Minstrelsy of the Scottish Border: consisting of historical and romantic ballads, collected in the Southern Counties of Scotland; with a few of modern date, founded upon local tradition Walter Scott,1806

Historical ballads Walter Scott,1809 Newgate Stephen Halliday,2007-12-31 There have been more prisons in London than in any other European city Of these Newgate was the largest most notorious and worst Built during the twelfth century it became a legendary place the inspiration of more poems plays and novels than any other building in London It was a place of cruelty and wretchedness at various times holding Dick Turpin Titus Oates Daniel Defoe Jack Sheppard and Casanova Because prisons were privately run any time spent in prison had to be paid for by the prisoner Housing varied from a private cell with a cleaning woman and a visiting prostitute to simply lying on the floor with no cover Those who died inside and only a quarter of prisoners survived until their execution day had to stay in Newgate as a rotting corpse until relatives found the money for the body to be released Stephen Halliday tells the story of Newgate s origins the criminals it held the punishments meted out and its rebuilding and reform This is a compelling slice of London s social and criminal history
