Religious Cults Associated With the Amazons Florence Mary Bennett, *Religious Cults Associated with the Amazons* Florence Bennett Anderson, 1912 [Religious Cults Associated With the Amazons \(Classic Reprint\)](#) Florence Mary Bennett, 2018-03-05 Excerpt from *Religious Cults Associated With the Amazons* There is another allusion in Homer to the Amazons although this is indirect rather than direct It occurs in the second book of the Iliad where the spot of assembly for the Trojans and their allies is designated 4 There is before the city a certain lofty barrow in the plain far away standing detached on this side and on that which men forsooth call Batieia but the immortals name it the grave of swift bounding Myrina Here then were the Trojans numbered and their allies The scholiast and the commentary of Eustatius on the passage tell that this Myrina was an Amazon the daughter of Teucer and the wife of Dardanus and that from her the city Myrina in Aeolis was said to have been named 5 It seems reasonable to suppose that the commentators are correct for in later literature we hear much of an Amazon by this name and there is frequent mention of graves of various Amazons here and there in Greek lands always regarded with wonder and awe akin to the reverence with which Homer mentions the tomb of Myrina About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Religious Cults Associated with the Amazons** Florence Mary Bennett, 2016-04-10 Explores the possible religious beliefs and the legends of the Amazons as well as the goddess cults of ancient Greece and Asia Minor The author describes in great detail what is known about ancient goddess worship through primary documents She describes many details that are taken for granted today such as the double axe symbol and some aspects that are not so well understood For instance some of the male deities of later classical Greek religion turn out to originally be of ambiguous gender And Aphrodite who in later mythology is a love goddess was originally a war goddess Extensive footnotes

Religious Cults Associated With the Amazons Florence M. Anderson,1960-12-01 *Religious Cults Associated With the Amazons* Florence Mary Bennett,2015-06-17 Excerpt from Religious Cults Associated With the Amazons The Iliad contains two direct references to the Amazons namely in the story of Bellerophon and in a passage from the famous teichoscopy The context to which the first of these belongs is classed by critics as an echo from the pre Homeric saga and therefore it may be inferred that the Amazon tradition in Greek literature dates from a time even earlier than the Homeric poems The description of the women here is very slight being given by the epithet *amiaveipa* of the line but from the facts that battle with them is considered a severe test of the hero's valour and that as warriors they are ranked with the monstrous chimaera the fierce Solymi and picked men of Lycia we gather that they are conceived as beings to be feared The scene of combat with them is Lycia The second of the two passages cited above is more definite Priam exclaiming on the happy lot of Agamemnon who has been pointed out to him says to Helen Oh happy Atreid's child blessed with prosperity Verily to thee are many subject youths of the Achaeans Once did I go to vine rich Phrygia where I beheld vast numbers of Phrygian men with swift moving steeds the people of Otreus and godlike Mygdon who were then encamped by the banks of the Sangarius For I was numbered an ally with these on that day when the Amazons came pitted against men Yet even these were not as many as are the quick glancing Achaeans About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Early Amazons Josine Blok,2015-08-27 The Early Amazons offers a new understanding of the ancient Amazon myth situating mythical representations in the realm of cultural history The first section examines how the Amazons have presented a challenge to views on history myth and gender in classical mythology from the late eighteenth century up to the impact of structuralism Topics included are nineteenth century historiography and the interest in linguistics The second section sheds new light on the culture of archaic Greece offering a coherent assessment of literary and visual representations Taking mythical narrative as a form of oral storytelling it shows the emergence of the Amazon motif and its meaning in the world of epic Iconographical analysis reveals how the visual arts have made a contribution of their own to the imaginary presence of the Amazons

The Encyclopedia of Amazons Jessica Amanda Salmonson,2015-04-07 An excellent A to Z reference of female fighters in history

