The Catholic Philanthropic Tradition in America Mary J. Oates, 1995-05-22 From their earliest days in America Catholics organized to initiate and support charitable activities A rapidly growing church community although marked by widening church and ethnic differences developed the extensive network of orphanages hospitals schools and social agencies that came to represent the Catholic way of giving But changing economic political and social conditions have often provoked sharp debate within the church about the obligation to give priorities in giving appropriate organization of religious charity and the locus of authority over philanthropic resources This first history of Catholic philanthropy in the United States chronicles the rich tradition of the church's charitable activities and the increasing tension between centralized control of giving and democratic participation

Religious Human Rights in Global Perspective John Witte Jr., Johan D. van der Vyver, 2023-12-11 In this Dickensian century of human rights the world has cultivated the best of religious rights protections but witnessed the worst of religious rights abuses In this volume Jimmy Carter John T Noonan Jr and a score of leading jurists assess critically and comparatively the religious rights laws and practices of the international community and of selected states in the Atlantic continents This volume and its companion Religious Human Rights in Global Perspective Religious Perspectives are products of an ongoing project on religion human rights and democracy undertaken by the Law and Religion Program at Emory University

The McDonaldization of the Church John William Drane, 2002-02 A theology which comes pre packaged and in which there are no loose ends is not true to life nor can it adequately reflect the richness of the Gospel Why are churches struggling to maintain credibility in a culture in which there are more spiritual seekers than at any time in living memory John Drane believes that churches have become stereotyped structures offering uninventive formulaic worship to a dwindling minority But there are exciting opportunities for growth he argues if only churches will rediscover their own creativity and flexibility If only they will offer something more nourishing for post modern spiritual appetites than the equivalent of fast food

Shaping Public Theology Max L. Stackhouse, 2014-01-30 Max L. Stackhouse is one of the most prolific and influential American theologians of the last half century and he has been widely recognized for his contributions to the emerging field of public theology This volume compiles some of Stackhouse's most significant shorter writings These selections make clear his central role in the development of public theology as a distinct disciplinary perspective in the fields of Christian theology and theological ethics Shaping Public Theology serves as an introduction to Stackhouse's extensive corpus readers will see the depth and breadth of his comprehensive public theology while also gaining insight into his singular importance for the field

Jonathan

Edwards's Interpretation of Revelation 4:1-8:1 Glenn R. Kreider, 2004 The Bible was at the center of Jonathan Edwards intellectual and ministerial life As an eighteenth century theologian pastor the Scriptures were the focus of his work and the perspective through which he viewed his world Edwards had a particular interest in the interpretation of the Apocalypse devoting a notebook to the collection of observations and thoughts from his reading and reflection This book examines Edwards interpretation of Revelation 4 8 as seen in his working notebooks and theological treatises and sermons and then compares his views with some of his major contemporary biblical interpreters **American Sacred Space** David

Chidester, Edward T. Linenthal, 1995-11-22 In a series of pioneering studies this book examines the creation and the conflict behind the creation of sacred space in America The essays in this volume visit places in America where economic political and social forces clash over the sacred and the profane from wilderness areas in the American West to the Mall in Washington D C and they investigate visions of America as sacred space at home and abroad Here are the beginnings of a new American religious history told as the story of the contested spaces it has inhabited The contributors are David Chidester Matthew Glass Edward T Linenthal Colleen McDannell Robert S Michaelson Rowland A Sherrill and Bron Taylor

The Jossey-Bass Handbook of Nonprofit Leadership and Management David Renz, Robert D. Herman, 2010-11-08 This is the Third Edition of the bestselling nonprofit management reference and text called the big green book Based on updated research theory and experience this comprehensive edition offers practical advice on managing nonprofit organizations and addresses key aspects such as board development strategic planning lobbying marketing fundraising volunteer management financial management risk management and compensation and benefits New chapters cover developments in such areas as social entrepreneurship financial leadership and capital structure accountability and transparency and the changing political legal climate It includes an instructor s manual *Encyclopedia of Protestantism*

Hans J. Hillerbrand, 2004-08-02 For more information including sample entries full contents listing and more visit the Encyclopedia of Protestantism web site Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J Hillerbrand The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Featuring entries written by an international team of specialists and scholars the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day **The Future of Christian Realism** Dallas Gingles, Joshua Mauldin, Rebekah L. Miles, 2023-04-15 In the world s most

developed democracies anxiety about the future of democracy is palpable The tension between moral aspiration and moral despair has reached a point of crisis Christian realism arose during a similar time of crisis when Reinhold Niebuhr used the insights of the Christian tradition to interpret the clash between democracy and totalitarianism Beginning with Robin Lovin s account of Christian realism as a nuanced blend of theological moral and political realisms The Future of Christian Realism

addresses fundamental topics in theology ethics and politics The contributors come from different traditions span five continents and together present a case for the continuing relevance of Christian realism By paying close attention to many of the most pressing moral challenges facing societies today the authors illustrate and evaluate the enduring relevance of Christian realism Piety and Profession Glenn Miller,2007-06-11 From the urbanization of the Gilded Age to the upheavals of the Haight Ashbury era this encyclopedic work by Glenn Miller takes readers on a sweeping journey through the landscape of American theological education highlighting such landmarks as Princeton Andover and Chicago and such fault lines as denominationalism science and dispensationalism The first such exhaustive treatment of this time period in religious education *Piety and Profession* is a valuable tool for unearthing the key trends from the Civil War well into the twentieth century All those involved in theological education will be well served by this study of how the changing world changed educational patterns The Teaching Ministry of Congregations Richard Robert Osmer,2005-01-01 In this important and groundbreaking book Osmer develops a practical theology of the teaching ministry He begins with the Apostle Paul identifying in Paul s letters to his congregations the core tasks of the teaching ministry **Habitat for Humanity** Jerome P. Baggett,2000 *Habitat for humanity* is an American house building ministry founded by evangelical Christians it has constructed 85 000 homes using volunteers Baggett tells the story of its development and argues that it is a particular social form of religion a paradenominational organization Piety and Public Funding Axel R. Schäfer,2012-06-28 How is it that some conservative groups are viscerally antigovernment even while enjoying the benefits of government funding In *Piety and Public Funding* historian Axel R Sch fer offers a compelling answer to this question by chronicling how in the first half century since World War II conservative evangelical groups became increasingly adept at accommodating their hostility to the state with federal support Though holding to the ideals of church state separation evangelicals gradually took advantage of expanded public funding opportunities for religious foreign aid health care education and social welfare This was especially the case during the Cold War when groups such as the National Association of Evangelicals were at the forefront of battling communism at home and abroad It was evident too in the Sunbelt where the military industrial complex grew exponentially after World War II and where the postwar right would achieve its earliest success Contrary to evangelicals own claims liberal public policies were a boon for not a threat to their own institutions and values The welfare state forged during the New Deal and renewed by the Great Society hastened not hindered the ascendancy of a conservative political movement that would in turn use its resurgence as leverage against the very system that helped create it By showing that the liberal state s dependence on private and nonprofit social services made it vulnerable to assaults from the right *Piety and Public Funding* brings a much needed historical perspective to a hotly debated contemporary issue the efforts of both Republican and Democratic administrations to channel federal money to faith based organizations It suggests a major reevaluation of the religious right which grew to dominate evangelicalism by exploiting institutional ties to the state while simultaneously
