Wild Awakening Dzogchen Ponlop,2003-12-16 Mahamudra and Dzogchen are perhaps the most profound teachings within all of Tibetan Buddhism The experience of Mahamudra or great symbol is an overwhelming sense of extraordinary clarity totally open and nondualistic Dzogchen or great perfection is the ultimate teaching according to the Nyingma tradition and also represents the pinnacle of spiritual

development These are the two paths that provide practitioners with the most skillful means to experience the fully awakened state and directly taste the reality of our mind and environment And yet these concepts are notoriously difficult to grasp and challenging to explain In Wild Awakening Tibetan Buddhist master Dzogchen Ponlop Rinpoche presents these esoteric teachings in a style that reveals their surprising simplicity and great practical value emphasizing that we can all experience our world more directly with responsibility freedom and confidence With a straightforward approach and informal style he presents these essential teachings in a way that even those very new to Tibetan Buddhism can understand

Forrest G Robinson argues that a strong autobiographical impulse infuses the whole of Clemens s fiction He shows how Clemens wrote out of an enduring need to come to terms with his remembered experiences not to memorialize the past but

to transform it Clemens's special curse was guilt He was unable to forgive himself for the deaths of those closest to him especially members of his family from his siblings's death in childhood to the deaths of his own children Nor could he reconcile himself to his role in the Civil War his ignominious part in the duel that prompted his departure from Virginia City in 1864 and worst of all his sense of moral complicity in the crimes of slavery Tracing the theme of bad faith in all of Clemens's major writing but with special attention to the late work Robinson sheds new light on a tormented moral life directing attention to what William Dean Howells describes as the depths of a nature whose tragical seriousness broke in the laughter which the unwise took for the whole of him
