Driving Visions David Laderman, 2010-01-01 From the visionary rebellion of Easy Rider to the reinvention of home in The Straight Story the road movie has emerged as a significant film genre since the late 1960s able to cut across a wide variety of film styles and contexts Yet within the variety a certain generic core remains constant the journey as cultural critique as exploration beyond society and within oneself This book traces the generic evolution of the road movie with respect to its diverse presentations emphasizing it as an independent genre that attempts to incorporate marginality and subversion on many levels David Laderman begins by identifying the road movie's defining features and by establishing the literary classical Hollywood and 1950s highway culture antecedents that formatively influenced it He then traces the historical and aesthetic evolution of the road movie decade by decade through detailed and lively discussions of key films Laderman concludes with a look at the European road movie from the late 1950s auteurs through Godard and Wenders and at compelling feminist road movies of the 1980s and 1990s

The Pop Documentary Since 1980 Richard Wallace, 2025-07-10 In The Pop Documentary Since 1980 Richard Wallace examines the representation of pop music musicians and music making in documentary film and television He draws together conceptual frameworks from within and outside of film and television studies including performance studies musicology celebrity studies and fan studies

to provide a critical interrogation of the central issues in this genre A common criticism of the music documentary is that it lacks artistic integrity because of its close affiliation with its subject Wallace argues that music documentaries can be artful and conceptually complex and be part of a broader process of image curation under the control of the artist and their management This contradiction is key to the form s vitality and Wallace explores two competing lines of enquiry First the contribution that such documentaries make to the public perception of their subjects Second he argues that its official status does not preclude music documentaries from being artistic or engaging with the theoretical questions that underpin documentary media more broadly Other issues addressed include how documentaries about song writing attempt to represent intangible concepts like creativity and inspiration how the experiential and affective aspects of music are communicated through the visual image ethical considerations Each of these conceptual questions is examined through detailed analysis of a variety of music documentaries ranging from *Stop Making Sense* to *Tokyo Idols* via Beyonc and The Beatles

which makes for a compelling read even if you're not yet a fan David Nichols relates the Go Betweeners story with wit and verve and for this edition he completely updated the book adding chapters on the members subsequent solo careers in the 1990s the subsequent reuniting of Forster and McLennan under the Go Betweeners name and the band's flourishing second life in the new millennium tragically cut short by the sudden death of Grant McLennan in 2005 Video Magazine ,1997 American Cinematographer ,2002 **The Movie Guide** James Monaco,1992 From The Big Sleep to Babette's Feast from Lawrence of Arabia to Drugstore Cowboy The Movie Guide offers the inside word on 3 500 of the best motion pictures ever made James Monaco is the president and founder of BASELINE the world's leading supplier of information to the film and television industries Among his previous books are The Encyclopedia of Film American Film Now and How to Read a Film *The Laser Disc Newsletter* ,1998 **Billboard** ,1996-11-09 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Film Review** ,2001-07 **Keeping Score** Alvin H.
