on media and religion **The Study of Religion** George D. Chryssides, Ron Geaves, 2013-12-05 This updated textbook unravels the complex issues related to methodology and theory in the study of religion It equips students with the knowledge needed for the academic study of religion explaining the history of the methodology including ideas of key theorists and discusses key issues in the field such as gender phenomenology and the insider outsider discourse Updated throughout additional material includes New chapter on colonialism and post colonialism New chapter on insider outsider discourse Coverage of cyber religion and the internet as a research tool in religious studies Study and classroom features in each chapter include Chapter outlines Case studies Boxed key concepts Discussion questions Chapter bibliographies The text is illustrated throughout with 35 images and extra resources can be found online including additional coverage of levels of religion *Religion and Change in Modern Britain* Linda Woodhead, Rebecca Catto, 2013-03-01 This book offers a fully up to date and comprehensive guide to religion in Britain since 1945 A team of leading scholars provide a fresh analysis and overview with a particular focus on diversity and change They examine relations between religious and secular beliefs and institutions the evolving role and status of the churches the growth and settlement of non Christian religious communities the spread and diversification of alternative spiritualities religion in welfare education media politics and law theoretical perspectives on religious change The volume presents the latest research including results from the largest ever research initiative on religion in Britain the AHRC ESRC Religion and Society Programme Survey chapters are combined with detailed case studies to give both breadth and depth of coverage The text is accompanied by relevant photographs and a companion website *Counting Religion in Britain, 1970-2020* Clive D. Field, 2021-12-09 Counting Religion in Britain 1970 2020 the fourth volume in the author s chronological history of British secularization sheds significant new light on the nature scale and timing of religious change in Britain during the past half century with particular reference to quantitative sources Adopting a key performance indicators approach twenty one facets of personal religious belonging behaving and believing are examined offering a much wider range of lenses through which the health of religion can be viewed and appraised than most contemporary scholarship Summative analysis of these indicators by means of a secularization dashboard leads to a reaffirmation of the validity of secularization in its descriptive sense as the dominant narrative and direction of travel since 1970 while acknowledging that it is an incomplete process and without endorsing all aspects of the paradigmatic expression of secularization as a by product of modernization Experiencing Globalization Derrick M. Nault, Bei Dawei, Evangelos Voulgarakis, Rab Paterson, Cesar Andres-Miguel Suva, 2013-02-01 Today in an age of globalization religion represents a potent force in the lives of billions of people worldwide Yet when social theorists examine the impact of globalization on contemporary religious movements they tend to focus on issues such as Islamic fundamentalism and threats to US or global security This collection of essays takes a different approach analyzing with special reference to Asia religion through lived experience The key issues covered in the volume include how religious impulses contribute to globalization how religious

groups and organizations repackage traditional beliefs for transcultural appeal how religious adherents cope with external threats to identity how new technologies are reshaping the nature of religious beliefs and images and how local and global religious influences blend and or clash Far from religion being a subject of peripheral concern to globalization the contributors demonstrate that from the most basic level of our interactions with the natural environment to the socio political behavior of the great religions and even to the profusion of folk and pop culture phenomena the influence of religion upon globalization and vice versa is apparent at all levels **A New Old Spirituality?** Tone Stangeland Kaufman, 2017-07-11

How do pastors live their spiritual lives both as private persons and as professionals How can their spirituality be characterized and understood Drawing on in depth interviews with Norwegian clergy as well as literature from the fields of Christian spirituality practical theology congregational studies and the sociology of religion this book offers a nuanced understanding of clergy spirituality Tone Stangeland Kaufman identifies three locations and sources of spiritual nurture for pastors the ministry itself vocational spirituality daily life everyday spirituality and spiritual practices located at the margins of daily life intentional spirituality The participants in this study engage in classic Christian practices yet approach them in a subjective and new way that also potentially revitalizes their spiritual lives Hence the author makes the case that their spirituality can aptly be described as a new old spirituality The book also seeks to nuance Paul Heelas's and Linda Woodhead's Spiritual Revolution claim and thus engages in the broader spirituality vs religion discourse **A New Old Spirituality** is an exciting example of how qualitative empirical research can be used in creative ways to make a practical theological argument It is a book for scholars students and practitioners *The Far East and Australasia 2003* Europa Publications, 2002 A unique survey of each country in the region It includes an extensive collection of facts statistics analysis and directory information in one accessible volume

The Role of Religious Culture for Social Progress in East Asian Society Juan Francisco Martinez, Kwangsuk Yoo, Brian Byrd, 2023-03-29 Religious culture is an important keyword for understanding rapidly changing East Asian society especially China Japan and Korea Despite the common influence of Confucian culture on these countries each has shown a very different pattern of social progress in modern and postmodern times Although surveys report a low ratio of religious identification and membership in this region people in this area are religious in a different way from Western societies and religious culture is closely related to political economic and social subsystems A real force of changing East Asian society is not only political powers or economic classes but also an invisible culture based on religious belief and practice This book focuses on the dynamic relationship between social progress and religious culture organization or movements in each society since 1945 **Engaging with Living Religion** Stephen E. Gregg, Lynne

