Remind Me Again Why I Married You Rita Ciresi, 2003-05-27 No one blends humor and heartbreak like Rita Ciresi whose award winning novels are lauded as much for their generous wit as for their unflinching honesty Ciresi's crowd pleasing novel *Pink Slip* captivated readers and critics alike introducing two utterly unforgettable characters and a love story both bittersweet and comic Now Ciresi returns to the people and place of that irresistible bestseller in a riotous and rueful sexy and poignant tale of married love a novel that asks how two people who fell desperately passionately heartbreakingly in love can sustain a second act It's Valentine's Day and Lisa Strauss nee Diodetto is spending it playing dutiful wife at a 100 a head benefit instead of in bed with Eben her hardworking husband of is it only five years Once upon a time Lisa too was a member of the corporate workaday world until she fell in love with her boss Eben gave birth to a cute but rambunctious son and gradually morphed into a stay at home mom Somewhere in the mix Lisa also is a writer with ambitions of fame and glory but those dreams seem to be shrinking along with her sex life That is until a hotshot literary agent shows interest in Lisa's magnum opus Suddenly she has a pen name and an excerpt of her book appears in *Playboy* In between revising chapters Lisa is trying and failing miserably to get pregnant again She's going house hunting with Cynthia Farquhar the gorgeous blond Realtor divorcee who has become her closest confidante and the object of Eben's secret fantasies And she's wondering if this is all marriage is and can ever be bonded for life to a man who may never again be the red hot lover of their pre marriage union In fact he just may turn out to be the conflicted protagonist of her novel a devoted family man whose moral fiber may not be strong enough to withstand the slings and arrows of lust and temptation As their lives begin to bizarrely mirror aspects of Lisa's book as marital life as they know it teeters on the edge of utter chaos Lisa and Eben search apart and together for the answer to the question that has plagued husbands and wives since time immemorial Can love survive marriage In a wickedly funny right on target look at love and relationships Rita Ciresi peels back the layers of a marriage with equal doses of hilarity and humanity Filled with all the zest zingers and unexpected surprises of life *Remind Me Again Why I Married You* is this uncommonly gifted author at her lusty and liberating best **Remind Me Again Why I Married You**
