marry her best friend leaving her to marry a wealthy rich man the consequences of their silent transgressions shatter the moral fabric of the once respected family The retired land defense officer unwittingly caught in the turmoil finds himself married to his son s lovers leading to an unimaginable catastrophe
