Religion Cults And The Law

Paul Finkelman

Religion Cults And The Law:

Law and Politics of Religious Fraud Regulation Jianlin Chen,2023-12-11 In comparing the ways in which China Taiwan and Hong Kong punish religious claims and practices considered by the state to be false or fraudulent Jianlin Chen presents a seminal contribution to the interdisciplinary study of religious freedom The book not only reveals how these legal tools sustain a hierarchy of religion but also the political dynamic behind the design and utilization of these legal tools

Religion and Law Peter W. Edge,2017-03-02 Discussion of the way in which law engages with religious difference often takes place within the context of a single jurisdiction Religion and Law An Introduction presents a comprehensive text for students drawing on examples from across key Anglophone jurisdictions the United Kingdom the United States Canada New Zealand Australia and South Africa as well as international law to explore a broad range of issues Aimed at a non legal readership this book introduces the use of legal sources and focuses on factual situations as much as legal doctrine Key issues arising from interaction of the religious individual and the State are discussed as well as the religious organisation or community and the State The interaction is explored through case studies of areas as diverse as the legal regulation of religious drug use sacred spaces and sacred places and claims of clergy misconduct Taking a broad non jurisdictional approach to the key issues in particular providing insights differing from the dominant US experiences and paradigms this student friendly textbook includes a clearly structured bibliography and clear guidance on how to approach relevant legal materials

Handbook of Religion and Social Institutions Helen Rose Ebaugh,2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions

Religion and American Law Paul Finkelman,2003-12-16 First published in 2000 Routledge is an imprint of Taylor Francis an informa company

The Law and Religious Market Theory Jianlin Chen,2017-10-12 With comparative case studies from China Taiwan and Hong Kong Jianlin Chen s new work offers a fresh descriptive and normative perspective on law and religion This presentation of the original law and religious market theory employs an interdisciplinary approach that sheds light on this subject for scholars in legal and sociological disciplines It sets out the precise nature of religious competition envisaged by the current legal regimes in the three jurisdictions and analyses how certain restrictions on religious practices may facilitate normatively desirable market dynamics This updated and invaluable resource provides a new and insightful investigation into this fascinating area of law and religion in Greater China today

Religion and the Law in America Scott A.

Merriman,2007-05-18 This work is a comprehensive survey of one of the oldest and hottest debates in American history the role of religion in the public discourse The relationship between church and state was contentious long before the framers of the Constitution undertook the bold experiment of separating the two sparking a debate that would rage for centuries What is the role of religion in government and vice versa Religion and the Law in America explores the many facets of this question from prayer in public schools to the addition of the phrase under God to the Pledge of Allegiance from government investigation of religious fringe groups to federal grants for faith based providers of social services In more than 250 A Z entries along with a series of broad thematic essays it examines the groups laws and court cases that have framed this ongoing debate Through its careful balanced exploration of the interaction between government and religion throughout the history of the United States the work provides all Americans students scholars and lay readers alike with a deep understanding of one of the central enduring issues in our history

Regulating Religion James T. Richardson,2012-12-06 Regulating Religion Case Studies from Around the Globe presents through the inclusion of contributions by international scholars a global examination of how a number of contemporary societies are regulating religious groups It focuses on legal efforts to exert social control over such groups especially through court cases but also with selected major legislative attempts to regulate them As such this analysis falls within the broad area of the sociology of social control and more specifically legal social control a topic of great interest when studying how contemporary societies attempt to maintain social order The factual details about social and legal developments in societies where religion has been defined as problematic include Western and Eastern Europe Asia Oceania and the Americas This book will be of interest to researchers and students in the sociology of religion the sociology of law social policy and religious studies as well as policy makers

The Oxford Handbook of New Religious Movements James R. Lewis,Inga Bårdsen Tøllefsen,2016 The Oxford Handbook of New Religious Movements both covers the current state of the field and breaks new ground Its contributors drawn from both sociology and religious studies are leading figures in the study of NRMs

