**Remembering** Paul O. Ingram, 2017-11-06 Memories seldom happen in straight lines with chronological precision but occur most often in spirals Paul Ingram's essays collected in Faith as Remembering were created from memories These memories often in unpredictable ways pushed him to new insights about the nature of Christian faith insights often not desired always unexpected and always toward new directions of theological reflection Theologians all too often write with an unintentional and sometimes intentional universalism Ingram does not intend to write this way These essays reflect his memories and are the sources of the theological conclusions he draws as a historian of religions who now finds himself a practicing process theologian As a process theologian Ingram does not even argue that the conclusions drawn here will be ones he will affirm in the future All human knowledge is incomplete and there are always new surprises for anyone practicing the art of theological reflection But Ingram's hope is that the essays gathered together in Faith as Remembering will inspire readers to engage their memories as the foundation for drawing their own unique conclusions **Manual of the Christian Faith: Or,**

*Remember Heaven: Meditations on the World to Come for Life in the Meantime* Matthew McCullough, 2025-04-25 How the Hope of Heaven Shapes Our Lives as Christians in the Meantime What we expect from our future has tremendous power over our experience in the meantime that s why the Bible places the hope of heaven at the center of the Christian life But even if we affirm the reality of our heavenly future we often struggle to long for heaven much less to connect the promises of the world to come to the concrete details of life in this world as it is If and when we think about heaven at all it s easy to think of it like an insurance policy that will be there when we need it But the Bible defines our future hope as an inheritance a trust fund that is certain inexhaustible and freely accessible here and now In this book Matthew McCullough offers a series of meditations that model how to draw on the hope of heaven for everyday life in the meantime Chapters connect specific struggles of life in this world from dissatisfaction and inadequacy to anxiety grief indwelling sin and more to specific promises of the world to come Drawing on insights from Christian writers of the past McCullough shows how the Bible uses the hope of heaven to help us now Offers Hope Helps readers deal with feelings of loneliness inadequacy grief and dissatisfaction to curate a healthy life perspective around God s promises Biblical and Practical Engaging meditations offer Christians applicable advice for living joyfully in light of the inheritance that awaits them in heaven From the Gospel Coalition This accessible book makes a great gift for students pastors and Christians of every age