myth and literature from goddesses to gladiators to guerrilla warriors Library Journal This is an astounding collection of female fighters from heads of state and goddesses to pirates and gladiators Each entry is drawn from historical fictional or mythical narratives of many eras and lands With over one thousand entries detailing the lives and influence of these heroic female figures in battle politics and daily life Salmonson provides a unique chronicle of female fortitude focusing not just on physical strength but on the courage to fight against patriarchal structures and redefine women's roles during time periods when doing so was nearly impossible The use of historical information and fictional traditions from Japan Europe Asia and Africa gives this work a cross cultural perspective that contextualizes the image of these unconventional depictions of might valor and greatness *Cretan Elements in the Cults and Ritual of Apollo ...* Mary Hamilton Swindler, 1913 **Postcolonial Amazons** Walter Duvall Penrose Jr., 2016-10-20 Scholars have long been divided on the question of whether the Amazons of Greek legend actually existed Notably Soviet archaeologists' discoveries of the bodies of women warriors in the 1980s appeared to directly contradict western classicists' denial of the veracity of the Amazon myth and there have been few concessions between the two schools of thought since *Postcolonial Amazons* offers a ground breaking re-evaluation of the place of martial women in the ancient world bridging the gap between myth and historical reality and expanding our conception of the Amazon archetype By shifting the center of debate to the periphery of the region known to the Greeks the startling conclusion emerges that the ancient Athenian conception of women as weak and fearful was not at all typical of the region of that time even within Greece Surrounding the Athenians were numerous peoples who held that women could be courageous able clever and daring suggesting that although Greek stories of Amazons may be exaggerations they were based upon a real historical understanding of women who fought While re-examining the sources of the Amazon myth this compelling volume also resituates the Amazons in the broader context from which they have been extracted illustrating that although they were the quintessential example of female masculinity in ancient Greek thought they were not the only instance of this phenomenon masculine women were masqueraded on the Greek stage described in the Hippocratic corpus took part in the struggle to control Alexander the Great's empire after his death and served as bodyguards in ancient India Against the backdrop of the ongoing debates surrounding gender norms and fluidity *Postcolonial Amazons* breaks new ground as an ancient history of female masculinity and demonstrates that these ideas have a much longer and more durable heritage than we may have supposed **Bryn Mawr College Monographs**, 1913 **The Publishers Weekly**, 1912

The Amazons Adrienne Mayor, 2016-02-09 The real history of the Amazons in war and love Amazons' fierce warrior women dwelling on the fringes of the known world were the mythic archenemies of the ancient Greeks Heracles and Achilles displayed their valor in duels with Amazon queens and the Athenians reveled in their victory over a powerful Amazon army In historical times Cyrus of Persia Alexander the Great and the Roman general Pompey tangled with Amazons But just who were these bold barbarian archers on horseback who gloried in fighting hunting and sexual freedom Were Amazons real In this

deeply researched wide ranging and lavishly illustrated book National Book Award finalist Adrienne Mayor presents the Amazons as they have never been seen before This is the first comprehensive account of warrior women in myth and history across the ancient world from the Mediterranean Sea to the Great Wall of China Mayor tells how amazing new archaeological discoveries of battle scarred female skeletons buried with their weapons prove that women warriors were not merely figments of the Greek imagination Combining classical myth and art nomad traditions and scientific archaeology she reveals intimate surprising details and original insights about the lives and legends of the women known as Amazons Provocatively arguing that a timeless search for a balance between the sexes explains the allure of the Amazons Mayor reminds us that there were as many Amazon love stories as there were war stories The Greeks were not the only people enchanted by Amazons Mayor shows that warlike women of nomadic cultures inspired exciting tales in ancient Egypt Persia India Central Asia and China Driven by a detective s curiosity Mayor unearths long buried evidence and sifts fact from fiction to show how flesh and blood women of the Eurasian steppes were mythologized as Amazons the equals of men The result is likely to become a classic **The American Library Annual 1911/12-1917/18** ,1914 *The American Library Annual* ,1914

puzzling This book redresses this by showing how conflict in mythology and legend resonated loudly as essential existentialist even symbols in Greek culture and how they are represented in classical literature philosophy religion feminism art statuary ceramics architecture numismatics etymology astronomy even vulcanology Praise for War in Greek Mythology An excellent study of the more military of the Greek myths telling the stories while also acknowledging the many different versions of so many of them and also the varying attitudes of the ancient Greeks to these stories History of War **Lesbian Choices** Claudia Card, 1995 In this compellingly honest collection of her writings renowned feminist philosopher Claudia Card courageously explores the complex ethical and political questions lesbians face considering these issues in regard to their identities and relationships both within and outside of lesbian communities Lesbian Choices is written with a grace and clarity that readers inside and outside academia will appreciate Claudia Card's lucid presentation of complicated philosophical and ethical concepts offers a better understanding of the explosive issue of gender construction in our society Lesbian Choices is recommended reading for anyone interested in lesbianism feminism ethics and philosophy