Legal Cases, New Religious Movements, and Minority Faiths James T. Richardson,François Bellanger,2016-04-22 New religious movements NRMs and other minority faiths have regularly been the focus of legal cases around the world in recent decades This is the first book to focus on important aspects of the relationship of smaller faiths to the societies in which they function by using specific legal cases to examine social control efforts The legal cases involve group leaders a groups practices or alleged abuses against members and children in the group legal actions brought by former members or third parties attacks against such groups by outsiders including even governments and libel and slander actions brought by religious groups as they seek to defend themselves These cases are sometimes milestones in the relation between state authorities and religious groups Exploring cases in different parts of the world and assessing the events causing such cases and their consequences this book offers a practical insight for understanding the relations of NRMs and other minority religions and the law from the perspective of legal cases Chapters

focus on legal political and social implications Including contributions from scholars legal practitioners actual or former members and authorities involved in such cases from various jurisdictions this book presents an objective approach to understanding why so many legal actions have involved NRMs and other minority faiths in recent years in western societies and the consequences of those actions for the society and the religious group as well Law and Religion in Post-communist Europe Silvio Ferrari,Elizabeth A. Sewell,Elizabeth A. Clark,2003 This book is the first comprehensive description of the Church State systems that are in force in the post Communist countries of Central and Eastern Europe The reports it contains are structured along similar lines so that analogies and differences of the national legal systems can easily be identified and no significant profile of Church and State relations is overlooked After a short historical and sociological introduction each report deals with issues like registration of religious organizations financing of Churches religious education in public schools etc Religion, Cults, and the Law Abraham Burstein,1980 Handbook of Religion and Society David Yamane,2016-07-15 The Handbook of Religion and Society is the most comprehensive and up to date treatment of a vital force in the world today It is an indispensable resource for scholars students policy makers and other professionals seeking to understand the role of religion in society This includes both the social forces that shape religion and the social consequences of religion This handbook captures the breadth and depth of contemporary work in the field and shows readers important future directions for scholarship Among the emerging topics covered in the handbook are biological functioning organizational innovation digital religion spirituality atheism and transnationalism The relationship of religion to other significant social institutions like work and entrepreneurship science and sport is also analyzed Specific attention is paid where appropriate to international issues as well as to race class sexuality and gender differences This handbook includes 27 chapters by a distinguished diverse and international collection of experts organized into 6 major sections religion and social institutions religious organization family life course and individual change difference and inequality political and legal processes and globalization and transnationalism Law, Religion, and Freedom W. Cole Durham, Jr.,Javier Martínez-Torrón,Donlu D Thayer,2021-02-22 This book examines major conceptual challenges confronting freedom of religion or belief in contemporary settings The volume brings together chapters by leading experts from law religious studies and international relations who provide perspectives from both sides of the Atlantic At a time when the polarization of culture wars is aggravating tensions between secular and religious views about accommodating the conscientious claims of individuals and groups and when the right to freedom of religion itself is facing misunderstanding and erosion the work provides welcome clarity and depth Some chapters adopt a primarily conceptual and historical approach others analyze particular difficulties or conflicts that have emerged in European and American jurisdictions along with concrete applications and recommendations for the future The book will be a valuable resource for students academics and policy makers with an interest in law religion and human rights State-Religion Relationships and Human Rights Law Jeroen

Temperman,2010-05-17 This book examines the question of how the mode of state religion identification affects the state's scope for compliance with human rights law. It presents a human rights based assessment of the various modes of state religion identification and of the various forms of state practice that surround and characterize these different state religion models. A close assessment of norms of human rights law substantiates that although human rights law on the face of it is seemingly neutral to the issue of state religion identification, legal principles can be extrapolated that have a profound bearing on the question of legitimacy of the possible diverse relationships that may exist between the state and religion. A range of thematic case studies on among other issues Establishment of Religion, the Equal Religious Rights of Others, Religion Freedom of Expression, Religion Political Rights, Religion Educational Rights, Religion Freedom of Association and Religion Equal Employment Opportunities demonstrates that existing regimes of positive state identification with religion are not devoid of forms of institutionalised discrimination and de facto practices of discrimination on grounds of religion or belief or lack thereof. At the same time it is observed by the author that in some secular or separationist states the ideals of state secularism and separationism have come to be considered ends in themselves. This has given rise to situations where the principles of secularism and separationism are construed so as to impose illegitimate limits on the activities of religions or illegitimate limits on the individual manifestation of certain beliefs. This book makes a case for the recognition of a state duty to remain impartial with respect to religion or belief in all regards so as to comply with people's fundamental right to be governed at all times in a religiously neutral manner.