Scholefield, 2015-03-27 Understanding living religion requires students to experience everyday religious practice in diverse environments and communities This guide provides the ideal introduction to fieldwork and the study of religion outside the lecture theatre Covering theoretical and practical dimensions of research the book helps students learn to read religious

sites and communities and to develop their understanding of planning interaction observation participation and interviews Students are encouraged to explore their own expectations and sensitivities and to develop a good understanding of ethical issues group learning and individual research The chapters contain student testimonies examples of student work and student led questions

Christianity and Religious Diversity Harold A. Netland, 2015-05-12 This book explores how religions have changed in a globalized world and how Christianity is unique among them Harold Netland an expert in philosophical aspects of religion and pluralism offers a fresh analysis of religion in today's globalizing world He challenges misunderstandings of the concept of religion itself and shows how particular religious traditions such as Buddhism undergo significant change with modernization and globalization Netland then responds to issues concerning the plausibility of Christian commitments to Jesus Christ and the unique truth of the Christian gospel in light of religious diversity The book concludes with basic principles for living as Christ's disciples in religiously diverse contexts

Contested Concepts in the Study of Religion George D. Chryssides, Amy R. Whitehead, 2022-08-11 This book offers a clear concise introduction to the meaning of problematic terms and the ways in which they should legitimately be used Each entry considers the following Why is this concept problematic What are the origins of the concept How is it used or misused and by whom Is it still a legitimate concept in the study of religion and if so what are its legitimate uses Are there other concepts that are preferable when writing on religion Concepts covered include Belief Religion Magic Secularisation Violence This is a jargon free indispensable resource for students and scholars that encourages the critical use of terms in the study of religion

Muslims and the New Media Mr Göran Larsson, 2013-06-28 Scholars from an extensive range of academic disciplines have focused on Islam in cyberspace and the media but there are few historical studies that have outlined how Muslim ulama have discussed and debated the introduction and impact of these new media Muslims and the New Media explores how the introduction of the latest information and communication technologies are mirroring changes and developments within society as well as the Middle East's relationship to the West Examining how reformist and conservative Muslim ulama have discussed the printing press photography the broadcasting media radio and television the cinema the telephone and the Internet case studies provide a contextual background to the historical social and cultural situations that have influenced theological discussions focusing on how the ulama have debated the usefulness or dangers of the information and communication media By including both historical and contemporary examples this book exposes historical trajectories as well as different and often contested positions in the Islamic debate about the new media

The Oxford Handbook of the Study of Religion Michael Stausberg, Steven Engler, 2016-10-27 The Oxford Handbook of the Study of Religion provides a comprehensive overview of the academic study of religion Written by an international team of leading scholars its fifty one chapters are divided thematically into seven sections The first section addresses five major conceptual aspects of research on religion Part two surveys eleven main frameworks of analysis interpretation and explanation of religion Reflecting recent

turns in the humanities and social sciences part three considers eight forms of the expression of religion Part four provides a discussion of the ways societies and religions or religious organizations are shaped by different forms of allocation of resources Other chapters in this section consider law the media nature medicine politics science sports and tourism Part five reviews important developments distinctions and arguments for each of the selected topics The study of religion addresses religion as a historical phenomenon and part six looks at seven historical processes Religion is studied in various ways by many disciplines and this Handbook shows that the study of religion is an academic discipline in its own right The disciplinary profile of this volume is reflected in part seven which considers the history of the discipline and its relevance Each chapter in the Handbook references at least two different religions to provide fresh and innovative perspectives on key issues in the field This authoritative collection will advance the state of the discipline and is an invaluable reference for students and scholars

Televising Religion in India Manoj Kumar Das,2022-03-22 This book explores how religion manifests itself in television It focuses on how religious traditions practices and discourses have been incorporated into non religious television programmes and how they bring both the community and the media into the fold of religion The volume traces the cultural and institutional history of television in the state of Sikkim India to investigate how it became part of the cultural life of the communities The author analyses three televised shows that captured the community's imagination and became ceremonial and religious engagement Through these case studies he highlights how rituals and myths function in mass media how traditional institutions and religious practices redefine themselves through their association with the visual mass medium and how identities based on religion cultural tradition and politics are reinforced transformed and amplified through television The book further analyses the engagement of televised religion with audiences its reach relevance and contents and its relationship with urbanity tradition and identity This volume will be of interest to students and researchers of media and communication studies cultural studies religious studies sociology cultural anthropology and history

Post-Christian Religion in Popular Culture Andrew D. Thrasher,2024-09-05 Post Christian Religion in Popular Culture Theology through Exegesis analyzes several theological exegeses of contemporary popular culture as post Christian scripture It includes analyses of the Marvel Cinematic Universe The Lion King and Cloud Atlas the television shows Lucifer and Shameless and contemporary pop punk and alternative music Through an application of three hermeneutical methods re-enchantment resourcement and rescription a prophetic and apocalyptic critique of modernity and an analysis of the late modern human condition Andrew D Thrasher argues how popular culture recites post Christian religious and theological messages marked by a post disenchantment theology constituted by the consumption of these messages shapes and informs what the contemporary world finds believable credible and desirable in a post Christian context
