Abraham Lincoln's Religion

Stephen J. Vicchio, 2018-03-23 This work is a summary and analysis of Abraham Lincoln's religion. This study begins with a description of the earliest relations Mr. Lincoln had with religion, his parents' dedication to a sect known as the Separate Baptists. By late adolescence, Lincoln began to reject his parents' faith, and he appears to have been a religious skeptic until his marriage to Mary Todd. After his marriage, he attended Protestant services with his wife and family, but there was little evidence that he was deeply religious in that time. Lincoln knew the Scriptures quite well, but it was not until the death of his two sons, Eddie in 1850 and Willie in 1862, that as the sixteenth president, he became more intensely concerned with God's Plan for human kind.

Abraham Lincoln's Political Faith Joseph R. Fornieri, 2005 At Gettysburg, Lincoln resolved that this nation under God would not perish, and in his Second Inaugural, he called for firmness in the right as God gives us to see the right. How are we to understand these and other invocations of divine authority in the speeches and writings of America's most admired president? Exploring Lincoln's unique blending of religion and politics, Fornieri shows that Lincoln presented a comprehensive and compelling interpretation of political order founded upon American democratic and religious traditions. Proslavery theologians based their claims to legitimacy on Scripture, but Lincoln denounced this position as incompatible with true religion, reason, and republicanism. He envisioned instead a united nation that would honor both God and American political principles. Fornieri casts Lincoln's unique combination of politics and piety as biblical republicanism, a merging of Judeo-Christian beliefs and the founders' tradition of self-government. In a time of unprecedented crisis and upheaval, biblical republicanism provided Lincoln with a moral justification for difficult political choices. Fornieri demonstrates the sincerity of Lincoln's belief and reveals the remarkable consistency between his public and private religious views. Though Lincoln's faith deepened during the turbulent war years and after the death of his son Willie, his articulation of this faith remained consistent throughout much of his life. Convinced that religion was a crucial aspect of life, Lincoln maintained that his own faith guided and shaped his political thought. In contrast to scholars who have emphasized the Lyceum Address as the key to understanding Lincoln's religion and politics, Fornieri brings forth the Peoria Address of 1854 as a more profound and mature reflection of Lincoln's political faith. At Peoria, Lincoln invoked the Declaration of Independence as the nation's moral covenant, characterizing the struggle over extending slavery as a clash between rival political faiths. He emphasized that the Union was worthy of preservation in light of the Declaration's principles of liberty and equality and that these principles were best secured under the auspices of national Union committed to the Constitution. Abraham Lincoln's Political Faith sheds new light on how the Great Emancipator's personal trust in a living God shaped his vision for a new America.

Abraham Lincoln's Religion Madison Clinton Peters, 2019-12-20 In Abraham Lincoln's Religion, Madison Clinton Peters undertakes a meticulous examination of the spiritual life and beliefs of one of America's most iconic presidents. Utilizing a myriad of primary sources, including personal letters, speeches, and accounts from close associates, Peters explores the evolution of

Lincoln's faith amidst the tumult of the Civil War. The book's eloquent prose and insightful analysis situate Lincoln's religious sentiments within a broader literary and philosophical context, echoing the uncertainties of a nation grappling with its moral compass. Peters' approach brings a compelling depth to Lincoln's public and private struggles with faith, making the text an invaluable resource for both historians and casual readers alike. Madison Clinton Peters, a prominent scholar of American history and religion, has dedicated his career to unraveling the complex interplay between faith and leadership in American society. His extensive background in theology and history provides him with a unique lens through which he interprets Lincoln's beliefs, shaped by personal loss and societal upheaval. Peters draws on the rich tapestry of 19th-century American thought, allowing readers to appreciate the profound impact of faith on Lincoln's presidency. This book is a must-read for anyone interested in understanding how Lincoln's unique religious views influenced his decision-making and leadership style. It is not only a scholarly work but also a poignant reflection on the role of faith in times of great national strife, encouraging readers to consider the eternal questions of morality and purpose that resonate through history.