The Christian Eucharist and the Pagan Cults William Mansfield Groton,1914

Interpreting the Free Exercise of Religion Bette Novit Evans,2000-11-09 A generation ago all of the big questions concerning religious freedom in America seemed to have been resolved. At the very least the lines of division between proponents of a wall of separation between church and state and advocates of religious accommodation seemed clearly drawn. Since then increasing religious diversity and changing functions of government have raised new questions about what it means to allow the free exercise of religion. In this book Bette Novit Evans explores the contemporary understandings of this First Amendment guarantee in all of its complexity and ambiguity. Evans situates constitutional arguments about free exercise within the context of theological and sociological insights about American religious experience. She surveys and evaluates several of the most well considered approaches to religious freedom and applies them to contemporary legal controversies examining problems in defining religion and claims concerning the autonomy of religious institutions. Her conclusions about religious liberty are embedded in an appreciation of American pluralism, the guarantee of religious freedom she argues can be understood as an instrument for fostering alternative sources of meaning within a pluralistic political community.

Complexifying Religion Andrei-Razvan Coltea,2023-07-31 This book provides an original and challenging perspective of religions as abstract complex adaptive systems using an interdisciplinary approach to try to understand what religions are and how they function, two fundamental issues which despite an intense struggle from several

fields have not yet been resolved What is the source of religious belief How do religions work and what are they made of Why is religion so important for us that it has survived centuries of scientific progress and secularization Why are people religious even outside religion The book addresses these questions using an interdisciplinary approach that seeks to untangle the Gordian knot of defining religion In short they can be considered entropy reducing technologies What differentiates them from other meaning producing systems is their configuration which employs specific building blocks as tools for mitigating entropy which are also subsystems and combine in various ways to build a unique configuration rituals myths taboos supernatural agents authority identity superstitions moral obligations afterlife beliefs and the sacred As a reaction to perturbances or pressure systems can collapse Inspired by Nicholas Nassim Taleb it is in this book referred to as fragility the negative reaction of systems to random events and four parameters can be used to evaluate it in religious systems monotonicity the inability to learn from past mistakes coupling linking with other systems such as political or economic centralization and stress starvation Several case studies are provided in order to test the theoretical claims made in this book based on the author s field research in Romania Japan North Korea and Mongolia and offering details that could be of interest to casual readers students and researchers of religion

Reactions to the Law by Minority Religions Eileen

Barker,James Richardson,2020-12-30 Much has been written about the law as it affects new and minority religions but relatively little has been written about how such religions react to the law This book presents a wide variety of responses by minority religions to the legal environments within which they find themselves An international panel of experts offer examples from North America Europe and Asia demonstrating how religions with relatively little status may resort to violence or passive acceptance of the law how they may change their beliefs or practices in order to be in compliance with the law or how they may resort to the law itself in order to change their legal standing sometimes by forging alliances with those with more power or authority to achieve their goals The volume concludes by applying theoretical insights from sociological studies of law religion and social movements to the variety of responses The first systematic collection focussing on how minority religions respond to efforts at social control by various governmental agents this book provides a vital reference for scholars of religion and the law new religious movements minority religions and the sociology of religion

Library of Congress Subject Headings Library of Congress,2006 **New Religious Movements and Religious**

Liberty in America Derek Davis,Barry Hankins,2003 New nontraditional religious movements are the most likely groups to offend mainstream culture and the least likely to have representatives in government to ensure that their liberty is protected These new religious movements are sometimes ostracized and subject to various forms of discrimination As America becomes increasingly pluralistic with more and more groups contributing to the nation s religious mosaic new religious movements may well play an increasing role in the course of religious liberty in America just as groups such as the Jehovah s Witnesses did formerly This book explores the problems and possibilities posed by new religious movements for religious liberty in

America

While this might not be the Religion Cults And The Law full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Religion Cults And The Law eBooks, including some popular titles.

FAQs About Religion Cults And The Law Books

What is a Religion Cults And The Law PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion Cults And The Law PDF?** There are several ways to create a PDF: Use software

like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion Cults And The Law PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion Cults And The Law PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion Cults And The Law PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
