Understanding Eastern Philosophy Ray Billington, 2002-01-04 Understanding Eastern Philosophy provides an accessible critical introduction to how some of the key philosophies of the East compare with those in the West Starting from a discussion of the problems of distinguishing between religions and philosophies Ray Billington presents a clear picture of the key tenets behind Hinduism Buddhism Taoism Jainism and Confucianism Moving on to compare the key themes of religious philosophy that cut across East and West such as a belief in God the soul moral decision making nature and authority Understanding Eastern Philosophy presents a fascinating and controversial picture of the contribution theistic religions have to make With its belief in a personal God bestowing a particular version of truth Ray Billington concludes that the universal mysticism characteristic of Eastern thought provides a more realistic and rewarding path than is commonly supposed in the West Understanding Eastern Philosophy assumes no prior knowledge of religion or philosophy *The Religions and Philosophies of the East* John McFarland Kennedy, 1911 *The Religions and Philosophies of the East* J. M. Kennedy, 2015-06-11 Excerpt from *The Religions and Philosophies of the East* Among the comparatively few people in England who take any interest in philosophy religion metaphysics and allied subjects it is certain that Nietzsche's works have during the last year or two been studied with increasing attention It is not perhaps surprising that his views should have been at first received with astonishment and impatience for England seems fated to be separated from the Continent wherever thought is concerned by a distance which it takes a quarter of a century to traverse Again the absurd methods of teaching foreign languages adopted in our schools cut us off from communication with many an excellent book or review article which shows the trend of the times abroad particularly in Germany and Italy the two countries where the philosophy of morality has been for some years in its most flourishing condition About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Best Guide to Eastern Philosophy & Religion** Diane Morgan, 2014-07-08 The Best Guide to Eastern Philosophy Religion provides a thorough discussion of the most widely practiced belief systems of the East Author Diane Morgan understands how to direct the materialistic linear way of Western thinking toward a comprehension of the cyclical metaphysical essence of Eastern philosophy With an emphasis on the tenets and customs that Western seekers find most compelling this text is accessible to the novice yet sophisticated enough for the experienced reader Inside you'll find complete coverage of Hinduism Buddhism Confucianism and Taoism as well as the less widely practiced faiths of Shintoism Jainism Sikhism and Zoroastrianism Learn

Nāgārjuna is the most influential of all Buddhist thinkers following the Buddha himself Throughout his works Nāgārjuna calls on us to completely abandon all our views But how could anyone possibly do that This book shows not only how Nāgārjuna's truly radical teaching of abelief makes perfect sense within his Buddhist philosophy but how it stands at the summit of his religious mission to care for all living beings Rather than treating any one aspect of Nāgārjuna's ideas in isolation here he emerges as forging a single system of thought and practice one that challenges the very ways in which we think about religion and philosophy