Abraham Lincoln: Was He a Christian? John B. Remsburg, 2015-10-20. Especially recommended to all persons interested in the religious views of Lincoln because of the clear and complete manner in which Mr. Remsburg gives the evidence of both sides. *The Free Thought Magazine*, Volume 19, 1901. Do men gather grapes of thorns or figs of thistles? *The Atlantic Monthly*, Volume 73, 1894. One of the most noted controversies of the century has been waged over the question of Abraham Lincoln's religious belief. Soon after the remains of America's most illustrious son were laid to rest at Springfield, one of his biographers, Dr. Holland, put forward the claim that he was a Christian. The claim was promptly denied by the dead statesman's friends but only to be renewed again and again denied. And thus for a quarter of a century the question of Lincoln's belief has been tossed like a battledore from side to side. For fifteen years Mr. Remsburg has been collecting material for his work. He presents an array of testimony that is irresistible and overwhelming and which must put this question at rest forever. In addition to the testimony of twenty witnesses who claim that Lincoln was a Christian and which is reviewed and refuted, he adduces the testimony of more than a hundred witnesses in proof of the claim that Lincoln was not a Christian. These witnesses include his wife and other relatives, his three law partners, his private secretaries, members of his cabinet, his principal biographers, and scores of his most intimate friends.

Abraham Lincoln John E. Remsburg, 2008-06-01. This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work.

Abraham Lincoln's Faith Based Leadership G. Fox, 2005-04-14. NEW INSIGHT into the character, beliefs, and motivations of Abraham Lincoln is given in this well-researched study, the first major work on our martyred President's religion to appear in almost four decades. It is particularly fitting that it should be published in the 150th anniversary year of his birth. The

volume traces Lincoln's religious development from his youth and shows the evolution of his faith as mirrored in his religious philosophy as he grows older and more mature. It pictures his early attitude towards the Bible and his later faith in and dependence upon it, his utter disbelief in dogmas and rituals, his deep belief in prayer and his naive concern with dreams, visions and forebodings. While he was not a dogmatic Christian, Dr G. George Fox writes he was still a deeply religious man in the broader sense of the word. He felt keenly that the lives and destinies of nations and men were directed by God Almighty. He believed that God guided, inspired and directed him and that the means of communication between God and man was prayer. He was certain that the Maker was always near him and he had an ineradicable will to be on the side of God who to him was always in the right. He believed that God was the Father of all men and therefore all men were brothers. The author also writes that Lincoln's deep and sometimes naive faith in prayer was born of his feeling of nearness to God, his profound sense of justice and his immeasurable trust in the ultimate victory of righteousness. These were the three religious essentials, he concludes, which armed him with an unflinching faith that the nation which was on the side of God and he believed this nation would ultimately be victorious. The avowed aims of this illuminating work are to disclose the sources of our sixteenth President's religion and religious inspiration to confirm the proposition that he was a religious man par excellence. The aims are admirably achieved and in addition the book sheds new light on some of the many facets in the personality of one of our nation's immortals.

Lincoln's Christianity Michael Burkholder, 2007. The Changing Role of Faith in the Life of the Sixteenth President of the United States. How do we reconcile the young religious skeptic with the mature president who so profoundly invested the Civil War with religious significance? Lincoln's religious views, difficult to recover, interpret and disentangle from past and present biases, are the subject of this brief survey. *Journal of American History*. Michael Burkholder examines the history of the president's interaction with religion, accounts from those who knew him, his own letters and writings, the books he read to reveal a man who did not believe in orthodox Christian precepts and might have had a hard time getting elected today yet by his example was a person and president who most truly embodied Christian teachings.

The Soul of Abraham Lincoln William Eleazar Barton, 1920 **The Inspired Wisdom of Abraham Lincoln** Philip L. Ostergard, 2011-09-23. Not long after Lincoln's assassination the debate began: Was Lincoln a committed Christian or a confirmed skeptic? Scholar Philip Ostergard provides the answer with a thorough study of the president's references to God, the Bible and Christian principles in his letters and speeches. *The Inspired Wisdom of Abraham Lincoln* illustrates the depth of Lincoln's knowledge of Scripture, the Bible's influence on his character and the development of his faith, particularly as he wrestled with the issue of slavery and led the nation through the tumultuous years of the Civil War. Readers will find this a fascinating and inspiring handbook of answers to the questions about one of our greatest presidents.

List of Books and Magazine Articles on Abraham Lincoln, 16th President of the United States ... Chicago Public Library, 1909 *An Historical and Theological Assessment of the Religious Views of Abraham Lincoln* John Raymond Jackson, 1983
