Littell, 1870 *Second Edition. Brief Memorials of ... T. Toye, Belfast. By His Widow (J. Toye). [With a Preface by Professor H. Wallace.]* Mrs. Jane TOYE, 1873 **Love's Curriculum** Jenny Hogg Ashwell, 2015-11-11 As our companions through the current spiritual Awakening Jesus the archangels and other spiritual teachers have gathered as the High Council and now share with us in Love s Curriculum their messages of enlightenment These Divine messages have a clear goal To awaken us to the Love that connects all You hold in your hands the High Council s gift to you a guidebook for this journey Through Divine grace and enormous trust Jenny Hogg Ashwell travelled a path from lawyer to student of spirituality and mother of three to spiritual counselor and intuitive to learn of her soul s assignment to scribe Love s Curriculum for the High Council and bring forth their messages to the world It is with great humility courage and gratitude that she has done just this Now it is your turn Let Love s Curriculum gently awaken within you the memory of Love as you uncover your soul s Divine purpose Let it guide you to ignite Love in the world

The time has come to join in the Awakening We wish for you to read Love s Curriculum Within its pages you will find the Bounty of Love and Light to which you have been called for which you have been dreaming and desiring to fill within you the void Within its pages are the answers contained the magic brought forth the truth illuminated for all to hear and see Let Love s Curriculum help you on your journey to awaken to Love It is time The High Council **African Textualities** Bernth Lindfors,1997 African literary texts can be approached in a variety of ways They may be examined in isolation as verbal artifacts that have a unique integrity They may be studied in relation to other texts that preceded and followed them Or they may be seen against the backdrop of the times traditions and circumstances that helped to shape them In this book all these approaches have been utilized sometimes singly sometimes in combination Tongue-in-Cheek Stories Mary Jacqueline Pinch,2006-02-20 Stories have always been a way of expressing feelings and opinions about many contemporary issues These stories touch on such subjects as revenge reincarnation paranoia love vengeance ruthless ambition loyalty segregation ESP loneliness compassion friendship beloved pets prison system hypnotism bigotry murder brutality in the workplace the Bermuda Triangle guilt other worldly events and ghosts **Metaphysical Magazine** ,1899 **The Bookman** ,1904 **A Memorial of Mrs. Mary Porter Childs** Thomas S. CHILDS,1863 **Ivywall** Thomas Seaton Donoho,1860 **The Spiritual Rococo** GauvinAlexander Bailey,2017-07-05 A groundbreaking approach to Rococo religious d r and spirituality in Europe and South America The Spiritual Rococo addresses three basic conundrums that impede our understanding of eighteenth century aesthetics and culture Why did the Rococo ostensibly the least spiritual style in the pre Modern canon transform into one of the world s most important modes for adorning sacred spaces And why is Rococo still treated as a decadent nemesis of the Enlightenment when the two had fundamental characteristics in common This book seeks to answer these questions by treating Rococo as a global phenomenon for the first time and by exploring its moral and spiritual dimensions through the lens of populist French religious literature of the day a body of work the author calls the Spiritual Rococo and which has never been applied directly to the arts The book traces Rococo s development from France through Central Europe Portugal Brazil and South America by following a chain of interlocking case studies whether artistic literary or ideological and it also considers the parallel diffusion of the literature of the Spiritual Rococo in these same regions placing particular emphasis on unpublished primary sources such as inventories One of the ultimate goals of this study is to move beyond the cliché of Rococo s frivolity and acknowledge its essential modernity Thoroughly interdisciplinary The Spiritual Rococo not only integrates different art historical fields in novel ways but also interacts with church and social history literary and post colonial studies and anthropology opening up new horizons in these fields **On the Problem of Empathy** Edith Stein,2013-12-19 Edith Stein scholar and nun is known today as much for her life as for her work Because she was of Jewish descent she was forced to sacrifice herself in the gas chambers of Auschwitz in 1942 But even before her conversion to Catholicism she had distinguished herself as a scholar by her work as Husserl s assistant in Freiburg and by

her inaugural dissertation on empathy The present work is a translation of this dissertation as it was published in 1917 in Halle The conception of empathy that Edith Stein develops here follows very closely the work of Husserl in Volume II of the Ideas Martinus Nijhoff 1952 At the same time it is in contrast with his later Cartesian Meditations Mrtinus Nijhoff 1963 which attempt to resolve a somewhat different problem Thus Edith Stein presents a distinction between the living body Leib as the center of orientation of the spatial world and the material body Korper understood as a physical thing Since Maurice Merleau Ponty also had access to Volume II of the Ideas when formulating his notion of the lived body le corps vecu it is not surprising to find his conception strikingly similar to that of Edith Stein at the same time as it presents some provocative contrasts Though Edith Stein does not use the term her concept of the spatial world adumbrates the Lebenswelt which plays such a prominent role in contemporary phenomenology and existentialism In her chapter on the mind Edith Stein presents a concept of the cultural sciences and the method appropriate to them as opposed to the method of natural sciences She develops this contrast in terms of Wilhelm Dilthey s reliving understanding nachlebendes Verstehen with emendations in the context of her particular analysis Also of interest is her outline of an approach to the structure of feeling as a basis for understanding value that takes into consideration Max Scheler s work This work in general is richly stimulating in its clear concise analyses apt examples and relevance to problems that continue to concern philosophers today The translator it may be noted is a grand niece of Edith Stein who is presently serving as assistant professor of philosophy at the State University College of New York at Oswego Publisher **Love's Labour's Lost** William Shakespeare,2001-04 I feel that I have spent half my career with one or another Pelican Shakespeare in my back pocket Convenience however is the least important aspect of the new Pelican Shakespeare series Here is an elegant and clear text for either the study or the rehearsal room notes where you need them and the distinguished scholarship of the general editors Stephen Orgel and A R Braunmuller who understand that these are plays for performance as well as great texts for contemplation Patrick Stewart The distinguished Pelican Shakespeare series which has sold more than four million copies is now completely revised and repackaged Each volume features Authoritative reliable texts High quality introductions and notes New more readable trade trim size An essay on the theatrical world of Shakespeare and essays on Shakespeare s life and the selection of texts **Images Of Life** LaVern Spencer McCarthy,2017-07-16 This collection of award winning poems is about life with its various twists and turns From stargazers to dreamers from lost dogs to the elderly homeless the book captures many aspects of life You will find beauty intrigue love humor and sorrow within these pages Poems of drama and everyday happenings have been polished and displayed with equal skill This book was created to honor my son Anthony Dickson who left us too soon He will always be in my heart **University Magazine** ,1843
