Tony Fletcher, 2018-04-26 R E M the most acclaimed American group of their generation disbanded in September 2011 with their idealism and dignity intact In this the final edition of his best selling R E M biography Tony Fletcher brings their story to a conclusion and explains what led this unique group to draw a curtain on their career This Omnibus Enhanced digital edition of Perfect Circle includes a bonus multimedia discography charting every album and single of R E M s career presented in chronological order through audio video and imagery Drawing on interviews with band members friends associates and business partners the book follows R E M s upward trajectory from the seminal debut *Murmur* in 1983 to the 1990s when their albums *Out Of Time* *Automatic For The People* and *Monster* sold tens of millions making them one of the world s biggest groups to their final years together Granted access to the group throughout their career Tony Fletcher delves beyond R E M s renowned humility and social awareness discussing fame fortune and sexuality with the same keen eye he casts on the group s astonishing career and musical catalogue The result is neither blind fan worship nor jaundiced critical cynicism but a balanced and thorough telling of one of the most compelling rock stories of our time The Name of This Band Is R.E.M. Peter Ames Carlin, 2025-11-04 THE NEW YORK TIMES BOOK REVIEW EDITORS CHOICE An electrifying cultural biography of the greatest and last American rock band of the millennium whose music ignited a generation and reasserted the power of rock and roll Carlin s unique gift for capturing the sweep and tenor of a cultural moment is here on brilliant display Michael Chabon In the spring of 1980 an unexpected group of musical eccentrics came together to play their very first performance at a college party in Athens Georgia Within a few short years they had taken over the world with smash records like *Out of Time* *Automatic for the People* *Monster* and *Green* Raw outrageous and expressive R E M s distinctive musical flair was unmatched and a string of mega successes solidified them as generational spokesmen In the tumultuous transition between the wide open 80s and the anxiety of the early 90s R E M challenged the corporate and social order chasing a vision and cultivating a magnetic transgressive sound In this rich intimate biography critically acclaimed author Peter Ames Carlin looks beyond the sex drugs and rock n roll to open a window into the fascinating lives of four college friends Michael Stipe Peter Buck Mike Mills and Bill Berry who stuck together at any cost until the end Deeply descriptive and remarkably poetic steeped in 80s and 90s nostalgia *The Name of This Band is R E M* paints a cultural history of the commercial peak and near
