Buff Facings and Gilt Buttons J. Boone Bartholomees, 1998 The staff system of the Army of Northern Virginia demonstrates one of the peculiar traits of the Civil War That war occurred on a cusp of military history it had elements both ancient and modern and it reflected the struggle of soldiers trying to reconcile the two Civil War military institutions had their roots firmly planted in the traditions and doctrine of the past while they confronted modern problems The story of the disconnection between linear tactics that would have been recognizable to either Alexander or Frederick the Great and deadly rifled muskets is familiar The story of ill trained and ill prepared staffs trying to coordinate all the intricate details of a vast semimodern army operating in a huge theater of war with doctrine and procedures that would soon be if they were not already outmoded is less familiar That is the story of staff work in the Army of Northern Virginia

politics Costantino Pischedda presents an original theory to unravel the puzzle of inter rebel conflict Examining the dynamics of civil wars in Iraq Ethiopia Lebanon Sri Lanka and Syria Pischedda argues that infighting is a calculated response by rebel groups to perceived opportunities and vulnerabilities Conflicts break out between groups when one sees the potential to eliminate weaker rivals at a low cost or fears the deterioration of its power relative to a competitor and embarks on a desperate gamble Counterintuitively Pischedda finds that rebels sharing an ethnic identity are especially prone to violent conflict as they see each other as both potential existential threats and enticing opportunities for expansion Since coethnic rebels aspire to control the same community their antagonism is stark and immediate In addition insurgents expect to be able to draw on the resources of defeated rivals from the same ethnic group more easily than they could on those of outsiders Marshaling a range of data Pischedda s mixed methods study features original interviews conducted with former insurgent leaders The first book length examination of inter rebel fighting Conflict Among Rebels sheds new light on a key question of civil war dynamics why the enemy of my enemy is not always my friend

How Lucifer Hijacked Humanity's Eternal Destiny Christine Sihag, 2023-09-21 How Lucifer Hijacked Humanity s Eternal Destiny is a whimsical poetic tale that tackles some of humanity s most enduring enigmas such as the unnerving inevitability of death as the beginning of one s own eternal destiny and the disturbing existence of evil in the world But what might eternity be if life is the only testing ground that precedes forever And why has humankind been assigned such a wonderous but grave responsibility as everyone contemplates eternity with concepts of heaven hell and even nothingness These ageless ideas continue to cause everyone to hope for the very best in terms of an afterlife for themselves and for their loved ones Eternity remains as relevant a consideration now as it was in ancient times when the greatest civilizations labored to entomb their kings and queens with enough care as to ensure their safe arrival to the hereafter Thus the onus of eternity has always haunted humanity like the strange curse of death itself And as humanity still reckons with that inexplicably egregious entity called evil does anyone actually know what it is or who it is
