E. Peters, 2018-06-05 Invoking a concept as simple as it is brilliant F E Peters has taken the basic texts of the three related and competitive religious systems we call Judaism Christianity and Islam and has juxtaposed them in a topical and parallel arrangement according to the issues that most concerned all these children of Abraham Through these extensive passages and the author s skillful connective commentary the three traditions are shown with their similarities sometimes startlingly underlined and their well known differences now more profoundly exposed What emerges from this unique and ambitious work is a panorama of belief practice and sensibility that will broaden our understanding of our religious and political roots in a past that is by these communities definition still the present The hardcover edition of the work is bound in one volume and in the paperback version the identical material is broken down into three smaller but self contained books The third The Works of the Spirit focuses on spirituality and worship and contains material on monasticism theology mysticism and the End Time Throughout the work we hear an amazing variety of voices some familiar some not all of them central to the primary and secondary canons of their own tradition alongside the Scriptural voice of God are the words of theologians priests visionaries lawyers rulers and the ruled The work ends as does the same author s now classic Children of Abraham in what Peters calls the classical period that is before the great movements of modernism and reform that were to transform Judaism Christianity and Islam The Interpretation of The Meaning of The Holy Quran Volume 50 - Surah Al-'Ankabut Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books

I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims. The wrong actions of the Muslims have led to many miseries and wars among Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world, English. For this very reason, I have written the interpretation of the Holy Quran in English.

Prof Nasoha Bin Saabin **Visible Islam in Modern Turkey** A. Özdemir, Kenneth Frank, 2000-06-21. Visible Islam in Modern Turkey presents a rich panorama of Islamic practices in today's Turkey. The authors, one a Muslim and one a Christian, introduce readers to Turkish Islamic piety and observances. The book is also a model for Muslims for it interprets the foundations of Islam to the modern mind and shows the relevance of Turkish Islamic practices to modern society. Packed with data and insights, it appeals to a variety of circles, both secular and traditional.

The Holy Qur-án Muhammad Ali, 1920 **Coran** Maulvi Muhammad Ali, Mohamed Ali, 1920 **ISLAM THE ABSOLUTE TRUTH** Jameel Kermalli, 2008. This book is a scientific work relating to the Concept of Energy in The Universe, its Intelligence, and how Islamic beliefs and practices accord totally with known scientific and modern discoveries.

Judaism, Christianity, and Islam Francis E. Peters, 1990. F. E. Peters has taken the basic texts of the three related and competitive religious systems we call Judaism, Christianity, and Islam, and has juxtaposed them in a topical and parallel arrangement according to the issues that most concerned all these children of Abraham. Through these extensive passages and the author's connective commentary, the three traditions are shown with their similarities, sometimes startlingly underlined, and their well-known differences now more profoundly exposed. What emerges from this ambitious work is a panorama of belief, practice, and sensibility that will broaden our understanding of our religious and political roots in a past that is, by these communities' definition, still the present. Throughout the work, we hear an amazing variety of voices, some familiar, some not, all of them central to the primary and secondary canons of their own tradition, alongside the Scriptural voice of God, are the words of theologians, priests, visionaries, lawyers, rulers, and the ruled.
