How White Evangelicals Think Dave Verhaagen, 2022-08-16 The majority of Americans have looked on in some combination of horror and befuddlement as many white Christians particularly evangelicals have revealed beliefs and opinions seemingly

antithetical to the Christian faith whether holding racist attitudes supporting conspiracy theories aligning with nationalistic and authoritarian movements or becoming hostile toward the different and marginalized Dr Dave Verhaagen a nationally board certified psychologist and author tackles the challenge of explaining the psychology behind what has become the unique mind of the modern white Christian Each chapter explores one or more robust psychological principles that help make sense of why white Christians think like they do *More Than a White Man's Religion* Abdu Murray,2022-09-27

Though many today accuse Christianity of being a white imperialistic religion it is actually the source for cherished Western ideals of racial and gender equality In *More Than a White Man's Religion* author and speaker Abdu Murray shares stories from the Bible and his own experiences as a global apologist a member of an ethnic minority a son of immigrants and a former Muslim to show that the gospel message provides dignity and liberty to non whites and women *More Than a White Man's Religion* reveals The ethnically diverse roots of biblical stories and passages that inspired some of the greatest social reforms in history How challenging and sometimes confusing Bible passages and stories can be best understood to champion equality for ethnically diverse people and women Ways believers can bring real and lasting change to our culture's pervasive racial ethnic and gender equality issues by following Jesus and his followers examples Without overlooking the places where Christianity has failed to live up to its own ideals Murray challenges the myth that Christianity is an oppressive Western religion and shows believers how to better fulfill their God given mandate to uphold the dignity of every human being Tackling head on one of the most serious challenges to the Christian faith in our multicultural age *More Than a White Man's Religion* demonstrates how the gospel can inspire positive change for modern culture Religion, Personality, and Social Behavior Vassilis Saroglou,2013-07-24

Secular Faith Vincent William Lloyd, Elliot A. Ratzman, 2011-01-01 Is faith a necessary virtue in the contemporary world May it be or must it be detached from religious commitment What do genealogies of the secular tell us about faith Does religion need secular faith Secular Faith brings together leading and emerging scholars to reflect on the apparent paradox of secular faith Ranging over anthropology religious studies political science history and literature from Muslims in China to Pentecostals in South Africa to a prison chapel in Texas this collection of essays is as engaging and accessible as it is penetrating and rigorous Communism was once labeled the god that

failed Like Christianity Communism involves faith in a superhuman endeavor conversion myth discipline and salvation and from the perspective of secular liberalism both are unjustified and false In recent years scholars have begun to investigate whether secularism is itself based on faith in a god that failed or is failing Nevertheless many still embrace such a faith finding in the spirit of democracy an ethos of eternal renewal Secular Faith enters and broadens this conversation interrogating secular faith in a global context tapping new theoretical resources and grappling provocatively with the tragedies and opportunities of today s profane pantheon of beliefs
